20TH YEAR. NO. 8. EAST LIVERPOOL, O., SATURDAY, JANUARY 10, 1903. TWO CENTS.

## FLAMES SPREAD QUICKLY PUTTING LIVES IN PERIL

Fire Which Started in Tice's Restaurant Guttured the Place and Damaged Adjacent Buildings.

### MRS. TICE RISKED LIFE TO SAVE HER CHILD

People in the neighborhood of the corner of Washington and Fourth streets at 9:30 this morning were amazed to see flames issuing from the southwest corner of the two-story building that occupies the southwest corner of the two thoroughfares. Alarm was depicted on their countenances and they were making all possible haste. They were Edward Kelly, a plumber, who had been working in the building; Sanford Tice, the proprietor of the restaurant; and Mrs. Tice bearing in her arms her one-year-old child. An instant later their flight was explained. Flames, leaping and dancing and fiery red, filled the room with an angry roar. Never in the history of this city has such rapid progress of flames been known.

Kelly hastened to the establishment of his employer, T. E. Nagle, diagonally across the street, and telephoned an alarm to the central fire station. Mr. and Mrs. Tice sought refuge in the music store of Smith & Phillips, opposite. The flames had gutted the contents of the room and eaten through the frame walls to the outside before the alarm had reached the firemen.

A few minutes before the fire Mrs. Tice had been frying doughnuts in the kitchen and Kelly was at work on the water pipes in an adjoining room. The hot grease in the skillet became ignited and blazed to the ceiling, communicating the flames to the curtains, wall paper and other inflammable materials. There was a strong draft toward the front of the building, and the flames were borne thither, leaving devastation in their wake. So rapid was their progress that Tice, who was in the lunch room, could not reach the back between the two rooms in time to close the slide. He had only time to secure what money was in the cash drawer and make his escape.

Mrs. Tice uttered several piercing screams when the blaze flared to the ceiling and Kelly rushed to her assistance. He pluckily seized the blazing skillet and threw it through a window into the yard, sustaining severe burns on his hands. His heroic action was without avail, as the contents of the room were already ablaze. Mrs. Tice, caught only of her child, who was asleep in another room, and she hastened to it, through the smoke that was now blinding and suffocating. Protecting the little one as best she could.

## THE RAILROAD COMPANY FILES BOND

Youngstown & Southern Binds Itself to Start Work Not Later Than July 1.

City Clerk Willis Davidson, today received the bond of the Youngstown & Southern Railway company, which was required by the ordinance which was recently granted them by the city. The bond is for \$5,000, binding the company to begin on or before July 1. It reads: "Know all men by these presents, that the Youngstown & Southern Railway company is held and firmly bound to the city of East Liverpool, O., in the penal sum of five thousand dollars, which it promises to pay to the said city its successors and assigns."

"Signed, sealed and dated the 31st day of December, A. D. 1902.

"This bond is nevertheless upon the following conditions, to-wit: If said railroad shall begin the construction of its lines on or before July 1, 1903, then this bond shall be void, otherwise to be and remain in full force and virtue in law.

"THE YOUNGSTOWN & SOUTHERN RAILROAD COMPANY, By A. W. JONES, President.

"Attest: J. H. RUHLMAN, Secretary."

## WEDDING OF JUNE JUST REPORTED

W. G. Dorff and Miss Daisy Walker Were Married in Pennsylvania Last Summer.

The marriage of two well known young people in this city which took place last summer has just come to light. The parties are W. G. Dorff, manager of the Fort Pitt Gas company, of this city, and Miss Daisy Walker, a prominent young lady in social circles in this city. The couple were married last June at Craton, Pa., and not a word leaked out about it till a few days ago. They continued to live as heretofore, happy in their own knowledge of the fact, but keeping it well concealed from the public.

At present they are now making arrangements to begin housekeeping and by this time the marriage became known. As both young people are well known in social circles of East Liverpool their marriage is a great surprise to their friends. They are now receiving the hearty congratulations of friends and neighbors. They will locate on McCauley street, in the East End.

## WINDING UP THE TERM'S WORK

COURT DISPOSES OF A NUMBER OF CASES.

Large Number of Actions Have Been Decided in the Past Few Weeks.

Lisbon, January 10.—(Special.)—Charles E. Smith, treasurer, against the Grove company, of Salem, has been settled out of court.

In the case of C. P. Leonard, sheriff, against Christy A. and Catherine Rich, leave is given to amend answer by January 12.

The divorce petition of John R. Hawke, of Wellsville, against Narcissa Hawke, in which Judge Hole refused to grant a decree of divorce the other day has been dismissed at the plaintiff's costs.

In the case of John E. Carlisle, against Thomas B. Carlisle, in which suit was brought to quiet title to real estate in Carter township, a decree for the plaintiff has been entered.

The term of court just closing has been remarkable in court annals in the volume of business disposed of, the court having passed upon 183 civil cases and 267 indictments.

The First National bank, of Leetonia, through its attorney, John B. Morgan, has filed three suits asking judgment on promissory notes. The court is asked to render judgment against J. E. Huston, in the sum of \$144, with interest of \$72 since January 1, 1901 and \$72 since April 1, 1901; against Peter and Sarah Joseph, and against L. C. Hoopes for the same amount with like interest.

## FOR CITY TREASURER

Joseph Betz is Considered a Strong Man in the Interesting Race.

In the column set apart for that purpose will be found today the announcement of Joseph Betz as a candidate for the position of city treasurer. There will doubtless be several other candidates in the race, but it can be asserted with certainty that Mr. Betz will be a very strong factor in the contest. He is one of a few citizens of East Liverpool who can be truthfully referred to as a self made man, and as this could only be attained through a strict adherence to the principles which make successful business men, the fact will go a long way toward adding to the list of friends who will support him at the Republican primary.

Mr. Betz has been an active Republican for many years. He has served as a member of the central committee—a thankless task, having for its only reward criticisms and condemnation—for the past six years. A part of that time he served the committee in the capacity of clerk, performing his work in a thorough and business-like manner. Indeed it is freely acknowledged by the leading Republicans that the many brilliant successes achieved by the party in the last few years can be attributed to his untiring efforts. Those who support Joseph Betz for city treasurer will have the satisfaction of knowing that their vote will not be wasted, and what is more important than anything else that can be said is that he is a Republican, a business man and a good citizen—competent in every way to assume the duties and responsibilities of the position of city treasurer.

## PUT OFF FOR A YEAR

New Building of Potters' Savings Company Not to Be Started at Present.

The Potters' Building & Savings company will not erect its proposed new building during the present year. This was decided at the last meeting of the board of directors and will come as a surprise. It was decided to delay building because at this time just what kind of a building would best suit the needs could not be determined.

The tenants of the buildings recently purchased by the company will not be displaced. Work will likely commence on the new structure in the spring of 1904.

## Judge Moore Very Ill.

Lisbon, January 10.—(Special.)—Judge J. G. Moore, who has been suffering from dysentery for several days, was in a serious condition yesterday, being religious part of the day. He is reported better today.

Advertise in the News Review when you are prepared for a rush of business.

## THE EQUALIZERS VERY INDIGNANT

Men Who Fixed Assessments on Pennsylvania Avenue Ask a Few Questions.

### BOARD'S REPORT COMPLETE

Though Amount Per Foot Front Varies on Several East End Streets, It Will Nowhere Exceed 50 Per Cent of Valuation.

It is asserted by those who are in a position to know that the report of the Pennsylvania avenue equalization board filed with City Clerk Davidson yesterday afternoon is one of the most complete documents ever laid before the East Liverpool city council.

Messrs. Grosshans, Olmhausen and Calhoun, who compose the board, have been hard at work for the past two months, and the task has been a difficult one for several reasons. It was demonstrated at the beginning that the people of the East End would fight any attempt to assess the entire amount for the improvement upon the lots and lands east of the public school building, and after very carefully considering the matter the board determined to extend its operations to include that part of the land abutting on Pennsylvania avenue west of the East End school. This action was a signal for those owning the several tracts along the hillside to resist the move. It was held this territory was unimproved, and owing to its being so steep is practically valueless. The fact was brought out about this time that nearly all of this property was being developed, since clay mines, stone quarries and other enterprises were in full operation there. The board, knowing this, proceeded to levy the assessments in spite of the objections. To justify their action in this regard, an instance is given where a large tract along the road had been paid for at the rate of \$6 per foot front and the members deemed it no more than proper that land which was considered so valuable had certainly been benefited and could stand the assessment.

It goes without saying that the East End taxpayers were pleased with this disposition on the part of the board and if there is any protests or opposition to the acceptance of the report when council meets next Tuesday night it will come from property owners who are interested in land on Pennsylvania avenue west of the school building.

It is gratifying to a majority of the members of the council that the matter has been pushed to the point it has now reached. It is well known in certain quarters that attempts were made to delay the appointment of this equalizing board, and that the effort succeeded in a degree is evidenced by the fact that the report of the assessors was in and had been accepted months before this board had been started at its task. The report given to Clerk Davidson yesterday is as follows:

To the Honorable City Council of the City of East Liverpool.

Gentlemen—The undersigned, comprising the board of equalization for the Pennsylvania avenue improvement, submit the following report as their decision and that of said board: That said improvement above referred to extend from lot 1589 in the city of East Liverpool, O., to the East End public school building in said city, and the cost and expenses incurred by reason thereof embrace and include all the land in said city especially mentioned, and set forth in a certain resolution regularly passed by the city council of the city of East Liverpool, O., on the fourteenth day of December, Nineteen hundred, entitled, A resolution declaring it necessary to improve Pennsylvania avenue from lot 1589 to the East End public school building, which resolution is particularly referred to herein and made a part hereof as if fully rewritten.

That on the nineteenth day of November, 1902, each member was duly sworn to honestly and impartially discharge his duty as a member of said board and according to the law governing the same; and to hear and determine all objections to the assessment and equalize the same in accordance with the special benefit conferred on the respective properties included in the said resolution heretofore mentioned.

## DISEASED PORK MADE FAMILY ILL

SIX PERSONS BECAME SICK AFTER EVENING MEAL.

Mrs. Harry Roe, of Trentvale Street, Came Very Near Dying Last Night.

From the effects of eating poisoned pork the entire family of Harry Roe, of Trentvale street, were taken suddenly ill immediately after the evening meal last night and for a time the life of Mrs. Roe was despaired of.

The victims were Mr. and Mrs. Harry Roe and their four children, one aged 7, another 5 and twins but 3 years old.

Immediately after the meal was finished the mother was the first to take sick and her condition was so alarming that a physician was quickly summoned and by the time he arrived the entire family had taken sick and the mother was in an unconscious condition. Dr. Brindley discovered that they were suffering from the effects of poison.

He administered an emetic to Mrs. Roe but it was several hours before she was out of danger.

The meat from which the family had eaten was analyzed and was found to contain poisonous matter which had probably resulted from the meat being diseased.

## THE CITY SOLICITORSHIP

M. J. McGarry Announces His Candidacy For the Office Under the New Code.

The first year of City Solicitor M. J. McGarry's term will expire next May, and though he was elected for two years last spring the operation of the new code will make it necessary for him to again place his name in nomination.

Mr. McGarry is one of the most prominent and best known attorneys in Columbiana county, and was, through his own efforts alone, attained the standing in his profession now occupied by him.

When Solicitor McGarry was elected last spring it was demonstrated he was a very popular man, as his vote was a landslide one. He is a young man who makes friends by the score and what is better has the knack of retaining them. He will be undoubtedly re-elected by an increased majority.

To the present there has been no indication that there will be any opposition to Mr. McGarry's candidacy, and his friends say there should be none, as he served but one year upon his first term.

## CHATAUQUA CIRCLE

Held a Most Interesting Meeting Last Evening at the Home of Mrs. Eells.

One of the most interesting meetings ever held by the Chatauqua Circle was that of last evening at the home of Mrs. Ira Eells on Thompson avenue. The meeting was opened by an interesting talk by Mrs. Eells, who spoke for her subject "Browning." Mrs. Eells was followed by Miss Agnes Jones, who talked on "Sir Robert Bunsen." A piano solo by Mrs. Romey and also by Miss Jones added to the pleasure of the evening. The attendance was very good, considering the severe cold.

The program for the next meeting, January 23, was decided upon and also the place of meeting, which will be at the home of Miss Elizabeth Caton. The program will be as follows: Parliamentary drill, Mrs. McKelvey; "Carlisle," Mrs. Romey; "Ruskin," Mrs. McKelvey; "A Trip Up the Volga," Mrs. S. G. Hard.

## BIRTHDAY PARTY

Miss Vada Strowe Delightfully Entertains a Party of Friends.

Miss Vada Strowe delightfully entertained a party of her friends at her pleasant home on Fourth street last evening in honor of her eighteenth birthday. Music, both vocal and instrumental, crokinole, progressive pedro and dancing were the order of the evening. A dainty four-course luncheon was served and at a late hour the guests departed, all voting Miss Strowe a most charming and entertaining hostess.

Those present were: Misses Ethel Ferguson, Ada Watkins, Agnes Ferguson, Mittle Strong, Agnes Niblock, Mary Hahigh, Wellsville, Agnes Gillespie, Messrs. Milton Tyndall, Roy L. McCoy, Orin Strowe, Melvorne Glars, Earl Strowe, Cliff Lawson, Wellsville, and Andy Dailey, Toronto.

## YOUNG WOMAN'S WILD LEAP FROM A RUNAWAY SLEIGH RESULTS VERY SERIOUSLY

Panic Among Members of a Sleighing Party Cause of Broken Bones For a Young Lady.

Miss Mayne Bryer, an employee of the decorating department at the Vallery pottery, lies at the home of Mrs. Curtis Welch, in Jackson square, where she boards, with her right leg broken in two places, the result of a sleighing accident which occurred on the Calcutta road at about 9 o'clock last evening. In the sleighing party were Miss Lizzie Mulrine, her uncle, Abe Flynn, of Braddeck, Pa., William Morrison, of the same city and the injured girl. They had a double team from Harrison Rinehart's livery stable on Seventh street.

They went out the Calcutta road at a merry clip, Mr. Flynn doing the driving. About two miles from the city he turned the horses and started back to town when they became frightened and started to run. The road winds down the hill and the

horses were soon beyond the control of the driver. The occupants of the sleigh became panic stricken and Miss Bryer, heedless of the entreaties of the driver to remain still, jumped from the sleigh which by this time was going at a terrific rate. The girl landed on her feet, but the momentum threw her violently to the ground. A short distance farther on the sleigh struck an obstruction in the road and the others were thrown out. Fortunately none of them were hurt beyond a few bruises. The horses continued their mad flight for perhaps half a mile before they were stopped. Miss Bryer was picked up in an almost insensible condition and brought to town in another vehicle.

Dr. Kirk was called and his examination showed that both bones of the right leg were broken just above the ankle. There were no other injuries beyond a few bruises.

## CAR LINE FROM HERE TO COLUMBUS

A Probability of the Near Future—Plans Matured For a Long Electric Road.

All that East Liverpool people will need to do to be able to ride from home to Columbus on trolley cars at an early date will be to secure an extension of the Wellsville line to Toronto. Before many months Steubenville will be connected with Columbus by a street railway line. This is the latest information from Columbus. To complete the long route there are two gaps to be closed. One is between Brilliant and Wheeling, and other between Zanesville and Newark. Both jobs will begin in the spring.

The contract for building the interurban road from Newark to Zanesville, which is to become a part of the Columbus, Buckeye Lake & Newark Traction company, has been signed and as soon as the weather opens sufficiently for work to be done, it will commence.

The Arthur E. Appleby company has the contract for building the road and the contract requires that it is to

be turned over to the Tucker Anthony syndicate, controlling the Buckeye Lake line, ready for operation.

General Manager Harrigan, of the Buckeye Lake line, was in Columbus Thursday and stated that all the rights of way with but a few miles, between the points mentioned, have been secured. A corps of engineers is now stationed at Newark, and is working at intervals along the route, making necessary changes in the survey.

The completion of this extension and the transformation of the B. Z. & C. narrow gauge steam road, recently purchased by the Applebys, into an electric line, will open direct electric railway communication between Columbus and the Ohio river at Wheeling. There it will connect with the Wheeling Traction company's lines which owns the Steubenville-Mingo & Ohio Valley Traction road and virtually connect Steubenville and Columbus, by a street car line.

## SEEKS INJUNCTION

The Village, Like Wellsville, Is Hot After a Local Traction Company.

Toronto is now going after the Steubenville Traction company rough shod. The village lost its recent suit to compel the company to change a curve in the grade of the street, but in order to compel the company to live up to its franchise, Solicitor Taylor, by application of council, filed a suit for specific performance in the courts yesterday. It is claimed that the streets were torn up and not properly relaid; that the rails and the tracks are not properly laid and that the water set between them and cannot be drained off. Until conditions are remedied the court is asked to enjoin the company from operating in the village.

## EARLY PRIMARIES

Seem to be Favored by Republican Candidates for County Offices.

Lisbon, January 10.—(Special.)—County Chairman John S. McNutt, has called a meeting of the Republican county committee, together with the aspiring candidates to be voted for at the spring nomination, to be held in the court house Saturday, January 17. At this meeting rules and regulations to govern the primaries will be adopted and the time for holding primaries. It seems to be the sentiment of the candidates heard from that the primaries should be held this year on either March 23 or April 18.

## Spanish War Veterans Meet.

Major Weybrecht, Camp No. 156, Spanish War Veterans, held a meeting last night in their armory in the city hall. Fifteen candidates were to have been initiated, but owing to the extreme cold weather some of the officers could not be present, and it was postponed until next Friday evening. Since the improvements recently made by the members the armory is very comfortable. The membership of the order is growing very rapidly, and it is the wish to include in it all the Spanish war veterans in this neighborhood.

## Granted Pensions—A special

Washington says pensions have been granted as follows: Joel W. Hoyt, of East Liverpool, \$6, (war with Spain); minors of Fred. Stark, East Liverpool, \$12; Samuel L. Lawrence, Salem, \$17. Hoyt served as a member of Company E, Eight Ohio volunteers. A number of those who served in this company are now drawing pensions of \$6.

It leads—the News Review.

## FLAMES SPREAD QUICKLY PUTTING LIVES IN PERIL

Fire Which Started in Tice's Restaurant Guttured the Place and Damaged Adjacent Buildings.

### MRS. TICE RISKED LIFE TO SAVE HER CHILD

People in the neighborhood of the corner of Washington and Fourth streets at 9:30 this morning were amazed to see flames issuing from the southwest corner of the two thoroughfares. Alarm was depicted on their countenances and they were making all possible haste. They were Edward Kelly, a plumber, who had been working in the building; Sanford Tice, the proprietor of the restaurant; and Mrs. Tice bearing in her arms her one-year-old child. An instant later their flight was explained. Flames, leaping and dancing and fiery red, filled the room with an angry roar. Never in the history of this city has such rapid progress of flames been known.

Kelly hastened to the establishment of his employer, T. E. Nagle, diagonally across the street, and telephoned an alarm to the central fire station. Mr. and Mrs. Tice sought refuge in the music store of Smith & Phillips, opposite. The flames had gutted the contents of the room and eaten through the frame walls to the outside before the alarm had reached the firemen.

A few minutes before the fire Mrs. Tice had been frying doughnuts in the kitchen and Kelly was at work on the water pipes in an adjoining room. The hot grease in the skillet became ignited and blazed to the ceiling, communicating the flames to the curtains, wall paper and other inflammable materials. There was a strong draft toward the front of the building, and the flames were borne thither, leaving devastation in their wake. So rapid was their progress that Tice, who was in the lunch room, could not reach the arch between the two rooms in time to close the slide. He had only time to secure what money was in the cash drawer and make his escape.

Mrs. Tice uttered several piercing screams when the blaze flared to the ceiling and Kelly rushed to her assistance. He pluckily seized the blazing skillet and threw it through a window into the yard, sustaining severe burns to his hands. His heroic action was without avail, as the contents of the room were already ablaze. Mrs. Tice, though only of three child, who was asleep in another room, and she hastened to it, through the smoke that was now blinding and suffocating. Protecting the little one as best she could.

Continued on Eighth Page.

The firemen made the usual fast time in getting to the scene in spite of the danger to life and limb that lurked along the icy streets. A line of hose was run to the front of the restaurant and another one to the roof, up the stairway to the second floor of the building occupied by H. A. Kernott, the tailor. The flames were fierce and stubborn and had found secluded corners where for a time the streams of water could not reach them.

It was disagreeable work for the fire fighters, as they were soon drenched and the water froze almost as soon as it touched them. The flames were soon driven to the south and caught in the roof of the little cottage building fronting on Washington street and occupied by Jerry Callahan and family. Mr. Callahan, who is a stick-up at the D. E. McNeil pottery, had arrived on the scene and directed the removal of his household goods. Everything was saved except a carpet and a small stove. The spectators lent a willing hand in this work.

A few minutes later the flames appeared on the south side of this building, threatening the office of the Ceramic City Light company, separated from it by a narrow alley way. The books of the company and a part of the stock were removed to a place of safety. The firemen had the flames under control by this time and the latter building was not damaged. Some little alarm was felt for a time for the residence occupied by William Erlander, Jr., and family, which is the next building southward on Washington street.

The tailoring establishment of H. A. Kernott in the two-story frame building that adjoins the restaurant on Fourth street was soon filled with a dense smoke from the flames, which were eating their way from the upstairs rooms. A large hole was burned in the floor between the two stories and the fixtures and stock in the lower room were soon completely ruined. The upstairs rooms are used as sleeping apartments by Mr. Kernott and his brothers, Orrie, who has charge of the pay roll at the American Tin Plate company's plant at Chester, and Charles, who is lineman in the employ of the Columbiana Telephone company. The contents of these rooms are a total loss.

## THE RAILROAD COMPANY FILES BOND

Youngstown & Southern Binds Itself to Start Work Not Later Than July 1.

City Clerk Willis Davidson, today received the bond of the Youngstown & Southern Railway company, which was required by the ordinance which was recently granted them by the city. The bond is for \$5,000, binding the company to begin on or before July 1. It reads: "Know all men by these presents, that the Youngstown & Southern Railway company is held and firmly bound to the city of East Liverpool, O., in the penal sum of five thousand dollars, which it promises to pay to the said city its successors and assigns."

### WEDDING OF JUNE JUST REPORTED

W. G. Dorff And Miss Daisy Walker Were Married in Pennsylvania Last Summer.

The marriage of two well known young people in this city which took place last summer has just come to light. The parties are W. G. Dorff, manager of the Fort Pitt Gas company, of this city, and Miss Daisy Walker, a prominent young lady in social circles in this city. The couple were married last June at Clifton, Pa., and not a word leaked out about it till a few days ago. They continued to live as heretofore, happy in their own knowledge of the fact, but keeping it well concealed from the public.

## THE EQUALIZERS VERY INDIGNANT

Men Who Fixed Assessments on Pennsylvania Avenue Ask a Few Questions.

### BOARD'S REPORT COMPLETE

Though Amount Per Foot Front Varies on Several East End Streets, It Will Nowhere Exceed 50 Per Cent of Valuation.

It is asserted by those who are in a position to know that the report of the Pennsylvania avenue equalization board filed with City Clerk Davidson yesterday afternoon is one of the most complete documents ever laid before the East Liverpool city council.

Messrs. Grosshans, Ohlhausen, and Calhoun, who compose the board, have been hard at work for the past two months, and the task has been a difficult one for several reasons. It was demonstrated at the beginning that the people of the East End would fight any attempt to assess the entire amount for the improvement upon the lots and lands east of the public school building, and after very carefully considering the matter the board determined to extend its operations to include that part of the land abutting on Pennsylvania avenue west of the East End school. This action was a signal for those owning the several tracts along the hillside to resist the move. It was held this territory was unimproved, and owing to its being so steep is practically valueless. The fact was brought out about this time that nearly all of this property was being developed, since clay mines, stone quarries and other enterprises were in full operation there.

The board, knowing this, proceeded to levy the assessments in spite of the objections. To justify their action in this regard, an instance is given where a large tract along the road had been paid for at the rate of \$6 per foot front and the members deemed it no more than proper that land which was considered so valuable had certainly been benefited and could stand the assessment.

It goes without saying that the East End taxpayers were pleased with this disposition on the part of the board and if there is any protests or opposition to the acceptance of the report when council meets next Tuesday night it will come from property owners who are interested in land on Pennsylvania avenue west of the school building.

It is gratifying to a majority of the members of the council that the matter has been pushed to the point it has now reached. It is well known in certain quarters that attempts were made to delay the appointment of this equalizing board, and that the effort succeeded in a degree is evidenced by the fact that the report of the assessors was in and had been accepted months before this board had been started at its task. The report given to Clerk Davidson yesterday is as follows:

To the Honorable City Council of the City of East Liverpool.

Gentlemen—The undersigned, comprising the board of equalization for the Pennsylvania avenue improvement, submit the following report as their decision and that of said board. That said improvement above referred to extend from lot 1589 in the city of East Liverpool, O., to the East End public school building in said city, and the cost and expenses incurred by reason thereof embrace and include all the land in said city especially mentioned, and set forth in a certain resolution regularly passed by the city council of the city of East Liverpool, O., on the fourteenth day of December, Nineteen hundred, entitled, A resolution declaring it necessary to improve Pennsylvania avenue from lot 1589 to the East End public school building, which resolution is particularly referred to herein and made a part hereof as if fully rewritten.

That on the nineteenth day of November, 1902, each member was duly sworn to honestly and impartially discharge his duty as a member of said board and according to the law governing the same; and to hear and determine all objections to the assessment and equalize the same in accordance with the special benefit conferred on the respective properties included in the said resolution heretofore mentioned.

### BIRTHDAY PARTY

Miss Vada Strowe Delightfully Entertains a Party of Friends.

Miss Vada Strowe delightfully entertained a party of her friends at her pleasant home on Fourth street last evening, in honor of her eighteenth birthday. Music, both vocal and instrumental, crokinole, progressive pedro and dancing were the order of the evening. A dainty four-course luncheon was served and at a late hour the guests departed, all vowing Miss Strowe a most charming and entertaining hostess.

Those present were: Misses Ethel Ferguson, Ada Watkins, Agnes Ferguson, Mittle Strong, Agnes Niblock, Mary Haight, Wellsville; Agnes Gillespie; Messrs. Milton Tyndall, Roy L. McCoy, Orin Strowe, Melvorne Glass, Earl Strowe, Cliff Lawson, Wellsville, and Andy Daily, Toronto.

## DISEASED PORK MADE FAMILY ILL

SIX PERSONS BECAME SICK AFTER EVENING MEAL.

Mrs. Harry Roe, of Trentvale Street, Came Very Near Dying Last Night.

From the effects of eating poisoned pork the entire family of Harry Roe, of Trentvale street, were taken suddenly ill immediately after the evening meal last night and for a time the life of Mrs. Roe was despaired of.

The victims were Mr. and Mrs. Harry Roe and their four children, one aged 7, another and twins but 3 years old.

Immediately after the meal was finished the mother was the first to take sick and her condition was so alarming that a physician was quickly summoned and by the time he arrived the entire family had taken sick and the mother was in an unconscious condition. Dr. Brindley discovered that they were suffering from the effects of poison.

He administered an emetic to Mrs. Roe but it was several hours before she was out of danger.

The meat from which the family had eaten was analyzed and was found to contain poisonous matter which had probably resulted from the meat being diseased.

### THE CITY SOLICITORSHIP

M. J. McGarry Announces His Candidacy For the Office Under the New Code.

The first year of City Solicitor M. J. McGarry's term will expire next May, and though he was elected for two years last spring the operation of the new code will make it necessary for him to again place his name in nomination.

Mr. McGarry is one of the most prominent and best known attorneys in Columbiana county, and was, through his own efforts alone, attained the standing in his profession now occupied by him.

When Solicitor McGarry was elected last spring it was demonstrated he was a very popular man, as his vote was a handsome one. He is a young man who makes friends by the score and what is better has the knack of retaining them. He will be undoubtedly re-elected by an increased majority.

To the present there has been no indication that there will be any opposition to Mr. McGarry's candidacy, and his friends say there should be none, as he served but one year upon his first term.

### CHATAUQUA CIRCLE

Held a Most Interesting Meeting Last Evening at the Home of Mrs. Ellis.

One of the most interesting meetings ever held by the Chatauqua Circle was that of last evening at the home of Mrs. Ira Ellis on Thompson avenue. The meeting was opened by an interesting talk by Mrs. Ellis, who spoke for her subject "Browning." Mrs. Ellis was followed by Miss Agnes Jones, who talked on "Sir Robert Bly." A piano solo by Mrs. Romey and also by Miss Jones added to the pleasure of the evening. The attendance was very good, considering the severe cold.

The program for the next meeting January 23, was decided upon and also the place of meeting, which will be at the home of Miss Elizabeth Caton. The program will be as follows: Parliamentary drill, Mrs. McKelvey; "Carlist," Mrs. Romey; "Ruskin," Mrs. McKelvey; "A Trip Up the Volga," Mrs. S. G. Hard.

### BIRTHDAY PARTY

Miss Vada Strowe Delightfully Entertains a Party of Friends.

Miss Vada Strowe delightfully entertained a party of her friends at her pleasant home on Fourth street last evening, in honor of her eighteenth birthday. Music, both vocal and instrumental, crokinole, progressive pedro and dancing were the order of the evening. A dainty four-course luncheon was served and at a late hour the guests departed, all vowing Miss Strowe a most charming and entertaining hostess.

Those present were: Misses Ethel Ferguson, Ada Watkins, Agnes Ferguson, Mittle Strong, Agnes Niblock, Mary Haight, Wellsville; Agnes Gillespie; Messrs. Milton Tyndall, Roy L. McCoy, Orin Strowe, Melvorne Glass, Earl Strowe, Cliff Lawson, Wellsville, and Andy Daily, Toronto.

## YOUNG WOMAN'S WILD LEAP FROM A RUNAWAY SLEIGH RESULTS VERY SERIOUSLY

Panic Among Members of a Sleighing Party Cause of Broken Bones For a Young Lady.

Miss Mayme Bryer, an employee of the decorating department at the Volney pottery, lies at the home of Mrs. Curtis Welch, in Jackson square, where she boards, with her right leg broken in two places, the result of a sleighing accident which occurred on the Calcutta road at about 9 o'clock last evening. In the sleighing party were Miss Lizzie Mulhiney, her uncle, Abe Flynn, of Braddeek, Pa., William Morrison, of the same city and the injured girl. They had a double team from Harrison Rinehart's livery stable on Seventh street.

They went out the Calcutta road at a merry clip, Mr. Flynn doing the driving. About two miles from the city he turned the horses and started back to town when they became frightened and started to run. The road winds down the hill and the horses were soon beyond the control of the driver. The occupants of the sleigh became panic stricken and Miss Bryer, heedless of the entreaties of the driver to remain still, jumped from the sleigh which by this time was going at a terrific rate. The girl landed on her feet, but the momentum threw her violently to the ground. A short distance farther on the sleigh struck an obstruction in the road and the others were thrown out. Fortunately none of them were hurt beyond a few bruises. The horses continued their mad flight for perhaps half a mile before they were stopped. Miss Bryer was picked up in an almost insensible condition and brought to town in another vehicle.

Dr. Kirk was called and his examination showed that both bones of the right leg were broken just above the ankle. There were no other injuries beyond a few bruises.

## CAR LINE FROM HERE TO COLUMBUS

A Probability of the Near Future—Plans Matured For a Long Electric Road.

All that East Liverpool people will need to do to be able to ride from home to Columbus on trolley cars at an early date will be to secure an extension of the Wellsville line to Toronto. Before many months Steubenville will be connected with Columbus by a street railway line. This is the latest information from Columbus. To complete the long route there are two gaps to be closed. One is between Brilliant and Wheeling, and other between Zanesville and Newark. Both jobs will begin in the spring.

The contract for building the interurban road from Newark to Zanesville, which is to become a part of the Columbus, Buckeye Lake & Newark Traction company, has been signed, and as soon as the weather opens sufficiently for work to be done, it will commence.

The Arthur E. Appleyard company has the contract for building the road and the contract requires that it is to be turned over to the Tucker Anthony syndicate, controlling the Buckeye Lake line, ready for operation.

General Manager Harrigan, of the Buckeye Lake line, was in Columbus Thursday and stated that all the rights of way with but a few miles, between the points mentioned, have been secured. A corps of engineers is now stationed at Newark, and is working at intervals along the route, making necessary changes in the survey.

The completion of this extension and the transformation of the B. Z. & C. narrow gauge steam road, recently purchased by the Appleyards, into an electric line, will open direct electric railway communication between Columbus and the Ohio river at Wheeling. There it will connect with the Wheeling Traction company's lines which owns the Steubenville-Mingo & Ohio Valley Traction road and virtually connect Steubenville and Columbus, by a street car line.

### SEEKS INJUNCTION

The Village, Like Wellsville, Is Hot After a Local Traction Company.

Toronto is now going after the Steubenville Traction company rough shod. The village lost its recent suit to compel the company to change a curve to the grade of the street, but in order to compel the company to live up to its franchise, Solicitor Taylor, by direction of council, filed a suit for specific performance in the courts yesterday. It is claimed that the streets were torn up and not properly relaid, that the rails and the tracks are not properly laid and that the water settles between them and cannot be drained off. Until conditions are remedied the court is asked to enjoin the company from operating in the village.

### EARLY PRIMARIES

Seem to be Favored by Republican Candidates for County Offices.

Lisbon, January 10.—(Special.)—County Chairman John S. McNutt, has called a meeting of the Republican county committee, together with the aspiring candidates to be voted for at the spring nomination, to be held in the court house Saturday, January 17. At this meeting rules and regulations to govern the primaries will be adopted and the time for holding primaries. It seems to be the sentiment of the candidates heard from that the primaries should be held this year on either March 28 or April 18.

Spanish War Veterans Meet.

Major Weybrock, Camp No. 156, Spanish War Veterans, held a meeting last night in their armory in the city hall. Fifteen candidates were to have been initiated, but owing to the extreme cold weather some of the officers could not be present, and it was postponed until next Friday evening. Since the improvements recently made by the members the armory is very comfortable. The membership of the order is growing very rapidly, and it is the wish to include in it all the Spanish war veterans in this neighborhood.

Granted Pensions—A special from Washington says pensions have been granted as follows: Joel W. Hoyt, of East Liverpool, \$6 (war with Spain); minors of Fred Stark, East Liverpool, \$12; Samuel L. Lawrence, Salem, \$17. Hoyt served as a member of Company E, Eight Ohio volunteers. A number of those who served in this company are now drawing pensions of \$6.

It leads—the News Review.

# FLAMES SPREAD QUICKLY PUTTING LIVES IN PERIL

## Fire Which Started in Tice's Restaurant Guttured the Place and Damaged Adjacent Buildings.

### MRS. TICE RISKED LIFE TO SAVE HER CHILD

In the neighborhood of the corner of Washington and Fourth streets at 9:30 this morning were making to see fleeing forms issuing from the southwest corner of the two thoroughfares. Alarm was depicted on their countenances and they were making all possible haste. They were Edward Kelly, a plumber, who had been working in the building; Sanborn Tice, the proprietor of the restaurant; and Mrs. Tice bearing in her arms her one-year-old child. An instant later their flight was explained. Flames, leaping and dancing and fiery, filled the room with an angry roar. Never in the history of this city has such rapid progress of flames been known.

Kelly hastened to the establishment of his employer, T. E. Nagle, diagonally across the street, and telephoned a alarm to the central fire station. Mr. and Mrs. Tice sought refuge in the music store of Smith & Phillips, opposite. The flames had gutted the contents of the room and eaten through the frame walls to the outside before the alarm had reached the men.

A few minutes before the fire Mrs. Tice had been frying doughnuts in her kitchen and Kelly was at work on the water pipes in an adjoining room. The hot grease in the skillet became ignited and blazed to the ceiling, communicating the flames to the curtains, paper and other inflammable materials. There was a strong draft to the front of the building, and the flames were borne thither, leaving devastation in their wake. So rapid was their progress that Tice, who was in the lunch room, could not reach the door between the two rooms in time to close the slide. He had only time to secure what money was in the cash drawer and make his escape.

Mrs. Tice uttered several piercing screams when the blaze flared to the ceiling. He quickly seized the blazing sheet and threw it through a window to the yard, sustaining severe burns in his hands. His heroic action was about availed, as the contents of the room were already ablaze. Mrs. Tice, with only one child, who was sleeping in another room, and she hastened to it, through the smoke that was now blinding and suffocating. Providence little one as best she could.

# THE RAILROAD COMPANY FILES BOND

## Youngstown & Southern Binds Itself to Start Work Not Later Than July 1.

City Clerk Willis Davidson, today received the bond of the Youngstown & Southern Railway company, which was filed by the ordinance which was duly granted them by the city. The bond is for \$5,000, binding the company to begin on or before July 1. It reads: Know all men by these presents, that the Youngstown & Southern Railway company is held and firmly bound to the city of East Liverpool, O., in penal sum of five thousand dollars, which it promises to pay to the said successors and assigns.

"Signed, sealed and dated the 31st day of December, A. D. 1902.

"This bond is nevertheless upon the following conditions, to-wit: If said railroad shall begin the construction of its lines on or before July 1, 1903, then this bond shall be void, otherwise to be and remain in full force and virtue in law.

"THE YOUNGSTOWN & SOUTHERN RAILROAD COMPANY, By A. W. JONES, President.

"Attest: J. H. RUTHLAN, Secretary."

ried last June at Canton, Pa., and now a word leaked out about it till a few days ago. They continued to live as heretofore, happy in their own knowledge of the fact, but keeping it well concealed from the public.

At present they are now making arrangements to begin housekeeping and by this time the marriage became known. As both young people are well known in social circles of East Liverpool their marriage is a great surprise to their friends. They are now receiving the hearty congratulations of friends and neighbors. They will locate on McCaskey street, in the East End.

# WINDING UP THE TERM'S WORK

## COURT DISPOSES OF A NUMBER OF CASES.

Large Number of Actions Have Been Decided in the Past Few Weeks.

Lisbon, January 10.—(Special).—Charles E. Smith, treasurer, against the Grove company, of Salem, has been settled out of court.

In the case of C. P. Leonard, sheriff, against Christy A. and Catherine Rich, leave is given to amend answer by January 12.

The divorce petition of John R. Hawke, of Wellsville, against Narcissa Hawke, in which Judge Hole refused to grant a decree of divorce the other day has been dismissed at the plaintiff's costs.

In the case of John E. Carlisle against Thomas B. Carlisle, in which suit was brought to quiet title to real estate in Carter township, a decree for the plaintiff has been entered.

The term of court just closing has been remarkable in court annals in the volume of business disposed of, the court having passed upon 183 civil cases and 267 indictments.

The First National bank, of Leetonia, through its attorney, John B. Morgan, has filed three suits asking judgment on promissory notes. The court is asked to render judgment against J. E. Huston, in the sum of \$114, with interest of \$72 since January 1, 1901 and \$72 since April 1, 1901; against Peter and Sarah Joseph, and against L. C. Hoopes for the same amount with like interest.

### FOR CITY TREASURER

Joseph Betz is Considered a Strong Man in the Interesting Race.

In the column set apart for that purpose will be found today the announcement of Joseph Betz as a candidate for the position of city treasurer. There will doubtless be several other candidates in the race, but it can be asserted with certainty that Mr. Betz will be a very strong factor in the contest. He is one of a few citizens of East Liverpool who can be truthfully referred to as a self made man, and as this could only be attained through a strict adherence to the principles which make successful business men, the fact will go a long way toward adding to the list of friends who will support him at the Republican primary.

Mr. Betz has been an active Republican for many years. He has served as a member of the central committee—a thankless task, having for its only reward criticisms and condemnation—for the past six years. A part of that time he served the committee in the capacity of clerk, performing his work in a thorough and business-like manner. Indeed it is freely acknowledged by the leading Republicans that the many brilliant successes achieved by the party in the last few years can be attributed to his untiring efforts.

Those who support Joseph Betz for city treasurer will have the satisfaction of knowing that their vote will not be wasted, and that is more important than anything else that can be said is that he is a Republican, a business man and a good citizen—competent in every way to assume the duties and responsibilities of the position of city treasurer.

### PUT OFF FOR A YEAR

New Building of Potters' Savings Company Not to Be Started at Present.

The Potters' Building & Savings company will not erect its proposed new building during the present year. This was decided at the last meeting of the board of directors and will come as a surprise. It was decided to delay building because at this time just what kind of a building would best suit the needs could not be determined.

The tenants of the buildings recently purchased by the company will not be displaced. Work will likely commence on the new structure in the spring of 1904.

Judge Moore Very Ill.

Lisbon, January 10.—(Special).—Judge J. G. Moore, who has been suffering from dysentery for several days, was in a serious condition yesterday, being religious part of the day. He is reported better today.

Advertise in the News Review when you are prepared for a rush of business.

# THE EQUALIZERS VERY INDIGNANT

## Men Who Fixed Assessments on Pennsylvania Avenue Ask a Few Questions.

### BOARD'S REPORT COMPLETE

Though Amount Per Foot Front Varies on Several East End Streets, It Will Nowhere Exceed 50 Per Cent of Valuation.

It is asserted by those who are in a position to know that the report of the Pennsylvania avenue equalization board filed with City Clerk Davidson yesterday afternoon, is one of the most complete documents ever laid before the East Liverpool city council. Messrs. Grosshans, Olmhausen, and Calhoun, who compose the board, have been hard at work for the past two months, and the task has been a difficult one for several reasons. It was demonstrated at the beginning that the people of the East End would fight any attempt to assess the entire amount for the improvement upon the lots and lands east of the public school building, and after very carefully considering the matter the board determined to extend its operations to include that part of the land abutting on Pennsylvania avenue west of the East End school. This action was a signal for those owning the several tracts along the hillside to resist the move. It was held this territory was unimproved, and owing to its being so steep is practically valueless. The fact was brought out about this time that nearly all of this property was being developed, since clay mines, stone quarries and other enterprises were in full operation there. The board, knowing this, proceeded to levy the assessments in spite of the objections. To justify their action in this regard, an instance is given where a large tract along the road had been paid for at the rate of \$6 per foot front and the members deemed it no more than proper that land which was considered so valuable had certainly been benefited and could stand the assessment.

It goes without saying that the East End taxpayers were pleased with this disposition on the part of the board and if there is any protests or opposition to the acceptance of the report when council meets next Tuesday night it will come from property owners who are interested in land on Pennsylvania avenue west of the school building.

It is gratifying to a majority of the members of the council that the matter has been pushed to the point it has now reached. It is well known in certain quarters that attempts were made to delay the appointment of the equalizing board, and that the effort succeeded in a degree is evidenced by the fact that the report of the assessors was in and had been accepted months before this board had been started at its task. The report given to Clerk Davidson yesterday is as follows:

To the Honorable City Council of the City of East Liverpool.

Gentlemen:—The undersigned, comprising the board of equalization for the Pennsylvania avenue improvement, submit the following report as their decision and that of said board: That said improvement above referred to extend from lot 1589 in the city of East Liverpool, O., to the East End public school building in said city, and the cost and expenses incurred by reason thereof embrace and include all the land in said city especially mentioned, and set forth in a certain resolution regularly passed by the city council of the city of East Liverpool, O., on the fourteenth day of December, Nineteen hundred, entitled, A resolution declaring it necessary to improve Pennsylvania avenue from lot 1589 to the East End public school building, which resolution is particularly referred to herein and made a part hereof as if fully rewritten.

That on the nineteenth day of November, 1902, each member was duly sworn to honestly and impartially discharge his duty as a member of said board and according to the law governing the same; and to hear and determine all objections to the assessment and equalize the same in accordance with the special benefit conferred on the respective properties included in the said resolution heretofore mentioned.

### CHATAUQUA CIRCLE

Held a Most Interesting Meeting Last Evening at the Home of Mrs. Eells.

One of the most interesting meetings ever held by the Chatauqua Circle was that of last evening at the home Mrs. Ira Eells on Thompson avenue. The meeting was opened, by an interesting talk by Mrs. Eells, who spoke for her subject "Browning." Mrs. Eells was followed by Miss Agnes goes, who talked on "Sir Robert." A piano solo by Mrs. Romey and one also by Miss Jones added to the pleasure of the evening. The attendance was very good, considering the severe cold.

The program for the next meeting January 23, was decided upon and also the place of meeting, which will be at the home of Miss Elizabeth Caton. The program will be as follows: Parliamentary drill, Mrs. McKelvey; "Carlsle," Mrs. Romey; "Ruskin," Mrs. McKelvey; "A Trip Up the Volga," Mrs. S. G. Hard.

### BIRTHDAY PARTY

Miss Vada Strowe Delightfully Entertains a Party of Friends.

Miss Vada Strowe delightfully entertained a party of her friends at her pleasant home on Fourth street last evening, in honor of her eighteenth birthday. Music, both vocal and instrumental, crokinole, progressive pedro and dancing were the order of the evening. A dainty four-course luncheon was served and at a late hour the guests departed, all voting Miss Strowe a most charming and entertaining hostess.

Those present were: Misses Ethel Ferguson, Ada Watkins, Agnes Ferguson, Mittle Strong, Agnes Niblock, Mary Haight, Wellsville; Agnes Gillespie; Messrs. Milton Tyndall, Roy I. McCoy, Orin Strowe, Melverne Glass, Earl Strowe, Cliff Lawson, Wellsville, and Andy Duffy, Toronto.

# DISEASED PORK MADE FAMILY ILL

## SIX PERSONS BECAME SICK AFTER EVENING MEAL.

Mrs. Harry Roe, of Trentvale Street, Came Very Near Dying Last Night.

From the effects of eating poisoned pork the entire family of Harry Roe, of Trentvale street, were taken suddenly ill immediately after the evening meal last night and for a time the life of Mrs. Roe was despaired of.

The victims were Mr. and Mrs. Harry Roe and their four children, one aged 7, another 5 and twins but 3 years old.

To the present there has been no indication that there will be any opposition to Mr. McGarry's candidacy, and his friends say there should be none, as he served but one year upon his first term.

# YOUNG WOMAN'S WILD LEAP FROM A RUNAWAY SLEIGH RESULTS VERY SERIOUSLY

## Panic Among Members of a Sleighing Party Cause of Broken Bones For a Young Lady.

Miss Mayne Bryer, an employee of the decorating department at the Vallery pottery, lies at the home of Mrs. Curtis Welch, in Jackson square, where she boards, with her right leg broken in two places, the result of a sleighing accident which occurred on the Calcutta road at about 9 o'clock last evening. In the sleighing party were Miss Lizzie Mulmire, her uncle, Abe Flynn, of Braddeck, Pa., William Morrison, of the same city and the injured girl. They had a double team from Harrison Rinehart's livery stable on Seventh street.

They went out the Calcutta road at a merry clip, Mr. Flynn doing the driving. About two miles from the city he turned the horses and started back to town when they became frightened and started to run. The road winds down the hill and the horses were soon beyond the control of the driver. The occupants of the sleigh became panic stricken and Miss Bryer, heedless of the entreaties of the driver to remain still, jumped from the sleigh which by this time was going at a terrific rate. The girl landed on her feet, but the momentum threw her violently to the ground. A short distance farther on the sleigh struck an obstruction in the road and the others were thrown out. Fortunately none of them were hurt beyond a few bruises. The horses continued their mad flight for perhaps half a mile before they were stopped. Miss Bryer was picked up in an almost insensible condition and brought to town in another vehicle.

Dr. Kirk was called and his examination showed that both bones of the right leg were broken just above the ankle. There were no other injuries beyond a few bruises.

# CAR LINE FROM HERE TO COLUMBUS

## A Probability of the Near Future—Plans Matured For a Long Electric Road.

All that East Liverpool people will need to do to be able to ride from home to Columbus on trolley cars at an early date will be to secure an extension of the Wellsville line to Toronto. Before many months Steubenville will be connected with Columbus by a street railway line. This is the latest information from Columbus. To complete the long route there are two gaps to be closed. One is between Brilliant and Wheeling, and other between Zanesville and Newark. Both jobs will begin in the spring.

The contract for building the interurban road from Newark to Zanesville, which is to become a part of the Columbus, Buckeye Lake & Newark Traction company, has been signed and as soon as the weather opens sufficiently for work to be done, it will commence.

The Arthur E. Appleby company has the contract for building the road and the contract requires that it is to be turned over to the Tucker Anthony syndicate, controlling the Buckeye Lake line, ready for operation.

General Manager Harrigan, of the Buckeye Lake line, was in Columbus Thursday and stated that all the rights of way with but a few miles, between the points mentioned, have been secured. A corps of engineers is now stationed at Newark, and is working at intervals along the route, making necessary changes in the survey.

The completion of this extension and the transformation of the B. Z. & C. narrow gauge steam road, recently purchased by the Applebyards, into an electric line, will open direct electric railway communication between Columbus and the Ohio river at Wheeling. There it will connect with the Wheeling Traction company's lines which owns the Steubenville-Mingo & Ohio Valley Traction road and virtually connect Steubenville and Columbus, by a street car line.

### SEEKS INJUNCTION

The Village, Like Wellsville, Is Hot After a Local Traction Company.

Toronto is now going after the Steubenville Traction company rough shod. The village lost its recent suit to compel the company to change a curve to the grade of the street, but in order to compel the company to live up to its franchise, Solicitor Taylor, by direction of council, filed a suit for specific performance in the courts yesterday. It is claimed that the streets were torn up and not properly relaid; that the rails and the tracks are not properly laid and that the water settles between them and cannot be drained off. Until conditions are remedied the court is asked to enjoin the company from operating in the village.

### EARLY PRIMARIES

Seem to be Favored by Republican Candidates for County Offices.

Lisbon, January 10.—(Special).—County Chairman John S. McNutt, has called a meeting of the Republican county committee, together with the aspiring candidates to be voted for at the spring nomination, to be held in the court house Saturday, January 17. At this meeting rules and regulations to govern the primaries will be adopted and the time for holding primaries.

It seems to be the sentiment of the candidates heard from that the primaries should be held this year on either March 28 or April 18.

### Spanish War Veterans Meet.

Major Weybrocht Camp No. 156, Spanish War Veterans, held a meeting last night in their armory in the city hall. Fifteen candidates were to have been initiated, but owing to the extreme cold weather some of the officers could not be present, and it was postponed until next Friday evening. Since the improvements recently made by the members the armory is very comfortable. The membership of the order is growing very rapidly, and it is the wish to include in it all the Spanish war veterans in this neighborhood.

### Granted Pensions—A special

Washington says pensions have been granted as follows: Joel W. Hoyt, of East Liverpool, \$6, (war with Spain); minors of Fred. Stark, East Liverpool, \$12; Samuel L. Lawrence, Salem, \$17. Hoyt served as a member of Company E, Eight Ohio volunteers. A number of those who served in this company are now drawing pensions of \$6.

It leads—the News Review.

## WITH THE WORKMEN IN THE CLAY PLANTS

### INVENTED A BRICK GLAZE.

A company will shortly be incorporated in Trenton, headed by Aaron French, of 7 Breunling avenue, for the manufacture of glazed brick. Mr. French claims to have invented a glaze that will stand all kinds of weather, and which can be applied to the brick at a cost small enough to warrant their manufacture for exterior use. For many years men interested in the brick making business have been endeavoring to secure a glaze that will withstand the weather. Mr. French has given his preparation a thorough test and now he comes forward with the assertion that it will not craze, chip, scale or crack. If Mr. French's prophecy that the bricks can be made at a cost small enough to permit of their use in the fronts of buildings proves true it will likely prove a big factor in exterior decorations. Glazed bricks at present are only used for interior work, no preparation having yet been found to make them weather proof.

### CARROLLTON PROJECT.

The proprietors of the proposed Carrollton pottery—names not given—propose, according to the Carrollton papers, to build a five kiln plant, worth, when completed, \$125,000. They submit two propositions on which the citizens are to act: First—A bonus of \$30,000, a loan of \$30,000, a free site and switch. The loan is to be secured by a first mortgage on the plant and non-interest bearing for the period of two years, after which it will bear interest at the rate of six per cent. Second—A site and switch with a loan of \$60,000 to bear interest at the rate of six per cent after two years. The money to be paid as the work advances, and the entire amount not to be paid over until the plant is completed. The loan is to be secured as in the first proposition. They obligate themselves to pay back the sum borrowed some time within fifteen years.

### WAS A CLAY WORKER.

The body of William Mozena, foreman of the Eastern Ohio Sewer Pipe works, who died at the West Penn hospital from injuries received while at work at Ironville, was sent to his home in Uhrichsville. His relatives failed to reach his bedside before he died. Mozena was the son of Mr. and Mrs. Le Mozena, of Uhrichsville, and would have been twenty-nine years of age on February 7, next. He had been employed in the clay works of Uhrichsville for years as a skilled workman. He went to Ironville about two weeks ago to accept a position as foreman in the new plant there.

### SHORT OF CLAY.

There has been a shortage of Florida clay at the Burford, which prevented the plant starting when intended. Orders were made for this material long enough ago for it to have reached here from the Sandwich islands, but it seems impossible to either receive or make shipments in a reasonable time. Clay enough was borrowed from other firms to keep a portion of the men at work this week, which was done owing to the imperative demand for a number of the new Pearl shape dinner sets.

### POTTERY INCORPORATION.

Articles of incorporation have been filed at Trenton by the Morris & Will more company giving them the right to erect and establish a manufacturing plant for the building of engines, machinery and apparatus for the manufacture of all kinds and grades of pottery, porcelain and earthenware. The new company has purchased the Columbia Art pottery on Parker avenue, Wilbur, and has a capital stock of \$100,000, divided into 1,000 shares of \$100 each.

### NEW PACKING SHED.

The frame packing shed at the East End Pottery which was partly demolished a short time ago by a freight train crashing into it, is being replaced by a substantial brick structure which will be three stories high and extend east and west along the entire length of the plant's main structure. It is stated that three new kilns are to be added to the plant which will double its capacity.

### NOW WORKING FULL.

The decorating department at the Union began full today though some work has been done for the past week. There has been plenty of orders and the indications are that all departments will be working regularly for a considerable period.

### WILL MOVE HERE.

Hugh Nevil, who recently took charge of the sales department of one of the Southside plants will move

his family to this city in the near future. Mr. Nevil is regarded as one of the best posted men in the pottery business in the country and for years held a responsible position with the largest jobbing firm of American made ware. He will be cordially welcomed to the city.

### WILL HOLD A SMOKER.

Kilndrawers' local No. 17 will celebrate the third anniversary of its organization the night of January 17. It has been decided to hold a smoker after the regular meeting on this night. No formal program has been arranged for as yet, but those who will have charge of the meeting will see to it that all have a pleasant time.

### PRESSERS ON AGAIN.

All the pressing force is working again at the William Brunt and the plant is now running full in every department. Some of the pressers were laid off temporarily five or six weeks ago, owing to orders for pressed ware being a little slow. The men found work elsewhere during the dull period.

### A NICE SOUVENIR.

The Wheeling Pottery company has issued a novelty in the way of advertising in the shape of a vest pocket booklet or rather slatelet, as the pages are of slate, with pencil accompaniment convenient for making memoranda. It bears "Royal La Belle Blue" on the cover.

### A BIG ORDER.

The Ford China company, at Ford City, Pa., it is reported, has secured an order that will call for three cars in bulk each week of plates, cups, saucers and fruits. This with their regular business will keep the shop busy to its full capacity.

### AMONG THE POTTERS.

Mrs. Joseph Chambers has resumed her old position as transfer at the globe.

Mrs. Jennie Vogel has taken a situation in the biscuit warehouse at the Union.

Miss Stella Wasson, of the biscuit warehouse at the Union, resigned her position yesterday. Ben Conklin and Will Callahan have gone to Salineville to get the sagger shop of the Dresden plant there in shape to start Monday.

### HUCCING A CORPSE

A Slav Found Drunk in the Kitchen of a Dirty Hovel at Robeyville.

Steubenville, January 10.—Lying on the floor of a dirty kitchen, huddled by a dirty Slav, sleeping off a drunk, and crawled over by a housekeeper who had no more cleanliness in her looks, that the average foreigner, was the condition in which Coroner Campbell found the body of Peroto Spantock at Robeyville, in the lower end of the county, Thursday afternoon. For hours the lifeless body lay in the kitchen, with men about, who were in the same condition as Spantock before he met his death, yet they seemed to care little, and with oaths and curses, Rossie Peroto told the coroner that his friend was not dead but simply sleeping.

Spantock's death was due to freezing. He came to the county three weeks ago. Had he gone three steps farther before he dropped to the ground he would have been in Harrison county and there would have been no job for Coroner Campbell. He was found on the road frozen stiff, after a Hungarian spree, and carried to his friend's home.

### Deafness Cannot Be Cured

by local apothecaries as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When that is inflamed you have a running or a stuffed ear, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; none can be cured except by Catarrh, which is nothing but an inflamed condition of the mucous services.

We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

J. J. CHENEY & CO., Toledo, O.

Sold by Druggists.

Hall's Family Pills are the best.

### Ministers Sued For Damages.

Wooster, January 10.—Thomas Jamison, of Wooster, has instituted suit against two ministers for \$5,000 damages for alleged slander. Rev. Chester Ralston, president of the Ohio Baptist Young People's union, and in charge of the church at Warren, and Rev. J. M. Lockhart, of Wooster Baptist church are the defendants. Jamison declared that they assailed his character

## REALM OF SPORTS

### REFORMS IN RACING

W. E. McHenry Thinks the Three Out of Five Heat System Should Be Dropped.

M. E. McHenry, one of the best known harness horse drivers in the country and who campaigned the sensational Dan Patch last season, believes that a number of reforms should be made in harness racing.

While at Kansas City superintending the shipment of the great pacer to his new home at Minneapolis McHenry said to an interviewer:

One of the first things that should be done is to change the three out of five heat system to a dash system. Why on earth they have not done this before is beyond my comprehension. Such a change would be beneficial to the horses and the drivers, and would, I am sure, add interest to harness racing. The heat system has been used ever since harness racing began. With the dash system six or seven races could be trotted and paced every afternoon of a meeting, while under the present system four races are a great sufficiency.

"And then think how much easier it would be on the horses. With the dash system in effect more records would be broken. Quite an agitation has been started toward abolishing the three out of five heat system and in a year or so it may result in something. I think that in a great many of the meetings next year two out of three heats will be raced, instead of three out of five, and even that will be a step in advance."

When asked if he thought Dan Patch would succeed in lowering his own mark next season McHenry said: "I am certain that Patch will go below 1:59 1/4 next year, for he paced a fifth of a second below that mark last season."

It is not generally known that McHenry shared in the money earned by Patch last season. Altogether the horse cleared something like \$50,000 during the season, counting the immense profit made on his sale. Mr. Sturges bought the horse for \$20,000 and sold him for \$60,000. In purses and exhibition fees Patch earned \$10,000. According to the contract made with Mr. Sturges McHenry received one-half of the net profit of the sale of the horse and the winnings. Mr. McHenry considers it a very good season's work.

### McLeod Still Champion.

In the presence of a crowd of over 3,000 persons, Dan McLeod, succeeded in defeating Tom McInerney, of Ireland, at the Gray's armory in Cleveland, thus retaining the championship of America which he won when he defeated Tom Jenkins. McLeod was the aggressor all the way, and although McInerney won the first fall, it was more by good luck than anything else. The time of the first fall was 16 minutes, McLeod taking the next two in 20 and 17 minutes.

### Bought a Fast Horse

Joan, 2:14 1/4, one of the famous Joe Patchen colts, was sold at Johnston, Pa., by Henry Y. Hawes to Thomas Moffet, of this city, for a fancy price. Joan has a record of winning many races in her class. Her notable achievement was in Wheeling, W. Va., two years ago, when she won a race in the ninth heat. Mr. Moffet has been caring for Harrison S. Rinehart's Richmond. He is now at Johnston and is expected home in a few days.

### Automobile Feats.

A. C. Banker, a Chicagoan, lately astounded Canadians by dextrous feats in the management of an automobile. With a six horse power machine he backed off a step and touched an egg without breaking the shell, recovering himself with the utmost ease after marking the egg with the tire.

### SPORTING MISCELLANY.

Parson Davies may become a vaudeville monologist. Harry Morris, according to word from Indianapolis, has made the sporting man and manager of pugilists an offer of \$500 a week to join his company playing "A Night on Broadway."

At a meeting of the Athletic association of Mt. Union college James D. Hobson, of Flushing, was elected manager of the foot ball team for 1903. Mr. Hobson is a member of the sophomore class and has been prominent in college athletics.

New Yorkers are to have the chance to see Jack Munroe, the big miner of Butte, Mont., who won fame in a single night by standing off James Jeffries. Munroe will appear at \$1,000 a week in "The Road to Ruin" company.

Henry Strong, the well known Warren horseman, died from the effects of an operation from cancer, a few days ago. Mr. Strong was connected with the Oak Grove Driving club, of Warren, and was an enthusiastic road driver.

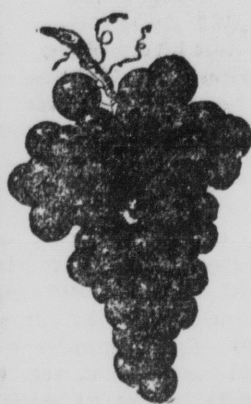

# Constipation

## Ruined Dr. Dill's Health.

It will treat you the same way. You can not be constipated and remain strong and well. Indigestion and dyspepsia are its symptoms. If you belch you have constipation. Dr. Dill first got constipation, then he lost his appetite, he became weak and sick, his kidneys went back on him and he had to give up his practice.

## Mull's Grape Tonic Cured Him

just as it will cure you. Constipation is the rotting of undigested food in the stomach. A physic won't cure. It makes it worse. Pills, Castor-oil, Salts and other such treatments are no good in a case like this. Dr. Dill tried them all. Mull's Grape Tonic will not physic a well man. Its action on a constipated person is quick and permanent.

For a large sample bottle send 10 cents to cover postage to Lightning Medicine Co., Rock Island, Ill. All druggists sell Mull's Grape Tonic. 50 cents a bottle.

### A St. Louis Doctor Tells How He Was Cured.

Gentlemen:—I beg to thank you for calling my attention to Mull's Grape Tonic, some time ago. My profession requires close application and confinement to the office, and after several years of this indoor, sedentary life, my health completely broke down; my stomach was bad, my liver out of sorts and I felt tired and worn-out all the time. When you first showed me Mull's Grape Tonic I was skeptical, but took your word for it, and now after taking several bottles, feel as well as I ever did in my life. It is a splendid medicine for the stomach and bowels, and the best general tonic I ever saw. I thank you again for calling my attention to Mull's Grape Tonic. Yours very respectfully,

DR. E. A. DILL.

This is not the only doctor who recommends this great cure. Mull's Grape Tonic is pleasant to take. It will cleanse the entire system of all disease. It will make strong muscles and solid flesh because it makes pure rich blood. If it fails, you can have your money back. The grape is the greatest flesh-builder known. Mull's Grape Tonic is in no way like cathartics and pills. Most people who are run down are sufferers from constipation. Cod-liver oil won't help them because it increases the constipation habit. Mull's Grape Tonic will positively cure.

FOR SALE IN EAST LIVERPOOL AT HODSON'S DRUG STORE.

### HELD UP BY HIGHWAYMEN

Toronto Men Knocked Down And Robbed Under a Bridge Near Empire.

Toronto, January 10.—Jacob Tice, of Toronto, was held up at Elliotville, one mile north of Toronto, by three highwaymen. Tice has secured work with T. I. Steiner's railroad gang at Empire and was walking en route to Empire. While passing under the overhead railroad bridge at 'Squire Hall's' he met three unknown men who spoke and the salutation was returned instantly but two of the men pointed revolvers at Tice, while the third man knocked him down injuring Tice severely about the shoulder.

They took a bundle of clothing from him which he was carrying and secured \$1.50, all the money Tice had. Tice is unable to be at work today. Although he is not seriously hurt his injuries are very painful.

### Pleading for Capt. Welch.

The friends of William Welch, of Cadiz, formerly captain in the Twenty-fifth United States infantry, are importing Senators Hanna and Foraker to use their efforts to have Mr. Welch placed on the retired list of the army with the rank of colonel. Capt. Welch served with distinction in the army up to 1871, when he was dropped from the service along with over 2,000 other officers, there being no need for so many officers in the army at that time.

Mrs. Austin's Buckwheat has a world-wide reputation on account of its purity and general Buckwheat flavor. Don't forget the name.

### TO CURE A COLD IN ONE DAY.

Take Laxative Bromo-Quinine Tablets. This signature on every box, 25c.

For the real good old buckwheat flavor, buy Mrs. Austin's Buckwheat, and don't forget the name.

### Are You Going West?

Beginning February 15, and continuing every day thereafter until April 30, there will be a special rate to all points in Washington, Oregon, Idaho, Montana and British Columbia. For maps, rates, routes and other information write at once to W. H. Allen, District Passenger Agent, Wisconsin Central Railway, 621 Park Building, Pittsburg, Pa. d-wtf

### Very Low Colonists' Rates to the West And Southwest.

The Missouri Pacific Railway and Iron Mountain Route will sell one way colonists' tickets to points in Kansas, Colorado, Nebraska, Missouri, Arkansas, Indian and Oklahoma Territories, Louisiana, Texas, and New Mexico, on the first and third Tuesdays of each month from November 4th to April 21st, at on-half fare the standard first-class fare, plus \$2. For further information write Jno. R. James, Central Passenger Agent, 305 Park Bldg., Pittsburg, Pa. 251-604-4

### NEW ENGLAND WATCHES

Our enameled Ladies' watches will match any gown—Our Belt Watches are artistic and new—Gold and silver cased diminutive watches, as well as the larger styles, are illustrated in our booklets which are sent on application—They also state the price at which they can be purchased from any Leading Jeweler. Every watch guaranteed.

The New England Watch Co., Manufacturers, 37 and 39 Maiden Lane, N. Y. 101 to 107, Wabash Ave. Chicago, Sprinkles Bldg., San Francisco

### SEND US A COW,

Steer, Bull or Horse hide, Cat skin, Dog skin, or any other kind of hide or skin, and let us tan it with the hair on, soft, light, odorless and moth-proof, for robe, rug, coat or gloves.

But first get our Catalogue, giving prices, and our shipping agents and instructions, so as to avoid mistakes. We also buy raw furs.

THE CROSBY FRISIAN FUR COMPANY 116 Mill Street, Rochester, N. Y.

ALL PEOPLE ought to know that McFadden keeps the best whiskey in town. Twenty different brands to select from. All pure rye. Call at corner of Walnut and Railroad streets and you will come back.

The home news complete in the News Review.

### Makes It Bright.

You want a light to make it bright? Then why not have the light that makes it brightest—the electric light. It Costs Less. Is Less Trouble. Gives Best Light. It's an improvement over all other lights, which is why it is so popular. You'll like it, too.

## WITH THE WORKMEN IN THE CLAY PLANTS

### INVENTED A BRICK GLAZE.

A company will shortly be incorporated in Trenton, headed by Aaron French, of 7 Breunling avenue, for the manufacture of glazed brick. Mr. French claims to have invented a glaze that will stand all kinds of weather, and which can be applied to the brick at a cost small enough to warrant their manufacture for exterior use. For many years men interested in the brick making business have been endeavoring to secure a glaze that will withstand the weather. Mr. French has given his preparation a thorough test and now he comes forward with the assertion that it will not craze, chip, scale or crack. If Mr. French's prophecy that the bricks can be made at a cost small enough to permit of their use in the fronts of buildings proves true it will likely prove a big factor in exterior decorations. Glazed bricks at present are only used for interior work, no preparation having yet been found to make them weather proof.

### CARROLLTON PROJECT.

The proprietors of the proposed Carrollton pottery—names not given—propose, according to the Carrollton papers, to build a five kiln plant, worth, when completed, \$125,000. They submit two propositions on which the citizens are to act: First—A bonus of \$30,000, a loan of \$30,000, a free site and switch. The loan is to be secured by a first mortgage on the plant and non-interest bearing for the period of two years, after which it will bear interest at the rate of six per cent. Second—A site and switch with a loan of \$60,000 to bear interest at the rate of six per cent after two years. The money to be paid as the work advances, and the entire amount not to be paid until the plant is completed. The loan is to be secured as in the first proposition. They obligate themselves to pay back the sum borrowed some time within fifteen years.

### WAS A CLAY WORKER.

The body of William Mozena, foreman of the Eastern Ohio Sewer Pipe works, who died at the West Penn hospital from injuries received while at work at Ironville, was sent to his home in Uhrichsville. His relatives failed to reach his bedside before he died. Mozena was the son of Mr. and Mrs. Le Mozena, of Uhrichsville, and would have been twenty-nine years of age on February 7, next. He had been employed in the clay works of Uhrichsville for years as a skilled workman. He went to Ironville about two weeks ago to accept a position as foreman in the new plant there.

### SHORT OF CLAY.

There has been a shortage of Florida clay at the Burford, which prevented the plant starting when intended. Orders were made for this material long enough ago for it to have reached here from the Sandwich islands, but it seems impossible to either receive or make shipments in a reasonable time. Clay enough was borrowed from other firms to keep a portion of the men at work this week, which was done owing to the imperative demand for a number of the new Pearl shape dinner sets.

### POTTERY INCORPORATION.

Articles of incorporation have been filed at Trenton by the Morris & Willmore company giving them the right to erect and establish a manufacturing plant for the building of engines, machinery and apparatus for the manufacture of all kinds and grades of pottery, porcelain and earthenware. The new company has purchased the Columbia Art pottery on Parker avenue, Wilbur, and has a capital stock of \$100,000, divided into 1,000 shares of \$100 each.

### NEW PACKING SHED.

The frame packing shed at the East End Pottery which was partly demolished a short time ago by a freight train crashing into it, is being replaced by a substantial brick structure, which will be three stories high and extend east and west along the entire length of the plant's main structure. It is stated that three new kilns are to be added to the plant which will double its capacity.

### NOW WORKING FULL.

The decorating department at the Union began full today though some work has been done for the past week. There has been plenty of orders and the indications are that all departments will be working regularly for a considerable period.

### WILL MOVE HERE.

Hugh Nevil, who recently took charge of the sales department of one of the Southside plants will move that they assailed his character.

his family to this city in the near future. Mr. Nevil is regarded as one of the best posted men in the pottery business in the country and for years held a responsible position with the largest jobbing firm of American made ware. He will be cordially welcomed to the city.

### WILL HOLD A SMOKER.

Kindrews' local No. 17 will celebrate the third anniversary of its organization the night of January 17. It has been decided to hold a smoker after the regular meeting on this night. No formal program has been arranged for as yet, but those who will have charge of the meeting will see to it that all have a pleasant time.

### PRESSERS ON AGAIN.

All the pressing force is working again at the William Brunt and the plant is now running full in every department. Some of the pressers were laid off temporarily five or six weeks ago, owing to orders for pressed ware being a little slow. The men found work elsewhere during the dull period.

### A NICE SOUVENIR.

The Wheeling Pottery company has issued a novelty in the way of advertising in the shape of a vest pocket booklet or rather slatelet, as the pages are of slate, with pencil accompaniment convenient for making memoranda. It bears "Royal La Belle Blue" on the cover.

### A BIG ORDER.

The Ford China company, at Ford City, Pa., it is reported, has secured an order that will call for three cars in bulk each week of plates, cups, saucers and fruits. This with their regular business will keep the shop busy to its full capacity.

### AMONG THE POTTERS.

Mrs. Joseph Chambers has resumed her old position as transferer at the Globe.

Mrs. Jennie Vogel has taken a situation in the biscuit warehouse at the Union.

Miss Stella Wasson, of the biscuit warehouse at the Union, resigned her position yesterday. Ben Conklin and Will Callahan have gone to Salineville to get the sagger shop of the Dresden plant there in shape to start Monday.

### HUCCING A CORPSE

A Slav Found Drunk in the Kitchen of a Dirty Hovel at Robeyville.

Steubenville, January 10.—Lying on the floor of a dirty kitchen, huddled by a dirty Slav, sleeping off a drunk, and crawled over by a housekeeper who had no more cleanliness in her looks, that the average foreigner, was the condition in which Coroner Campbell found the body of Peroto Spantock at Robeyville, in the lower end of the county, Thursday afternoon. For hours the lifeless body lay in the kitchen, with men about, who were in the same condition as Spantock before he met his death, yet they seemed to care little, and with oaths and curses, Rossie Peroto told the coroner that his friend was not dead but simply sleeping.

Spantock's death was due to freezing. He came to the county three weeks ago. Had he gone three steps farther before he dropped to the ground he would have been in Harrison county and there would have been no job for Coroner Campbell. He was found on the road frozen stiff, after a Hungarian spree, and carried to his friend's home.

### Deafness Cannot Be Cured

by local applicants as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this is inflamed, you have a rumbling sound or impaired hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; and cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

J. J. CHENEY & CO., Toledo, O. Sold by Druggists. The Hall's Family Pills are the best.

### Ministers Sued For Damages.

Wooster, January 10.—Thomas Jamison, of Wooster, has instituted suit against two ministers for \$5,000 damages for alleged slander. Rev. Chester Ralston, president of the Ohio Baptist Young People's union, and in charge of the church at Warren, and Rev. J. M. Lockhart, of Wooster Baptist church, are the defendants. Jamison declared that they assailed his character.

## REALM OF SPORTS

### REFORMS IN RACING

W. E. McHenry Thinks the Three Out of Five Heat System Should Be Dropped.

M. E. McHenry, one of the best known harness horse drivers in the country and who campaigned the sensational Dan Patch last season, believes that a number of reforms should be made in harness racing.

While at Kansas City superintending the shipment of the great pacer to his new home at Minneapolis McHenry said to an interviewer:

"One of the first things that should be done is to change the three out of five heat system to a dash system. Why on earth they have not done this before is beyond my comprehension. Such a change would be beneficial to the horses and the drivers, and would, I am sure, add interest to harness racing. The heat system has been used ever since harness racing began. With the dash system six or seven races could be trotted and paced every afternoon of a meeting, while under the present system four races are a great sufficiency."

"And then think how much easier it would be on the horses. With the dash system in effect more records would be broken. Quite an agitation has been started toward abolishing the three out of five heat system and in a year or so it may result in something. I think that in a great many of the meetings next year two out of three heats will be raced. Instead of three out of five, and even that will be a step in advance."

When asked if he thought Dan Patch would succeed in lowering his own mark next season McHenry said: "I am certain that Patch will go below 1:59 1/4 next year, for he paced a fifth of a second below that mark last season."

It is not generally known that McHenry shared in the money earned by Patch last season. Altogether the horse cleared something like \$50,000 during the season, counting the immense profit made on his sale. Mr. Sturges bought the horse for \$20,000 and sold him for \$60,000. In purses and exhibition fees Patch earned \$10,000. According to the contract made with Mr. Sturges McHenry received one-half of the net profit of the sale of the horse and the winnings. Mr. McHenry considers it a very good season's work.

### McLeod Still Champion.

In the presence of a crowd of over 3,000 persons, Dan McLeod, succeeded in defeating Tom McInerney, of Ireland, at the Gray's armory in Cleveland, thus retaining the championship of America which he won when he defeated Tom Jenkins. McLeod was the aggressor all the way, and although McInerney won the first fall, it was more by good luck than anything else. The time of the first fall was 16 minutes, McLeod taking the next two in 20 and 17 minutes.

### Bought a Fast Horse.

Joan, 2:14 1/4, one of the famous Joe Patchen colts, was sold at Johnstown, Pa., by Henry Y. Hawes to Thomas Moffet, of this city, for a fancy price. Joan has a record of winning many races in her class. Her notable achievement was in Wheeling, W. Va., two years ago, when she won a race in the ninth heat. Mr. Moffet has been caring for Harrison S. Rinehart's Richmond. He is now at Johnstown and is expected home in a few days.

### Automobile Feats.

A. C. Banker, a Chicagoan, lately astounded Canadians by dextrous feats in the management of an automobile. With a six horse power machine he backed off a step and touched an egg without breaking the shell, recovering himself with the utmost ease after marking the egg with the tire.

### SPORTING MISCELLANY.

Parson Davies may become a vaudeville monologist. Harry Morris, according to word from Indianapolis, has made the sporting man and manager of pugilists an offer of \$500 a week to join his company playing "A Night on Broadway."

At a meeting of the Athletic association of Mt. Union college James D. Hobson, of Flushing, was elected manager of the foot ball team for 1903. Mr. Hobson is a member of the sophomore class and has been prominent in college athletics.

New Yorkers are to have the chance to see Jack Munroe, the big miner of Butte, Mont., who won fame in a single night by standing off James Jeffries. Munroe will appear at \$1,000 per week in "The Road to Ruin" company.

Henry Strong, the well known Warren horseman, died from the effects of an operation from cancer, a few days ago. Mr. Strong was connected with the Oak Grove Driving club, of Warren, and was an enthusiastic road driver.

# Constipation

## Ruined Dr. Dill's Health.

It will treat you the same way. You can not be constipated and remain strong and well. Indigestion and dyspepsia are its symptoms. If you belch you have constipation. Dr. Dill first got constipation, then he lost his appetite, he became weak and sick, his kidneys went back on him and he had to give up his practice.

## Mull's Grape Tonic Cured Him

just as it will cure you. Constipation is the rotting of undigested food in the stomach. A physic won't cure. It makes it worse. Pills, Castor-oil, Salts and other such treatments are no good in a case like this. Dr. Dill tried them all. Mull's Grape Tonic will not physic a well man. Its action on a constipated person is quick and permanent.

### A St. Louis Doctor Tells How He Was Cured.

For maps, rates, routes and other information write at once to W. H. Allen, District Passenger Agent, Wisconsin Central Railway, 621 Park Building, Pittsburg, Pa. d-w-t

### Very Low Colonists' Rates to the West

The Missouri Pacific Railway and Iron Mountain Route will sell one way colonists' tickets to points in Kansas, Colorado, Nebraska, Missouri, Arkansas, Indian and Oklahoma Territories, Louisiana, Texas, and New Mexico, on the first and third Tuesdays of each month from November 4th to April 31st, at on-half fare the standard first-class fare, plus \$2. For further information write Jno. R. James, Central Passenger Agent, 905 Park Bldg., St. Louis, Mo. 251-004-1

### HELD UP BY HIGHWAYMEN

Toronto Men Knocked Down And Robbed Under a Bridge Near Empire.

Toronto, January 10.—Jacob Tice, of Toronto, was held up at Elliottville, one mile north of Toronto, by three highwaymen. Tice has secured work with T. J. Stenger's railroad gang at Empire and was walking en route to Empire. While passing under the overhead railroad bridge at "Squire Ball's" he met three unknown men who spoke and the salutation was returned instantly but two of the men pointed revolvers at Tice, while the third man knocked him down injuring Tice severely about the shoulder.

They took a bundle of clothing from him which he was carrying and secured \$1.50, all the money Tice had. Tice is unable to be at work today. Although he is not seriously hurt his injuries are very painful.

### Pleading for Capt. Welch.

The friends of William Welch, of Cadiz, formerly captain in the Twenty-fifth United States Infantry, are importuning Senators Hanna and Foraker to use their efforts to have Mr. Welch placed on the retired list of the army with the rank of colonel. Capt. Welch served with distinction in the army up to 1871, when he was dropped from the service along with over 2,000 other officers, there being no need for so many officers in the army at that time.

Mrs. Austin's Buckwheat has a worldwide reputation on account of its purity and general buckwheat flavor. Don't forget the name.

### NEW ENGLAND WATCHES

Our enameled Ladies' watches will match any gown—Our Belt Watches are artistic and new—Gold and silver cased diminutive watches, as well as the larger styles, are illustrated in our booklets which are sent on application—They also state the price at which they can be purchased from any Leading Jeweler. Every watch guaranteed.

The New England Watch Co., Manufacturers, 37 and 39 Maiden Lane, N. Y. 101 to 107 Walnut Ave. Chicago, Spreebles Bldg., San Francisco

### SEND US A COW,

Steer, Bull or Horse hide, Cat skin, Dog skin, or any other kind of hide or skin, and let us tan it with the hair on, soft, light, colorless and moth-proof for robe, rug, coat or gloves.

But first get our Catalogue, giving prices, and our shipping tags and instructions, so as to avoid mistakes. We also buy raw furs.

## WITH THE WORKMEN IN THE CLAY PLANTS

### INVENTED A BRICK GLAZE.

A company will shortly be incorporated in Trenton, headed by Aaron French, of 7 Breunling avenue, for the manufacture of glazed brick. Mr. French claims to have invented a glaze that will stand all kinds of weather, and which can be applied to the brick at a cost small enough to warrant their manufacture for exterior use. For many years men interested in the brick making business have been endeavoring to secure a glaze that will withstand the weather. Mr. French has given his preparation a thorough test and now he comes forward with the assertion that it will not craze, chip, scale or crack. If Mr. French's prophecy that the bricks can be made at a cost small enough to permit of their use in the fronts of buildings proves true it will likely prove a big factor in exterior decorations. Glazed bricks at present are only used for interior work, no preparation having yet been found to make them weather proof.

### CARROLLTON PROJECT.

The proprietors of the proposed Carrollton pottery—names not given—propose, according to the Carrollton papers, to build a five kiln plant, worth, when completed, \$125,000. They submit two propositions on which the citizens are to act: First—A bonus of \$30,000, a loan of \$30,000, a free site and switch. The loan is to be secured by a first mortgage on the plant and non-interest bearing for the period of two years, after which it will bear interest at the rate of six per cent. Second—A site and switch with a loan of \$60,000 to bear interest at the rate of six per cent after two years. The money to be paid as the work advances, and the entire amount not to be paid over until the plant is completed. The loan is to be secured as in the first proposition. They obligate themselves to pay back the sum borrowed some time within fifteen years.

### WAS A CLAY WORKER.

The body of William Mozena, foreman of the Eastern Ohio Sewer Pipe works, who died at the West Penn hospital from injuries received while at work at Irondale, was sent to his home in Uhrichsville. His relatives failed to reach his bedside before he died. Mozena, of the son of Mr. and Mrs. Le Mozena, of Uhrichsville, and would have been twenty-nine years of age on February 7, next. He had been employed in the clay works of Uhrichsville for years as a skilled workman. He went to Irondale about two weeks ago to accept a position as foreman in the new plant there.

### SHORT OF CLAY.

There has been a shortage of Florida clay at the Burford, which prevented the plant starting when intended. Orders were made for this material long enough ago for it to have reached here from the Sandwich Islands, but it seems impossible to either receive or make shipments in a reasonable time. Clay enough was borrowed from other firms to keep a portion of the men at work this week, which was done owing to the imperative demand for a number of the new Pearl shape dinner sets.

### POTTERY INCORPORATION.

Articles of incorporation have been filed at Trenton by the Morris & Willmore company giving them the right to erect and establish a manufacturing plant for the building of engines, machinery and apparatus for the manufacture of all kinds and grades of pottery, porcelain and earthenware. The new company has purchased the Columbia Art pottery on Parker avenue, Wilbur, and has a capital stock of \$100,000, divided into 1,000 shares of \$100 each.

### NEW PACKING SHED.

The frame packing shed at the East End Pottery which was partly demolished a short time ago by a freight train crashing into it is being replaced by a substantial brick structure, which will be three stories high and extend east and west along the entire length of the plant's main structure. It is stated that three new kilns are to be added to the plant which will double its capacity.

### NOW WORKING FULL.

The decorating department at the Union began full today though some work has been done for the past week. There has been plenty of orders and the indications are that all departments will be working regularly for a considerable period.

### WILL MOVE HERE.

Hugh Nevill, who recently took charge of the sales department of one of the Southside plants will move

his family to this city in the near future. Mr. Nevill is regarded as one of the best posted men in the pottery business in the country and for years held a responsible position with the largest jobbing firm of American made ware. He will be cordially welcomed to the city.

### WILL HOLD A SMOKER.

Klindawers' local No. 17 will celebrate the third anniversary of its organization the night of January 17. It has been decided to hold a smoker after the regular meeting on this night. No formal program has been arranged for as yet, but those who will have charge of the meeting will see to it that all have a pleasant time.

### PRESSES ON AGAIN.

All the pressing force is working again at the William Brunt and the plant is now running full in every department. Some of the presses were laid off temporarily five or six weeks ago, owing to orders for pressed ware being a little slow. The men found work elsewhere during the dull period.

### A NICE SOUVENIR.

The Wheeling Pottery company has issued a novelty in the way of advertising in the shape of a vest pocket booklet or rather slatelet, as the pages are of slate, with pencil accompaniment convenient for making memoranda. It bears "Royal La Belle Blue" on the cover.

### A BIG ORDER.

The Ford China company, at Ford City, Pa., it is reported, has secured an order that will call for three cars in bulk each week of plates, cups, saucers and fruit. This with their regular business will keep the shop busy to its full capacity.

### AMONG THE POTTERS.

Mrs. Joseph Chambers has resumed her old position as transfer at the Globe.

Mrs. Jennie Vogel has taken a situation in the biscuit warehouse at the Union.

Miss Stella Wasson, of the biscuit warehouse at the Union, resigned her position yesterday. Ben Conklin and Will Callahan have gone to Sallenville to get the sagger shop of the Dresden plant there in shape to start Monday.

### HUGGING A CORPSE

A Slav Found Drunk in the Kitchen of a Dirty Hovel at Robeyville.

Steubenville, January 10.—Lying on the floor of a dirty kitchen, huddled by a dirty Slav, sleeping off a drunk, and crawled over by a housekeeper who had no more cleanliness in her looks, that the average foreigner, was the condition in which Coroner Campbell found the body of Pereto Spantock at Robeyville, in the lower end of the county, Thursday afternoon. For hours the lifeless body lay in the kitchen, with men about, who were in the same condition as Spantock before he met his death, yet they seemed to care little, and with oaths and curses, Roscoe Pereto told the coroner that his friend was not dead but simply sleeping.

Spantock's death was due to freezing. He came to the county three weeks ago. Had he gone three steps farther before he dropped to the ground he would have been in Harrison county and there would have been no job for Coroner Campbell. He was found on the road frozen stiff, after a Hungarian spree, and carried to his friend's home.

### Deafness Cannot Be Cured

by local apothecaries as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it becomes swollen, and the sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. It is not a cure, it is a cure.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

J. J. CHENEY & CO., Toledo, O.

Sold by Druggists. 75c.

Hall's Family Pills are the best.

Ministers Sued For Damages.

Wooster, January 10.—Thomas Jamison, of Wooster, has instituted suit against two ministers for \$5,000 damages for alleged slander. Rev. Chester Ralston, president of the Ohio Baptist Young People's union, and in charge of the church at Warren, and Rev. J. M. Lockhart, of Wooster Baptist church are the defendants. Jamison declared that they assailed his character.

## REALM OF SPORTS

### REFORMS IN RACING

W. E. McHenry Thinks the Three Out of Five Heat System Should Be Dropped.

M. E. McHenry, one of the best known harness horse drivers in the country and who campaigned the sensational Dan Patch last season, believes that a number of reforms should be made in harness racing.

While at Kansas City superintending the shipment of the great pacer to his new home at Minneapolis McHenry said to an interviewer:

One of the first things that should be done is to change the three out of five heat system to a dash system. Why on earth they have not done this before is beyond my comprehension. Such a change would be beneficial to the horses and the drivers, and would, I am sure, add interest to harness racing. The heat system has been used ever since harness racing began. With the dash system six or seven races could be trotted and paced every afternoon of a meeting, while under the present system four races are a great sufficiency.

"And then think how much easier it would be on the horses. With the dash system in effect more records would be broken. Quite an agitation has been started toward abolishing the three out of five heat system and in a year or so it may result in something. I think that in a great many of the meetings next year two out of three heats will be raced, instead of three out of five, and even that will be a step in advance."

When asked if he thought Dan Patch would succeed in lowering his own mark next season McHenry said: "I am certain that Patch will go below 1:59 1/4 next year, for he paced a fifth of a second below that mark last season."

It is not generally known that McHenry shared in the money earned by Patch last season. Altogether the horse cleared something like \$50,000 during the season, counting the immense profit made on his sale. Mr. Sturges bought the horse for \$20,000 and sold him for \$60,000. In purses and exhibition fees Patch earned \$10,000. According to the contract made with Mr. Sturges McHenry received one-half of the net profit of the sale of the horse and the winnings. Mr. McHenry considers it a very good season's work.

### McLeod Still Champion.

In the presence of a crowd of over 3,000 persons, Dan McLeod, succeeded in defeating Tom McInerney, of Ireland, at the Gray's armory in Cleveland, thus retaining the championship of America which he won when he defeated Tom Jenkins. McLeod was the aggressor all the way, and although McInerney won the first fall, it was more by good luck than anything else. The time of the first fall was 16 minutes, McLeod taking the next two in 20 and 17 minutes.

### Bought a Fast Horse

Joan, 2:14 1/4, one of the famous Joe Patchen colts, was sold at Johnstown, Pa., by Henry Y. Hawes to Thomas Moffet, of this city, for a fancy price. Joan has a record of winning many races in her class. Her notable achievement was in Wheeling, W. Va., two years ago, when she won a race in the ninth heat. Mr. Moffet has been caring for Harrison S. Rinehart's Richmond. He is now at Johnstown and is expected home in a few days.

### Automobile Feats.

A. C. Barker, a Chicagoan, lately astounded Canadians by dextrous feats in the management of an automobile. With a six horse power machine he backed off a step and touched an egg without breaking the shell, recovering himself with the utmost ease after marking the egg with the tire.

### SPORTING MISCELLANY.

Parson Davies may become a vaudeville monologist. Harry Morris, according to word from Indianapolis, has made the sporting man and manager of pugilists an offer of \$500 a week to join his company playing "A Night on Broadway."

At a meeting of the Athletic association of Mt. Union college James D. Hobson, of Flushing, was elected manager of the foot ball team for 1933. Mr. Hobson is a member of the sophomore class and has been prominent in college athletics.

New Yorkers are to have the chance to see Jack Munroe, the big miner of Butte, Mont., who won fame in a single night by standing off James Jeffries. Munroe will appear at \$1,000 per week in "The Road to Ruin" company.

Henry Strong, the well known Warren horseman, died from the effects of an operation from cancer, a few days ago. Mr. Strong was connected with the Oak Grove Driving club, of Warren, and was an enthusiastic road driver.

# Constipation

## Ruined Dr. Dill's Health.

It will treat you the same way. You can not be constipated and remain strong and well. Indigestion and dyspepsia are its symptoms. If you belch you have constipation. Dr. Dill first got constipation, then he lost his appetite, he became weak and sick, his kidneys went back on him and he had to give up his practice.

## Mull's Grape Tonic Cured Him

just as it will cure you. Constipation is the rotting of undigested food in the stomach. A physic won't cure. It makes it worse. Pills, Castor-oil, Salts and other such treatments are no good in a case like this. Dr. Dill tried them all. Mull's Grape Tonic will not physic a well man. Its action on a constipated person is quick and permanent.

### A St. Louis Doctor Tells How He Was Cured.

Gentlemen: I beg to thank you for calling my attention to Mull's Grape Tonic, some time ago. My profession requires close application and confinement to the office, and after several years of this indoor, sedentary life, my health completely broke down; my stomach was bad, my liver out of sorts and I felt tired and worn-out all the time. When you first showed me Mull's Grape Tonic I was skeptical, but took your word for it, and now after taking several bottles, feel as well as I ever did in my life. It is a splendid medicine for the stomach and bowels, and the best general tonic I ever saw. I thank you again for calling my attention to Mull's Grape Tonic. Yours very respectfully,

DR. E. A. DILL.

This is not the only doctor who recommends this great cure. Mull's Grape Tonic is pleasant to take. It will cleanse the entire system of all disease. It will make strong muscles and solid flesh because it makes pure rich blood. If it fails, you can have your money back. The grape is the greatest flesh-builder known. Mull's Grape Tonic is in no way like cathartics and pills. Most people who are run down are sufferers from constipation. Cod-liver oil won't help them because it increases the constipation habit. Mull's Grape Tonic will positively cure. For a large sample bottle send 10 cents to cover postage to Lightning Medicine Co., Rock Island, Ill. All druggists sell Mull's Grape Tonic. 50 cents a bottle.

FOR SALE IN EAST LIVERPOOL AT HODSON'S DRUG STORE.

### HELD UP BY HIGHWAYMEN

Toronto Men Knocked Down And Robbed Under a Bridge Near Empire.

Toronto, January 10.—Jacob Tice of Toronto, was held up at Elliottville, one mile north of Toronto, by three highwaymen. Tice has secured work with T. J. Steiner's railroad gang at Empire and was walking en route to Empire. While passing under the overhead railroad bridge at "Squire Ball's" he met three unknown men who spoke and the salutation was returned instantly but two of the men pointed revolvers at Tice, while the third man knocked him down injuring Tice severely about the shoulder.

They took a bundle of clothing from him which he was carrying and secured \$1.50, all the money Tice had. Tice is unable to be at work today. Although he is not seriously hurt his injuries are very painful.

### Pleading for Capt. Welch.

The friends of William Welch, of Cadiz, formerly captain in the Twenty-fifth United States Infantry, are importing Senators Hanna and Foraker to use their efforts to have Mr. Welch placed on the retired list of the army with the rank of colonel. Capt. Welch served with distinction in the army up to 1871, when he was dropped from the service along with over 2,000 other officers, there being no need for so many officers in the army at that time.

## EAST END

### A HAPPY OCCASION

Second U. F. Church Celebrates Its Freedom from Debt by Note And Mortgage Burning.

The Second United Presbyterian church in the East End was crowded last night, the occasion being the special services there to commemorate the lifting of the church debt. The note and the mortgage were burned in the presence of a large congregation of happy members, who have been working faithfully for many months in order that the church might be free from all encumbrances.

The program as given in the News Review Thursday was carried out to the letter. Rev. Dr. J. C. Taggart, of the First U. P. church, preached an interesting sermon. This was followed by a short history, by Charles Manley Sr., of the church from its organization as a mission till the time the new church was begun. D. F. White then gave a short account of the work of the building committee, which was responded to by J. H. Smith in behalf of the trustees of the church.

Mrs. Martha Pittenger told how the Ladies' Missionary society had helped in the work, and also claimed for that society the honor of raising the first money toward the building of the church. The ladies had more than \$300 when the foundation was laid, which was applied to that expense. Mrs. Elmer Stevenson told what the junior society had accomplished toward the new church.

After these addresses were made the notes and mortgages were burned in the presence of a happy congregation. The service was one of the most enjoyable ever held in the church.

### ASSESSMENTS TOO HIGH

On East End Property Is the View of Business Men on Pennsylvania Avenue Matter.

But few residents of the East End have yet read the report of the Pennsylvania avenue board of equalization. A few prominent business men have expressed their opinion of it, but only in a general way. One prominent business man in the East End said: "It seems to me that the improvement of Pennsylvania avenue is of great benefit to the city in general, and more particularly to the city proper than to the East End. Down town business men have been able to extend their trade to this section of the city to a great extent by means of this improvement. East End merchants have profited but little by the paving of the road."

"The position maintained by many that the entire cost should be borne by residents of the East End is absurd. The position taken by the members of the board of equalization that the heaviest part of the cost be borne by abutting property owners is hardly correct. But inasmuch as it appears that it will be impossible to collect anything like the assessments on adjacent property, the city will have a portion of the expense to pay, but hardly what it should pay."

"The report of the board placed the assessments too high on other property in the East End. Why should people on Mulberry street have to pay an assessment like what has been levied against them? They are not benefited to that extent and it does not seem right that they should have to pay so much towards the improvement. In my opinion the cost should be paid by the city in general, as it is a benefit to all."

### WALTER C. SUPPLEE

A Candidate for Mayor in the Race to the Finish.

## BLOOD WINE CURED HER OF GRIP.

"I had the grip and it left me a perfect wreck," says Mrs. Irving Mack of Cambridge, Mass. "My appetite was all gone; my nerves were all unstrung. I was wasted to a skeleton. Everybody said to me, 'You look like a ghost.' I couldn't sleep. I struggled against my sufferings, despite their growing intensity, but I failed completely. I made up my mind that unless I soon received help I must die. The medicines I took seemed to do me no good, and I was truly a pitiable object. I was white as a sheet and so weak I could hardly walk along the street without staggering. My friends were constantly telling me that I had consumption or some mysterious incurable disease. At length, through the blessing of Divine Providence, I heard of the discovery of a medicine which would do wonderful things. This medicine was 'Blood Wine.' I sent for some of it and began to take it, and the result was simply marvelous. As true as I live, that medicine alone entirely cured me and made me a well woman. Lots of my neighbors who know all about it will stand by me in everything I have said. My health is now excellent, and I do my work with a light heart and a strong body. People need not talk about 'flu' or 'grip' any more. The medicine for all who are sick is 'Blood Wine.'"

William Siddle, 236 Broadway, Lawrence, Mass., writes:

"I had the grip about three months ago and it left me in a very bad shape. I had an aggravating cough that I could not get rid of. I tried all sorts of remedies, but received no benefit until I used your 'Blood Wine.' It was recommended by my druggist, and I have him to thank for my complete recovery."

Mr. John H. Heatley, 3-4-5 Brown Bldg., Fall River, Mass., says:

"I am very grateful to your druggist for recommending 'Blood Wine' to me. I was very sick with the grip and did not seem to get well. I became weaker and weaker every day. I can thank 'Blood Wine' for my recovery."

If you want to be cured, to stay cured, to get your system in a thoroughly healthy condition, you can do it with 'Blood Wine,' because 'Blood Wine' begins at the bottom—it abstracts the germs from the blood and gives new life.

### FREE BLOOD TEST.

You can have an expert bacteriologist examine your blood under the microscope, and give you a thorough and authentic report of what your blood contains, free of charge, by sending your name to the Louis Daudelin Company, Worcester, Mass.

"Blood Wine" costs fifty cents a bottle. FOR SALE BY WILL REED, HODSON'S DRUG STORE, A. H. BULGER AND C. G. ANDERSON.

This rumor may have been started by those whose wish is responsible for the thought, or it may have been started from the fact that he has not yet begun an active canvass.

Remembering the old adage that the early bird catches the worm, there is always a chance afterwards to capture the bird. This he expects to do, and when the proper time comes his name will be presented to the voters in the proper manner.

### EAST END AFFAIRS.

The Klondike pottery will resume work Monday.

The Larkins & Ferguson hall will be used tonight by the Calcutta social club with a dance.

There will be a special business meeting Monday night at the P. H. C. hall by the Ben Hurs.

Mrs. Samuel Searight, of St. George street, is critically ill at her home with stomach trouble.

### Good News.

It will be good news to the mothers of small children to learn that croup can be prevented. The first sign of croup is hoarseness. A day or two before the attack the child becomes hoarse. This is soon followed by a peculiar rough cough. Give Chamberlain's Cough Remedy freely as soon as the child becomes hoarse, or even after the rough cough appears, and it will dispel all symptoms of croup. In this way all danger and anxiety may be avoided. This remedy is used by many thousands of mothers and has never been known to fail. It is, in fact, the only remedy that can always be depended upon and that is pleasant and safe to take. For sale by Alvin H. Bulger, druggist.

Mrs. Austin's quick raising Buckwheat makes tender, crisp, brown cakes. Your grocer can tell all about it.

### UNION PACIFIC.

## GRATIFYING REPORTS OF THE LIBRARY

LIBRARIAN'S FIGURES SHOW PATRONAGE FAST GROWING.

Trustees Will Push the Raising of \$1,000 by Subscription to Duplicate Donation.

The first meeting this year of the Carnegie library trustees was held last night at the library building. Messrs. Thompson, Purinton, Travis, Gilbert and Weisend were present. The principal business of the evening was approving bills and receiving the report of Miss Baker, the librarian, since the opening of the building to the public last May. The report showed that the library had been liberally patronized by the citizens, and that a large number of books have been distributed throughout the year. The report in full follows:

"Since May 12, 1902, the day on which books were first loaned the library has been open to the public 197 days. The total number of books loaned is 26,580. Books read in the reading rooms exclusive of magazines were 18,700. So that during seven months and a half the number of volumes used from the library amount to 45,340."

"Beginning in November the library was opened Sunday afternoon for reading. The record shows that 534 people availed themselves of this privilege and 708 books were used."

"The turnstile showed at the end of the year 64,827 entries. This figure does not adequately express the number of persons visiting the library, as many prefer being waited upon from the desk and do not pass through the turnstiles. One thousand seven hundred and thirty-one names were entered on the borrowers' register."

"The amount of money paid in at the library during the year was \$113.36. The amount paid out and handed to the city treasurer is \$92.98, leaving a balance on hand at the library of \$20.38."

The trustees were greatly pleased with the showing made by the library since it was opened and hope for still better things this year. The question of soliciting subscriptions for the library from the public was brought up. At the last meeting the paper was headed by a donation of \$1,000. So far nothing has been done towards raising this money, but the project will be pushed. If this is raised a large number of new valuable works can be added to the library, thus completing it in many departments.

It was suggested at this meeting that next year the library trustees take up the question of a lecture course for the city. Nothing but the very best attractions will be secured, and if taken hold of will be made a success. The members were all in favor of this. As soon as necessary steps will be taken to secure good attractions, and in this way the trustees guarantee a first-class lecture course for the coming winter.

### COUNTY AND NEIGHBORHOOD

C. W. Huntley, aged 88, and Martha M. Watrous, aged 74, of Charleston township, Portage county, were married lately.

The free delivery route extending from Kensington into Carroll county will be started February 2 with Perry Cox as carrier.

The story of a new gold field to be opened at Waverly, an Ohio river town, about 15 miles above Parkersburg, is again being circulated.

The statistics of sheep raising in West Virginia show that Hancock county produced 4,665, Brooke county 11,590, and Ohio county 12,152 last year.

The Somers Mining company has optioned about 2,000 acres of land near Carrollton, and will test the land as soon as possible. The options were at \$20 an acre.

Options are being taken on about two thousand acres of coal land west and southwest of Rogers, and it is hoped that this coal field may be opened soon.

John Sweatt, formerly of Toronto, has secured the contract for several new college buildings at Bryn Mawr, near Philadelphia. The contract aggregates \$600,000.

It is said that Brown's Island has been purchased by a syndicate, who will hold the same for speculation, believing the property is bound to increase in price.

Pittsburg parties have been among the farmers east and southeast of Columbiana, endeavoring to lease coal lands. They also are negotiating for right of way for switches to the Fort Wayne railroad.

### Be Quick.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croup cough appears, will prevent the attack. It never fails, and is pleasant and safe to take. For sale by Alvin H. Bulger, druggist.

## STEADY NERVES MEAN SELF-CONTROL.

No one save those whose nerves are shattered know the horror of the days of unrest—the nights devoid of sleep—the lack of self control—the feeling of utter uneasiness. No one but those who have used Dr. A. W. Chase's Nerve Pills know the great comfort they give to the weak, weary, nervous, restless, tired, sleepless, irritable and despondent. To such people they are a sheet anchor in time of trouble—a medicine that can and will carry them back to health, strength, vigor and the full enjoyment of life again as attested to by our own town people.

### SUGAR STREET.

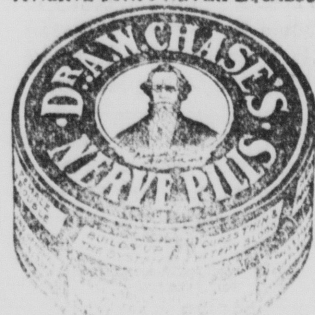

Mr. Cyrus Hauselman, of 279 Sugar street, East Liverpool, Ohio, says: "Dr. A. W. Chase's Nerve Pills are a fine medicine. It has done for me more to cure my old rheumatism than anything I ever used. The rheumatism had hung on for five or six years and was all in the legs and shoulders. I could not sleep and at times could not move with the pain. I was told of the Nerve Pills and got them at Larkin's Drug Store, and they took hold finely, something nothing else ever did—the pain and stiffness is about gone. I am feeling strong and get about and sleep well. It won't take many more to cure me completely."

Beware of imitations.—Signature and portrait of Dr. A. W. Chase on each box of the genuine. For sale by dealers, 50 cents a box, or Dr. A. W. Chase Medicine Co., 257 Washington street, Buffalo, New York.

### WELLSVILLE, OHIO.

Mrs. James Stewart, of First street, Wellsville, Ohio, says:—"Due to age and past hard work I was very nervous—lacked strength—did not rest well and felt generally listless and dull—energy was wanting. I heard of Dr. A. W. Chase's Nerve Pills and got some and am very glad I did as they gave me sleep, quieted and steadied the nerves, giving me more energy and bodily strength than I thought possible at my time of life. I am very glad to recommend the medicine."

### A NERVE TONIC NEVER EQUALLED

WALKER'S SOAP

on the wrapper of the soap that cleans your clothes without rubbing or boiling. The soap that saves hands and fabric.

Dip the clothes in water and soap well, roll up tight and put to soak in lukewarm water for thirty minutes. Walker's will do the rest. Harmless to the hands, leaves them soft and white. Contains no alkali or poisonous acids so common in common soaps. At all grocers.

## K&K K&K K&K K&K K&K K&K K&K BLOOD DISEASE CURED.

If you ever contracted any Blood or Private Disease, you are never safe until the virus or poison has been eradicated from the system. Don't be satisfied with a "patch up" by some family doctor. Our New Method is Guaranteed to Cure or No Pay. No Names Used without Written consent. Cured When All Else Failed

"Could I live my early life over, this testimonial would not be necessary, though I was no more sinful than thousands of other young men. Early indiscretions, later excesses, exposure to contagious diseases all helped to break down my system. When I commenced to realize my condition I was almost frantic. Doctor after doctor treated me but only gave me relief—not a cure. Hot Springs helped me, but did not cure me. The symptoms always returned. Mercury and Potash drove the poison into my system instead of driving it out. I bless the day your New Method Treatment was recommended to me. I investigated who you were first, and finding you had over 25 years' experience and responsible financially, I gave you my case under a guarantee. You cured me permanently, and in six years there has not been a sore, pain, ulcer or any other symptom of the blood disease."

M. A. CONLEY, 25 Years in Ohio, \$50,000 Cured. We treat and cure Varicose, Blood Poison, Nervous Debility, Stricture, Impotency, Secret Drains, Kidney and Bladder Diseases. Consultation Free. Question Blank for Home Treatment and Books Free.

## EAST END

### A HAPPY OCCASION

Second U. F. Church Celebrates Its Freedom from Debt by Note And Mortgage Burning.

The Second United Presbyterian church in the East End was crowded last night, the occasion being the special services there to commemorate the lifting of the church debt. The note and the mortgage were burned in the presence of a large congregation of happy members, who have been working faithfully for many months in order that the church might be free from all encumbrances.

The program as given in the News Review Thursday was carried out to the letter. Rev. Dr. J. C. Taggart, of the First U. P. church, preached an interesting sermon. This was followed by a short history, by Charles Manley Sr., of the church from its organization as a mission till the time the new church was begun. D. F. White then gave a short account of the work of the building committee, which was responded to by J. H. Smith in behalf of the trustees of the church.

Mrs. Martha Pittenger told how the Ladies' Missionary society had helped in the work, and also claimed for that society the honor of raising the first money toward the building of the church. The ladies had more than \$200 when the foundation was laid, which was applied to that expense.

Mrs. Elmer Stevenson told what the junior society had accomplished toward the new church.

After these addresses were made the notes and mortgages were burned in the presence of a happy congregation. The service was one of the most enjoyable ever held in the church.

### ASSESSMENTS TOO HIGH

On East End Property Is the View of Business Men on Pennsylvania Avenue Matter.

But few residents of the East End have yet read the report of the Pennsylvania avenue board of equalization. A few prominent business men have expressed their opinion of it, but only in a general way. One prominent business man in the East End said: "It seems to me that the improvement of Pennsylvania avenue is of great benefit to the city in general, and more particularly to the city proper than to the East End. Down town business men have been able to extend their trade to this section of the city to a great extent by means of this improvement. East End merchants have profited but little by the paving of the road."

"The position maintained by many that the entire cost should be borne by residents of the East End is absurd. The position taken by the members of the board of equalization that the heaviest part of the cost be borne by abutting property owners is hardly correct. But inasmuch as it appears that it will be impossible to collect anything like the assessments on adjacent property, the city will have a portion of the expense to pay, but hardly what it should pay."

"The report of the board placed the assessments too high on other property in the East End. Why should people on Mulberry street have to pay an assessment like what has been levied against them? They are not benefited to that extent and it does not seem right that they should have to pay so much towards the improvement. In my opinion the cost should be paid by the city in general, as it is a benefit to all."

### WALTER C. SUPLEE

A Candidate for Mayor in the Race to the Finish.

Regardless of the persistent report that at the proper time he will withdraw from the race, Walter C. Suplee wishes to advise his friends that he is in the race to stay to the finish.

## BLOOD WINE CURED HER OF GRIP.

"I had the grip and it left me a perfect wreck," says Mrs. Irving Mack of Cambridge, Mass. "My appetite was all gone; my nerves were all unstrung. I was wasted to a skeleton. Everybody said to me, 'You look like a ghost.' I couldn't sleep. I struggled against my sufferings, despite their growing intensity, but I failed completely, and I made up my mind that unless I soon recovered my health I must die. The medicine I took seemed to do me no good, and I was truly a pliable object. I was white as a sheet and so weak I could hardly walk along the street without staggering. My friends were constantly telling me that I had consumption or some mysterious incurable disease. At length, through the blessing of Divine Providence, I heard of the discovery of a medicine which would do wonderful things. This medicine was 'Blood Wine.' I sent for some of it and began to take it, and the result was simply marvelous. As true as I live, that medicine alone entirely cured me and made me a well woman. Lots of my neighbors who know all about it will stand by me in everything I have said. My health is now excellent and I do my work with a light heart and a strong body. People need not talk about medicines. The medicine for all who are sick is 'Blood Wine.'"

William Siddle, 236 Broadway, Lawrence, Mass., writes:

"I had the grip about three months ago and it left me in a very bad shape. I had an aggravating cough that I could not get rid of. I tried all sorts of remedies, but received no benefit until I used your 'Blood Wine.' It was recommended by my druggist, and I have him to thank for my complete recovery."

Mr. John H. Heatley, 3-4-5 Brown Bldg., Fall River, Mass., says:

"I am very grateful to my druggist for recommending 'Blood Wine' to me. I was very sick with the grip and did not seem to get well. I became weaker and weaker every day. I can thank 'Blood Wine' for my recovery."

If you want to be cured, to stay cured, to get your system in a thoroughly healthy condition, you can do it with 'Blood Wine,' because 'Blood Wine' begins at the bottom—it abstracts the germs from the blood and gives new life.

**FREE BLOOD TEST.**  
You can have an expert bacteriologist examine your blood under the microscope, and give you a thorough and authentic report of what your blood contains, free of charge, by sending your name to the Louis Daudelin Company, Worcester, Mass.

"Blood Wine" costs fifty cents a bottle. **FOR SALE BY WILL REED, HODSON'S DRUG STORE, A. H. BULGER AND C. G. ANDERSON.**

This rumor may have been started by those whose wish is responsible for the thought, or it may have been started from the fact that he has not yet begun an active canvass.

Remembering the old adage that the early bird catches the worm, there is always a chance afterwards to capture the bird. This he expects to do, and when the proper time comes his name will be presented to the voters in the proper manner.

**EAST END AFFAIRS.**

The Klondike pottery will resume work Monday.

The Larkins & Ferguson hall will be used tonight by the Calcutta social club with a dance.

There will be a special business meeting Monday night at the P. H. C. hall by the Ben Hurs.

Mrs. Samuel Searlight, of St. George street, is critically ill at her home with stomach trouble.

### Good News.

### BLOOD DISEASE CURED.

If you ever contracted any Blood or Private Disease, you are never safe until the virus or poison has been eradicated from the system. Don't be satisfied with a "patch up" by some family doctor. Our New Method is Guaranteed to Cure or No Pay. No Name Used without Written Consent.

**Cured When All Else Failed**

"Could I live my early life over, this testimonial would not be necessary, though I was no more sinful than thousands of other young men. Early indiscretions, later excesses, exposure to contagious diseases all helped to break down my system. When I commenced to realize my condition I was almost frantic. Doctor after doctor treated me but only gave me relief—not a cure. Hot Springs helped me, but did not cure me. The symptoms always returned. Mercury and Potash drove the poison into my system instead of driving it out. I bless the day your New Method Treatment was recommended to me. I investigated who you were first, and finding you had over 25 years' experience and a responsible financial, I gave you my case under a guarantee. You cured me permanently, and in six years there has not been a sore, pain, ulcer or any other symptom of the blood disease."

# EAST END A HAPPY OCCASION

Second U. F. Church Celebrates Its Freedom from Debt by Note And Mortgage Burning.

The Second United Presbyterian church in the East End was crowded last night, the occasion being the special services there to commemorate the lifting of the church debt. The note and the mortgage were burned in the presence of a large congregation of happy members, who have been working faithfully for many months in order that the church might be free from all encumbrances.

The program as given in the News Review Thursday was carried out to the letter. Rev. Dr. J. C. Taggart, of the First U. P. church, preached an interesting sermon. This was followed by a short history, by Charles Manley Sr., of the church from its organization as a mission till the time the church was begun. D. F. White then gave a short account of the work of the building committee, which was responded to by J. H. Smith in behalf of the trustees of the church.

Mrs. Martha Pittenger told how the Ladies' Missionary society had helped in the work, and also claimed for that society the honor of raising the first money toward the building of the church. The ladies had more than \$200 when the foundation was laid, which was applied to that expense. Mrs. Elmer Stevenson told what the Junior society had accomplished toward the new church.

After these addresses were made the notes and mortgages were burned in the presence of a happy congregation. The service was one of the most enjoyable ever held in the church.

## ASSESSMENTS TOO HIGH

On East End Property Is the View of Business Men on Pennsylvania Avenue Matter.

But few residents of the East End have yet read the report of the Pennsylvania avenue board of equalization. A few prominent business men have expressed their opinion of it, but only in a general way. One prominent business man in the East End said: "It seems to me that the improvement of Pennsylvania avenue is of great benefit to the city in general, and more particularly to the city proper than to the East End. Down town business men have been able to extend their trade to this section of the city to a great extent by means of this improvement. East End merchants have profited but little by the paving of the road.

"The position maintained by many that the entire cost should be borne by residents of the East End is absurd. The position taken by the members of the board of equalization that the heaviest part of the cost be borne by abutting property owners is hardly correct. But inasmuch as it appears that it will be impossible to collect anything like the assessments on adjacent property, the city will have a portion of the expense to pay, but hardly what it should pay.

"The report of the board placed the assessments too high on other property in the East End. Why should people on Mulberry street have to pay an assessment like what has been levied against them? They are not benefited to that extent and it does not seem right that they should have to pay so much towards the improvement. In my opinion the cost should be paid by the city in general, as it is a benefit to all."

## WALTER C. SUPPLEE

A Candidate for Mayor in the Race to the Finish.

Regardless of the persistent report that at the proper time he will withdraw from the race, Walter C. Supplee wishes to advise his friends that he is in the race to stay to the finish.

# BLOOD WINE CURED HER OF GRIP.

"I had the grip and it left me a perfect wreck," says Mrs. Irving Mack of Cambridge, Mass. "My appetite was all gone, my nerves were all unstrung. I was wasted to a skeleton. Every body said to me, 'You look like a ghost, I couldn't sleep. I struggled against my sufferings, despite their growing intensity, but I failed completely, and I made up my mind that unless I soon recovered help I must die. The medicines I took seemed to do me no good, and I was truly a pitiable object. I was white as a sheet and so weak I could hardly walk along the street without staggering. My friends were constantly telling me that I had consumption or some mysterious incurable disease. At length, through the blessing of Divine Providence, I heard of the discovery of a medicine which would do wonderful things. This medicine was 'Blood Wine.' I sent for some of it and began to take it, and the result was simply marvellous. As true as I live, that medicine alone entirely cured me and made me a well woman. Lots of my neighbors who know all about it will stand by me in everything I have said. My health is now excellent, and I do my work with a light heart and a strong body. People need not talk about medicines. The medicine for all who are sick is 'Blood Wine.'"

William Siddle, 236 Broadway, Lawrence, Mass., writes:

"I had the grip about three months ago and it left me in a very bad shape. I had an agonizing cough that I could not get rid of. I tried all sorts of remedies, but received no benefit until I used your 'Blood Wine.' It was recommended by my druggist, and I have him to thank for my complete recovery."

Mr. John H. Heatley, 34-5 Brown Bldg., Fall River, Mass., says:

"I am very grateful to my druggist for recommending 'Blood Wine' to me. I was very sick with the grip and did not seem to get well. I became weaker and weaker every day. I can thank 'Blood Wine' for my recovery."

## FREE BLOOD TEST.

You can have an expert bacteriologist examine your blood under the microscope, and give you a thorough and authentic report of what your blood contains, free of charge, by sending your name to the Louis Daudelin Company, Worcester, Mass.

"Blood Wine" costs fifty cents a bottle.

FOR SALE BY WILL REED, HODSON'S DRUG STORE, A. H. BULGER AND C. G. ANDERSON.

This rumor may have been started by those whose wish is responsible for the thought, or it may have been started from the fact that he has not yet begun an active canvass.

Remembering the old adage that the early bird catches the worm, there is always a chance afterwards to capture the bird. This he expects to do, and when the proper time comes his name will be presented to the voters in the proper manner.

## EAST END AFFAIRS.

The Klondike pottery will resume work Monday.

The Larkins & Ferguson hall will be used tonight by the Calcutta social club with a dance.

There will be a special business meeting Monday night at the P. H. C. hall by the Ben Hurs.

Mrs. Samuel Searight, of St. George street, is critically ill at her home with stomach trouble.

## Good News.

It will be good news to the mothers of small children to learn that croup can be prevented. The first sign of croup is hoarseness. A day or two before the attack the child becomes hoarse. This is soon followed by a peculiar rough cough. Give Chamberlain's Cough Remedy freely as soon as the child becomes hoarse, or even after the rough cough appears, and it will dispel all symptoms of croup in this way all danger and anxiety may be avoided. This remedy is used by many thousands of mothers and has never been known to fail. It is, in fact, the only remedy that can always be depended upon and that is pleasant and safe to take. For sale by Alvin H. Bulger, druggist.

Austin's quick raising Buckwheat makes tender, crisp, brown cakes. Your grocer can tell all about it.

## UNION PACIFIC.

Is the most direct line to all PRINCIPAL POINTS WEST. Every business interest is to be found on or adjacent to its line. For the Farmer, thousands of acres of rich agricultural land.

For the Stock Raiser, immense areas of excellent grazing land. For the Miner, the great mineral deposit in the west.

For the Homeseeker, millions of acres of land under irrigation, while but little is yet under actual cultivation.

Write for copy of pamphlet "Business Openings on the Union Pacific." Full information cheerfully furnished by

E. L. LOMAX, General Passenger and Ticket Agent. OMAHA, NEB., or F. B. CHOATE, Agent, 15 Park Bldg. PITTSBURG, PA.

## HANCOCK BAR.

EAST END.  
Finest line of Wines, Whiskies, Beer and Cigars in the city.  
WM. HANCOCK, Proprietor, Mulberry St. EAST END.

# GRATIFYING REPORTS OF THE LIBRARY

LIBRARIAN'S FIGURES SHOW PATRONAGE FAST GROWING.

Trustees Will Push the Raising of \$1,000 by Subscription to Duplicate Donation.

The first meeting this year of the Carnegie library trustees was held last night at the library building. Messrs. Thompson, Purinton, Travis, Gilbert and Welsend were present. The principal business of the evening was approving bills and receiving the report of Miss Baker, the librarian, since the opening of the building to the public last May. The report showed that the library had been liberally patronized by the citizens, and that a large number of books have been distributed throughout the year. The report in full follows:

"Since May 12, 1902, the day on which books were first loaned the library has been open to the public 197 days. The total number of books loaned is 26,580. Books read in the reading rooms exclusive of magazines were 18,700. So that during seven months and a half the number of volumes used from the library amount to 45,340.

"Beginning in November the library was opened Sunday afternoon for reading. The record shows that 534 people availed themselves of this privilege and 708 books were used.

"The turnstile showed at the end of the year 64,827 entries. This figure does not adequately express the number of persons visiting the library, as many prefer being waited upon from the desk and do not pass through the turnstiles. One thousand seven hundred and thirty-one names were entered on the borrowers' register.

"The amount of money paid in at the library during the year was \$113.36. The amount paid out and handed to the city treasurer is \$92.98, leaving a balance on hand at the library of \$20.38."

The trustees were greatly pleased with the showing made by the library since it was opened and hope for still better things this year. The question of soliciting subscriptions for the library from the public was brought up. At the last meeting the paper was headed by a donation of \$1,000, provided an equal sum might be raised. So far nothing has been done towards raising this money, but the project will be pushed. If this is raised a large number of new valuable works can be added to the library, thus completing it in many departments.

It was suggested at this meeting that next year the library trustees take up the question of a lecture course for the city. Nothing but the very best attractions will be secured, and if taken hold of will be made a success. The members were all in favor of this. As soon as necessary steps will be taken to secure good attractions, and in this way the trustees guarantee a first-class lecture course for the coming winter.

## COUNTY AND NEIGHBORHOOD

C. W. Huntley, aged 88, and Martha M. Watrous, aged 74, of Charleston township, Portage county, were married lately.

The free delivery route extending from Kensington into Carroll county will be started February 2 with Perry Cox as carrier.

The story of a new gold field to be opened at Waverly, an Ohio river town, about 15 miles above Parkersburg, is again being circulated.

The statistics of sheep raising in West Virginia show that Hancock county produced 4,665, Brooke county 11,590, and Ohio county 12,152 last year.

The Somers Mining company has optioned about 2,900 acres of land near Carrollton, and will test the land as soon as possible. The options were at \$20 an acre.

Options are being taken on about two thousand acres of coal land west and southwest of Rogers, and it is hoped that this coal field may be opened soon.

John Sweatt, formerly of Toronto, has secured the contract for several new college buildings at Bryn Mawr, near Philadelphia. The contract aggregates \$600,000.

It is said that Brown's Island has been purchased by a syndicate, who will hold the same for speculation, believing the property is bound to increase in price.

Pittsburg parties have been among the farmers east and southeast of Columbiana, endeavoring to lease coal lands. They also are negotiating for right of way for switches to the Fort Wayne railroad.

## Be Quick.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croup cough appears, will prevent the attack. It never fails, and is pleasant and safe to take. For sale by Alvin H. Bulger, druggist.

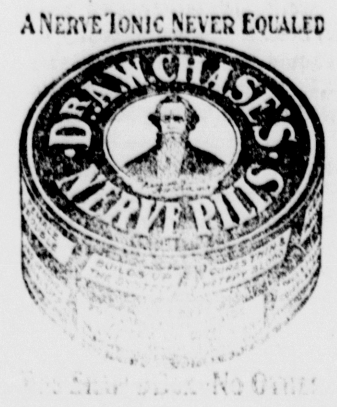

# STEADY NERVES MEAN SELF-CONTROL.

No one save those whose nerves are shattered know the horror of the days of unrest—the nights devoid of sleep—the lack of self control—the feeling of utter uneasiness. No one but those who have used Dr. A. W. Chase's Nerve Pills know the great comfort they give to the weak, weary, nervous, restless, tired, sleepless, irritable and despondent. To such people they are a sheet anchor in time of trouble—a medicine that can and will carry them back to health, strength, vigor and the full enjoyment of life again as attested to by our own town people.

## SUGAR STREET.

Mr. Cyrus Hauselman, of 279 Sugar street, East Liverpool, Ohio, says: "Dr. A. W. Chase's Nerve Pills are a fine medicine. It has done for me more to cure my old rheumatism than anything I ever used. The rheumatism had hung on for five or six years and was all in the legs and shoulders. I could not sleep and at times could not move with the pain. I was told of the Nerve Pills and got them at Larkin's Drug Store, and they took hold finely, something nothing else ever did—the pain and stiffness is about gone. I am feeling strong and get about and sleep well. It won't take many more to cure me completely."

Beware of imitations.—Signature and portrait of Dr. A. W. Chase on each box of the genuine. For sale by dealers, 50 cents a box, or Dr. A. W. Chase Medicine Co., 257 Washington street, Buffalo, New York.

## WELLSVILLE, OHIO.

Mrs. James Stewart, of First street, Wellsville, Ohio, says:—"Due to age and past hard work I was very nervous—lacked strength—did not rest well and felt generally listless and dull—energy was wanting. I heard of Dr. A. W. Chase's Nerve Pills and got some and am very glad I did as they gave me sleep, quieted and steadied the nerves, giving me more energy and bodily strength than I thought possible at my time of life. I am very glad to recommend the medicine."

## Look for the Game Rooster

on the wrapper of the soap that cleans your clothes without rubbing or boiling. The soap that saves hands and fabric.

## WALKER'S SOAP

soap washes your clothes while you rest. It dissolves the dirt quickly, surely, and positively without harm. It is a solvent that removes nothing but the dirt.

Dip the clothes in water and soap well, roll up tight and put to soak in lukewarm water for thirty minutes. Walker's will do the rest. Harmless to the hands, leaves them soft and white. Contains no alkali or poisonous acids so common in common soaps. At all grocers.

SATURDAY, JANUARY 10, 1903.

According to Washington advices the hearing before the rivers and harbors committee on Monday which will be granted to a committee of the Ohio River Improvement association promises to bring out a full discussion of this great project. The committee will be given an opportunity to show why such a mammoth appropriation should be made for the Ohio river, an appropriation that will amount to at least three times the sum of the annual appropriation for the entire country. It is desired by the improvement association to secure favorable action at this session on the resolution of Representative Bromwell, of Ohio, appropriating \$200,000 for a survey of the Ohio river from the mouth of the Miami to Cairo. If the committee succeeds in getting this appropriation at this session it will have broken the precedent for the past 20 years. President Roosevelt is with the rivermen and says the Ohio river improvement must come. That is one of the many reasons why he is a good man to re-elect.

Governor Nash has issued a proclamation calling upon the people of Ohio to observe January 29, the sixtieth anniversary of McKinley's birth, with appropriate services. Especially are the schools urged to observe the day. The idea is commendable and will doubtless be carried out extensively. Young people and old will find their patriotism quickened by recalling the career of the martyred president. McKinley's birthday is to be celebrated at Canton with the president of the United States as a guest and a speaker. Ohio and the whole nation will pay fitting tribute to the memory of an illustrious patriot and a wise and great statesman.

Another field is opening for American industrial enterprise. The Commercial Museum of Philadelphia has recently received letters from prominent importing firms in India and China, asking for the address of American manufacturers who will furnish idols and sacred images for the temples of those countries. It appears the orientals have some American-made idols and like them so well that they want more.

Delaware is without senators and the deadlock in the legislature unbroken. The legislature is composed of 21 Addicks Republicans, 10 anti-Addicks Republicans and 21 Democrats. None of the three has a majority, and an election can only come by combination. Yet many public men, including United States senators, can see no reason for a change in the method of electing senators. Delaware can see it, however.

Steubenville built 202 houses last year. East Liverpool exceeded the number by about 100 and still has not houses enough. And East Liverpool is no boom town, either.

The public is just learning a great deal about the Pennsylvania avenue improvement which ought to have

# Humors

They take possession of the body, and are Lords of Misrule. They are attended by pimples, boils, the itching letter, salt rheum, and other cutaneous eruptions, by feelings of weakness, languor, general debility and what not. They cause more suffering than anything else.

Health, Strength, Peace and Pleasure require their expulsion, and this is positively effected, according to thousands of grateful testimonials, by

**Hood's Sarsaparilla**

Which radically and permanently drives them out and builds up the whole system.

been learned before the city undertook the work. Dissatisfaction would have thus been avoided and costly litigation it should be a rule, in deciding upon public improvements, first to decide how they are to be paid for.

Daniel H. Hastings was born in a log cabin and had a bitter struggle with poverty, but that did not prevent him from hewing his way to wealth and political prominence. He had the training that develops strong character.

Wireless telegraphy permits the publication of a daily paper, with the latest dispatches, on the ocean grey hounds. A passing ship thus becomes an esteemed contemporary.

The small boy enjoys the old-fashioned winter. There is a chance of him getting his ears frozen or his leg broken, but the element of danger is what he delights in.

Philadelphia grabbed at Carnegie's offer of \$1,500,000 for libraries with such eagerness that she came near losing her long-established reputation for slowness.

With the mercury hovering around zero, firemen in active service find few to envy them their jobs.

## OBITUARY

William H. Price.

After two weeks' illness with intense suffering with catarrh of the bowels, William H. Price, of 790 Railroad street, passed quietly away at the age of 71 years at 12:30 a. m. today. His death ends a long and useful career. Mr. Price was born in Lisburn, County Ulster, Ireland, 71 years ago. At the age of 6 he came to America with his parents. Coming to Ohio by the Erie canal route he settled first near Alliance and later in East Liverpool. While living in this city he learned the painting trade and worked in many of the large cities of the central and northern states. When the civil war broke out he enlisted in a Pennsylvania regiment and served during the latter part of the war with the army of the west, being with General Sherman on that famous march from Atlanta to the sea. At the close of the war he was honorably discharged and returned to East Liverpool.

With the money he received for his service in the war he purchased what has since been his home at 790 Railroad street. Although Mr. Price has not been well for a long time he had only been confined to his bed two weeks. He leaves a host of sorrowing friends, a wife, one brother, Rev. James Price, of Philadelphia, and six children as follows: Belle, Frank and Elmer, who reside at home; William Price, of St. George street, East End; Mrs. Edwin Simpson, of Third street, and James Price, of Derry, Pa. Burial will be made at Riverview cemetery.

Mrs. Anderson Campbell.

Mrs. Barbara Campbell, aged 61, wife of Anderson Campbell, died at her home on College street, at 4:45 o'clock yesterday afternoon, of cancer of the stomach. She had resided in the city for thirteen years and was a devoted Christian. Mrs. Campbell was the mother of eleven children now living, Agnes, Alice, Ina, Elva, and Carrie live at home, and Sherman is also a resident of this city; Mrs. Thomas Sargent, Mrs. William Miller, William and Vernon are residents of Los Angeles, Cal., and James, in New York. One died a year ago in the west. Funeral services will be held at the residence on Sunday afternoon at 3 o'clock by Rev. Dr. Taggart, and interment will be made at the cemetery in Service Monday at noon.

Robert Bruce Smith.

Robert Bruce, the 18-months-old child of Mr. and Mrs. L. C. Smith, of Dry Run, in the East End, died suddenly last night about 9:30. The little child had been playing with some boys only a few minutes before his death and suddenly fell over in his mother's arms. Death resulted before a physician could be summoned.

The funeral services will be held Sunday afternoon at 1:30 at the home of Frank Knowles, of Oakland. Rev. G. W. Orcutt will have charge of the services. Interment at Riverview.

Mrs. Andrew Reed.

Mrs. Andrew Reed, aged 69 years, died at the home of her daughter, Mrs. Harry Headley, in the West End, yesterday afternoon of erysipelas. Mrs. Reed returned from a visit with her friends at Lockport, N. Y., about three weeks ago and was taken suddenly ill. She is survived by a large family who nearly all reside in this city.

Miss Fannie Bryan.

Miss Fannie Bryan, aged 25 years, died at 4 o'clock this morning at the home of her parents, Mr. and Mrs. Alex Bryan, of Third street, near Jefferson. She had been ill six weeks from pneumonia. The funeral services will be held at the residence at 1 o'clock Monday afternoon and the interment will be made in Spring Grove cemetery.

Mrs. James Welch.

The funeral services over the remains of Mrs. James Welch, who died at her home near the Township Line school house, Friday morning will be held at her late home next Monday afternoon at 1:30 o'clock. Interment will be made in the Township Line cemetery.

Mrs. W. H. Piersoll.

Mrs. W. H. Piersoll, aged 61, of West Bridgewater, Pa., mother of Mrs. R. J. Marshall, of the East End, died at her home yesterday. The funeral took place at 2 o'clock today, the interment being at Beaver cemetery.

Dr. George O. Wells.

Dr. Joseph A. Wells, aged 21 years, died at the home of his parents in Pittsburgh of pneumonia. He was well known in this city and Wellsville. The interment will be made in the latter city Monday.

## FRIENDS AND VISITORS

John Howard left today for a visit with friends at Beaver Falls and other Pennsylvania towns. He will be absent several days.

S. J. Warner, who has been ill at his home on Second street suffering from an attack of fever, is recovering and will be able to resume his duties in one of the river potteries soon.

# DUN'S TRADE REVIEW

Collections Notably Prompt, Testifying to Strong Financial Position of Industries.

# FUEL THE DISTURBING ELEMENT

Inadequate Supply of Coal and Coke Retarding Operations in All Industrial Lines—Much New Business Coming Forward in Iron and Steel.

New York, Jan. 10.—R. G. Dun & Co.'s Weekly Review of Trade, issued today, says in part:

Collections are notably prompt at all leading centers, bearing testimony to the strong financial position of the nation's industries at the opening of the new year. Distributing of merchandise is heavy and manufacturers are pressed for prompt delivery. Orders for spring goods come forward freely and in many lines there is more than a sample business in fall weights. Tardy deliveries in the past lead purchasers to anticipate requirements more than heretofore, and orders are being placed far in advance of actual needs. The fuel situation is still the one seriously disturbing element, rendering abnormally high the cost of manufacturing and restricting the purchasing power of almost the entire population. Fortunately this comes at a time of exceptional prosperity, or there would be a general contraction of consumption in other lines. There is little interruption to work because of labor disputes, but many operations are interrupted by the delay in transit of needed materials. Railway freight rates were advanced, and one result will be a loss of exportation from eastern cities, the traffic being deflected to New Orleans.

## Operations Retarded.

In the iron and steel industry the most significant event of the week was the discussion regarding the profit-sharing proposal by the leading producer. Inadequate supplies of coke are still retarding operations. Contracts for the new year were made at \$1 a ton, but prompt deliveries often command \$6 or \$7, and Atchafalpa sales were reported at \$10. Pig iron continues scarce, prices generally advancing during the past week, and the expected advance of \$1 a ton was made in wire products. Much new business has come forward, especially in bars and sheets, which had been comparatively quiet, while there is a vigorous demand for structural material to be used in bridge work and car shops. Another year of unprecedented activity in this industry is confidently anticipated. Partially because of the published statistics of supplies, but more on account of London speculation, there was a sharp advance in prices of tin and copper, followed by some reaction due to realizing sales. No new features have appeared in the domestic demand for dry goods. As to woolen goods the demand for overcoatings for next fall has not come up to expectations, which may be attributed in part to the fact that the season opened unusually early. Prices are fully maintained at the opening level of the season. Estimates for the year 1903 are 275 in the United States and 275 in Great Britain and 24 in Canada, compared with 27 a year ago.

Pennsylvania Monument in Place. Chattanooga, Tenn., Jan. 10.—The Pennsylvania monument at Chickamauga park to the Seventy-third regiment, Pennsylvania volunteers, was put in place yesterday. It is located on Missionary Ridge, where the assault on Nov. 25, 1863, was made.

Governor Nash's Proclamation. Columbus, O., Jan. 10.—Governor Nash issued a proclamation yesterday calling upon the people of Ohio to observe Jan. 29 with exercises in all schools, colleges and universities, commemorative of the sixtieth anniversary of McKinley's birth.

# THE EQUALIZERS VERY INDICANT

Continued from First Page.

That said board heard and determined all objections to the assessment and equalized said assessment as specially benefited so as the burden would fall equitably upon the property benefited, and in accordance with the special benefit conferred on each property by reason of said improvement which benefits were conferred on said properties included in said resolution.

That said board found that the assessment board has assessed the property especially benefited at thirty thousand seven hundred and eighty two dollars and four cents (\$30,782.04), and that the equalization board equalized upon the same amount, and did not add anything thereto except a reasonable compensation for the services rendered as members of said board, and said board of equalization are from.

That from pages thirty (30) to fifty-eight (58), inclusive, of this book is contained a true and correct copy of the findings of the assessing board for said improvement as set forth therein, but any written statements included in said report to the city council of the city of East Liverpool, O., and the signatures are omitted therefrom.

That from page sixty-one (61) to seventy (70), inclusive, of this book is a true and complete abstract of all the protests and objections to the assessment of said improvement as found by the assessing board, which were in writing and filed with the city clerk of said city.

That from page seventy-one (71) to one hundred and twenty-two (122), inclusive of this book, is contained the report, findings and the final decision of the board of equalization for the Pennsylvania avenue improvement which report, findings and its decision are respectfully submitted to the Honorable City Council of the City of East Liverpool, O.

In testimony whereof we, the members composing the said board of equalization for the Pennsylvania avenue improvement, have hereunto set our hands at East Liverpool, O., this thirty-first day of December, A. D. 1902.

W. A. CALHOUN,  
GEORGE OLINHAUSEN,  
HOLLIS E. GROSSHANS.

In some quarters the board has been criticised in the matter of their methods of equalizing the assessments. These objections, the members say, come from a source that is not reliable, and could not possibly have caused any worry, but for fear that someone not acquainted with the facts would be misled by the statements made, the board has prepared the following list of questions:

First—What is the lawful way of assessing and equalizing the properties which are especially benefited by the Pennsylvania avenue improvement?

Second—Should the tax valuation on the respective properties on the Pennsylvania avenue improvements be taken as a guide or given any consideration whatever in assessing and equalizing? If so to what extent?

Third—To what extent should all the properties east of the East End public school building bear in proportion of the total of the expenses incurred by reason of the improvement?

Fourth—To what extent ought all the properties between lot 1589 and the East End public school building bear the burden of the assessment in proportion to the whole incurred?

Fifth—Do the properties west of lot 1589 receive a greater or less benefit than the properties immediately east of East End public school building? If yes, on a basis of \$100 each what percentage more?

Sixth—Ought the properties west

## OBITUARY

William H. Price.

After two weeks' illness with intense suffering with catarrh of the bowels, William H. Price, of 709 Railroad street, passed quietly away at the age of 71 years at 12:30 a. m. today. His death ends a long and useful career. Mr. Price was born in Lisburn, County Ulster, Ireland, 71 years ago. At the age of 6 he came to America with his parents. Coming to Ohio by the Erie canal route he settled first near Alliance and later in East Liverpool. While living in this city he learned the painting trade and worked in many of the large cities of the central and northern states. When the civil war broke out he enlisted in a Pennsylvania regiment and served during the latter part of the war with the army of the west, being with General Sherman on that famous march from Atlanta to the sea. At the close of the war he was honorably discharged and returned to East Liverpool.

With the money he received for his service in the war he purchased what has since been his home at 709 Railroad street. Although Mr. Price has not been well for a long time he had only been confined to his bed two weeks. He leaves a host of sorrowing friends, a wife, one brother, Rev. James Price, of Philadelphia, and six children as follows: Belle, Frank and Elmer, who reside at home; William Price, of St. George street, East End; Mrs. Edwin Simpson, of Third street, and James Price, of Derry, Pa. Burial will be made at Riverview cemetery.

Mrs. Anderson Campbell.

Mrs. Barbara Campbell, aged 61, wife of Anderson Campbell, died at her home on College street, at 4:45 o'clock yesterday afternoon, of cancer of the stomach. She had resided in the city for thirteen years and was a devoted Christian. Mrs. Campbell was the mother of eleven children now living, Agnes, Alice, Ina, Elva, and Carrie live at home, and Sherman is also a resident of this city; Mrs. Thomas Sargent, Mrs. William Miller, William and Vernon are residents of Los Angeles, Cal., and James, in New York. One died a year ago in the west. Funeral services will be held at the residence on Sunday afternoon at 3 o'clock by Rev. Dr. Taggart, and interment will be made at the cemetery in Service Monday at noon.

Robert Bruce Smith.

Robert Bruce, the 18-month-old child of Mr. and Mrs. L. C. Smith, of Dry Run, in the East End, died suddenly last night about 9:30. The little child had been playing with some boys only a few minutes before his death and suddenly fell over in his mother's arms. Death resulted before a physician could be summoned.

The funeral services will be held Sunday afternoon at 1:30 at the home of Frank Knowles, of Oakland. Rev. G. W. Orcutt will have charge of the services. Interment at Riverview.

Mrs. Andrew Reed.

Mrs. Andrew Reed, aged 69 years, died at the home of her daughter, Mrs. Harry Headley, in the West End, yes-

terday afternoon of erysipelas. Mrs. Reed returned from a visit with her friends at Lockport, N. Y., about three weeks ago and was taken suddenly ill. She is survived by a large family who nearly all reside in this city.

Miss Fannie Bryan.

Miss Fannie Bryan, aged 25 years, died at 4 o'clock this morning at the home of her parents, Mr. and Mrs. Alex Bryan, of Third street, near Jefferson. She had been ill six weeks from pneumonia. The funeral services will be held at the residence at 1 o'clock Monday afternoon and the interment will be made in Spring Grove cemetery.

Mrs. James Welch.

The funeral services over the remains of Mrs. James Welch, who died at her home near the Township Line school house, Friday morning, will be held at her late home next Monday afternoon at 1:30 o'clock. Interment will be made in the Township Line cemetery.

Mrs. W. H. Piersoll.

Mrs. W. H. Piersoll, aged 61, of West Bridgewater, Pa., mother of Mrs. R. J. Marshall, of the East End, died at her home yesterday. The funeral took place at 2 o'clock today, the interment being at Beaver cemetery.

Dr. George O. Wells.

Dr. Joseph A. Wells, aged 21 years, died at the home of his parents in Pittsburg of pneumonia. He was well known in this city and Wellsville. The interment will be made in the latter city Monday.

## FRIENDS AND VISITORS

John Howard left today for a visit with friends at Beaver Falls and other Pennsylvania towns. He will be absent several days.

S. J. Warner, who has been ill at his home on Second street suffering from an attack of fever, is recovering and will be able to resume his duties in one of the river potteries soon.

## DUN'S TRADE REVIEW

Collections Notably Prompt,  
Testifying to Strong Financial  
Position of Industries.

## FUEL THE DISTURBING ELEMENT

Inadequate Supply of Coal and Coks  
Retarding Operations in All Industrial Lines—Much New Business  
Coming Forward in Iron and Steel.

New York, Jan. 10.—R. G. Dun & Co's Weekly Review of Trade, issued today, says in part:

Collections are notably prompt at all leading centers, bearing testimony to the strong financial position of the nation's industries at the opening of the new year. Distributing of merchandise is heavy and manufacturers are pressed for prompt delivery. Orders for spring goods come forward freely and in many lines there is more than a sample business in fall weights. Tardy deliveries in the past lead purchasers to anticipate requirements more than heretofore, and orders are being placed far in advance of actual needs. The fuel situation is still the one seriously disturbing element, rendering abnormally high the cost of manufacturing and restricting the purchasing power of almost the entire population. Fortunately this comes at a time of exceptional prosperity, or there would be a general contraction of consumption in other lines. There is little interruption to work because of labor disputes, but many operations are interrupted by the delay in transit of needed materials. Railway freight rates were advanced, and one result will be a loss of exportation from eastern cities, the traffic being deflected to New Orleans.

Operations Retarded.

In the iron and steel industry the most significant event of the week was the discussion regarding the profit-sharing proposal by the leading producer, inadequate supplies of cokes are still retarding operations. Contracts for the new year were made at \$4 a ton, but prompt deliveries often command \$6 or \$7, and Atchafalpa sales were reported at \$10. Pig iron continues scarce, prices generally advancing during the past week, and the expected advance of \$1 a ton was made in wire products. Much new business has come forward, especially in bars and sheets, which had been comparatively quiet, while there is a vigorous demand for structural material to be used in bridge work and car shops. Another year of unprecedented activity in this industry is confidently anticipated. Partially because of the published statistics of supplies, but more on account of London speculation, there was a sharp advance in prices of tin and copper, followed by some reaction due to realizing sales. No new features have appeared in the domestic demand for dry goods. As to woolen goods the demand for overcoatings for next fall has not come up to expectations, which may be attributed in part to the fact that the season opened unusually early. Prices are fully maintained at the opening level of the season.

Feet for the year 1902-1903 in the United States were 275 last year, and 24 in Canada, compared with 27 a year ago.

Pennsylvania Monument in Place. Chattanooga, Tenn., Jan. 10.—The Pennsylvania monument at Chickamauga park to the Seventy-third regiment, Pennsylvania volunteers, was put in place yesterday. It is located on Missionary Ridge, where the assault on Nov. 25, 1863, was made.

Governor Nash's Proclamation. Columbus, O., Jan. 10.—Governor Nash issued a proclamation yesterday calling upon the people of Ohio to observe Jan. 29 with exercises in all schools, colleges and universities, commemorative of the sixtieth anniversary of McKinley's birth.

## THE EQUALIZERS

VERY INDICANT

Continued from First Page.

That said board heard and determined all objections to the assessment and equalized said assessment as specially benefited so as the burden would fall equitably upon the property benefited, and in accordance with the special benefit conferred on each property by reason of said improvement which benefits were conferred on said properties included in said resolution.

That said board found that the assessment board has assessed the property especially benefited at thirty thousand seven hundred and eighty two dollars and four cents (\$30,782.04), and that the equalization board equalized upon the same amount, and did not add anything thereto except a reasonable compensation for the services rendered as members of said board, and said board did not add anything thereto.

That from pages thirty (30) to fifty-eight (58), inclusive, of this book is contained a true and correct copy of the findings of the assessing board for said improvement as set forth therein but any written statements included in said report to the city council of the city of East Liverpool, O., and the signatures are omitted therefrom.

That from page sixty-one (61) to seventy (70), inclusive, of this book is a true and complete abstract of all the protests and objections to the assessment of said improvement as found by the assessing board, which were in writing and filed with the city clerk of said city.

That from page seventy-one (71) to one hundred and twenty-two (122), inclusive of this book, is contained the report, findings and the final decision of the board of equalization for the Pennsylvania avenue improvement which report, findings and its decision are respectfully submitted to the Honorable City Council of the City of East Liverpool, O.

In testimony whereof we, the members composing the said board of equalization for the Pennsylvania avenue improvement, have hereunto set our hands at East Liverpool, O., this thirty-first day of December, A. D. 1902.

W. A. CALHOUN.

GEORGE O. KHAUSEN.

HOLLIS E. GROSSHANS.

In some quarters the board has been criticised in the matter of their methods of equalizing the assessments. These objections, the members say, come from a source that is not reliable, and could not possibly have caused any worry, but for fear that someone not acquainted with the facts would be misled by the statements made, the board has prepared the following list of questions:

First—What is the lawful way of assessing and equalizing the properties, which are especially benefited by the Pennsylvania avenue improvement?

Second—Should the tax valuation on the respective properties on the Pennsylvania avenue improvements be taken as a guide or given any consideration whatever in assessing and equalizing? If so to what extent?

Third—To what extent should all the properties east of the East End public school building bear in proportion of the total of the expenses incurred by reason of the improvement?

Fourth—To what extent ought all the properties between lot 1589 and the East End public school building bear the burden of the assessment in proportion to the whole incurred?

Fifth—Do the properties west of lot 1589 receive a greater or less benefit than the properties immediately east of East End public school building? If yes, on a basis of \$100 each what percentage more?

Sixth—Ought the properties west

According to Washington advices the hearing before the rivers and harbors committee on Monday which will be granted to a committee of the Ohio River Improvement association promises to bring out a full discussion of this great project. The committee will be given an opportunity to show why such a mammoth appropriation should be made for the Ohio river, an appropriation that will amount to at least three times the sum of the annual appropriation for the entire country. It is desired by the improvement association to secure favorable action at this session on the resolution of Representative Brownell, of Ohio, appropriating \$200,000 for a survey of the Ohio river from the mouth of the Miami to Cairo. If the committee succeeds in getting this appropriation at this session it will have broken the precedent for the past 20 years. President Roosevelt is with the rivermen and says the Ohio river improvement must come. That is one of the many reasons why he is a good man to re-elect.

Governor Nash has issued a proclamation calling upon the people of Ohio to observe January 29, the sixtieth anniversary of McKinley's birth, with appropriate services. Especially are the schools urged to observe the day. The idea is commendable and will doubtless be carried out extensively. Young people and old will find their patriotism quickened by recalling the career of the martyred president. McKinley's birthday is to be celebrated at Canton with the president of the United States as a guest and a speaker. Ohio and the whole nation will pay fitting tribute to the memory of an illustrious patriot and a wise and great statesman.

Another field is opening for American industrial enterprise. The Commercial Museum of Philadelphia has recently received letters from prominent importing firms in India and China, asking for the address of American manufacturers who will furnish idols and sacred images for the temples of those countries. It appears the orientals have some American made idols and like them so well that they want more.

Delaware is without senators and the deadlock in the legislature unbroken. The legislature is composed of 21 Addicks Republicans, 10 anti-Addicks Republicans and 21 Democrats. None of the three has a majority, and an election can only come by combination. Yet many public men, including United States senators, can see no reason for a change in the method of electing senators. Delaware can see it, however.

Stevensville built 303 houses last year. East Liverpool exceeded the number by about 100 and still has not houses enough. And East Liverpool is no boom town, either.

The public is just learning a great deal about the Pennsylvania avenue improvement which ought to have

## Humors

They take possession of the body, and are Lords of Misrule. They are attended by pimples, boils, the itching tetter, salt rheum, and other cutaneous eruptions, by feelings of weakness, languor, general debility and what not. They cause more suffering than anything else.

Health, Strength, Peace and Pleasure require their expulsion, and this is positively effected, according to thousands of grateful testimonials, by

### Hood's Sarsaparilla

Which radically and permanently drives them out and builds up the whole system.

been learned before the city undertook the work. Dissatisfaction would have thus been avoided and costly litigation. It should be a rule, in deciding upon public improvements, first to decide how they are to be paid for.

Daniel H. Hastings was born in a log cabin and had a bitter struggle with poverty, but that did not prevent him from hewing his way to wealth and political prominence. He had the training that develops strong character.

Philadelphia grabbed at Carnegie's offer of \$1,500,000 for libraries with such eagerness that she came near losing her long-established reputation for slowness.

With the mercury hovering around zero, firemen in active service find few to envy them their jobs.

## OBITUARY

William H. Price.

After two weeks' illness with intense suffering with catarrh of the bowels, William H. Price, of 709 Railroad street, passed quietly away at the age of 71 years at 12:30 a. m. today. His death ends a long and useful career. Mr. Price was born in Lisburn, County Ulster, Ireland, 71 years ago. At the age of 6 he came to America with his parents. Coming to Ohio by the Erie canal route he settled first near Alliance and later in East Liverpool. While living in this city he learned the painting trade and worked in many of the large cities of the central and northern states. When the civil war broke out he enlisted in a Pennsylvania regiment and served during the latter part of the war with the army of the west, being with General Sherman on that famous march from Atlanta to the sea. At the close of the war he was honorably discharged and returned to East Liverpool.

With the money he received for his service in the war he purchased what has since been his home at 709 Railroad street. Although Mr. Price had not been well for a long time he had only been confined to his bed two weeks. He leaves a host of sorrowing friends, a wife, one brother, Rev. James Price, of Philadelphia, and six children as follows: Belle, Frank and Elmer, who reside at home; William Price, of St. George street, East End; Mrs. Edwin Simpson, of Third street; and James Price, of Derry, Pa. Burial will be made at Riverview cemetery.

Mrs. Anderson Campbell.

Mrs. Barbara Campbell, aged 61, wife of Anderson Campbell, died at her home on College street, at 4:45 o'clock yesterday afternoon, of cancer of the stomach. She had resided in the city for thirteen years and was a devoted Christian. Mrs. Campbell was the mother of eleven children now living, Agnes, Alice, Ina, Elva, and Carrie live at home, and Sherman is also a resident of this city; Mrs. Thomas Sargent, Mrs. William Miller, William and Vernon are residents of Los Angeles, Cal., and James, in New York. One died a year ago in the west. Funeral services will be held at the residence on Sunday afternoon at 3 o'clock by Rev. Dr. Targart, and interment will be made at the cemetery in Service Monday at noon.

Robert Bruce Smith.

Robert Bruce, the 18-months-old child of Mr. and Mrs. L. C. Smith, of Dry Run, in the East End, died suddenly last night about 9:30. The little child had been playing with some boys only a few minutes before his death and suddenly fell over in his mother's arms. Death resulted before a physician could be summoned.

The funeral services will be held Sunday afternoon at 1:30 at the home of Frank Knowles, of Oakland. Rev. G. W. Orcutt will have charge of the services. Interment at Riverview.

Mrs. Andrew Reed.

Mrs. Andrew Reed, aged 69 years, died at the home of her daughter, Mrs. Harry Hendley, in the West End, yesterday afternoon of erysipelas. Mrs. Reed returned from a visit with her friends at Lockport, N. Y., about three weeks ago and was taken suddenly ill. She is survived by a large family who nearly all reside in this city.

terday afternoon of erysipelas. Mrs. Reed returned from a visit with her friends at Lockport, N. Y., about three weeks ago and was taken suddenly ill. She is survived by a large family who nearly all reside in this city.

Miss Fannie Bryan.

Miss Fannie Bryan, aged 25 years, died at 4 o'clock this morning at the home of her parents, Mr. and Mrs. Alex Bryan, of Third street, near Jefferson. She had been ill six weeks from pneumonia. The funeral services will be held at the residence at 1 o'clock Monday afternoon and the interment will be made in Spring Grove cemetery.

Mrs. James Welch.

The funeral services over the remains of Mrs. James Welch, who died at her home near the Township Line school house, Friday morning, will be held at her late home next Monday afternoon at 1:30 o'clock. Interment will be made in the Township Line cemetery.

Mrs. W. H. Peirsoll.

Mrs. W. H. Peirsoll, aged 64, of West Bridgewater, Pa., mother of Mrs. R. J. Marshall, of the East End, died at her home yesterday. The funeral took place at 2 o'clock today, the interment being at Beaver cemetery.

Dr. George O. Wells.

Dr. Joseph A. Wells, aged 21 years, died at the home of his parents in Pittsburg of pneumonia. He was well known in this city and Wellsville. The interment will be made in the latter city Monday.

## FRIENDS AND VISITORS

John Howard left today for a visit with friends at Beaver Falls and other Pennsylvania towns. He will be absent several days.

S. J. Warner, who has been ill at his home on Second street suffering from an attack of fever, is recovering and will be able to resume his duties in one of the river potteries soon.

## WELLSVILLE

## WEEK OF PRAYER

Has Been Daily Observed in Wellsville With Most Profitable Services.

The week of prayer was very profitable spent by the congregations of the local churches. Union services were held at 2 o'clock every afternoon in different churches.

On Monday afternoon the service was held at the United Presbyterian church, and the pastor, Rev. W. M. Glasgow, conducted the meeting. Tuesday the meeting was held at the First Presbyterian church by Rev. Mr. Tawert. Wednesday at the Christian church by Rev. Mr. Prewitt. Thursday at the Evangelical church by Rev. Mr. Vandersall and last evening the meeting was held at the Second Presbyterian church by the pastor, Rev. Mr. McKee. The subject of the sermon last evening was "Special Work for the Young—Families and Schools."

Revival meetings have been held every evening during the past week at the Third street Bethel mission. The attendance has been good each evening and Rev. Mr. Vandersall, the pastor, has decided to continue the meetings for next week.

## A BOY'S WILD RIDE

Thrown from a Vehicle to the Street By a Runaway Horse.

A horse belonging to the Wellsville cream laundry and hitched to a delivery wagon became frightened at a street car yesterday afternoon in the neighborhood of the Lisbon street bridge and ran off. Tom Bell, the lad who was in charge of the vehicle, could not control the frightened animal.

When the horse reached the building at the soap works on Third street the box of the vehicle was pitched from its wheels and the horse continued to run up Third street and down Broadway, where it was finally stopped.

The boy, who was too scared to jump, took a severe tumble with the wagon box, but when picked up by Steel Inspector Dalton and another man who was standing nearby, it was found that he was not severely hurt and was able to take charge of the horse again. No damage was done other than the wagon box being crushed up somewhat.

## Board of Health Report.

The annual report of the city board of health, which was prepared by Health Officer Dr. M. C. Tarr and Secretary E. C. Taylor, has been sent to the secretary of the state board of health at Columbus. The report in full follows: Total deaths in the city, 127; premature and still births, 147; deaths from infectious diseases, 10; deaths, 174; nuisances reported and abated, 130. The report does not show the number of nuisances which have been reported to the board that have been abated.

## Entertained Friends.

Miss Blanche McLean entertained a number of her friends last evening at her home on Broadway, between Fifth and Sixth streets. She was assisted by her sister, Miss Bessie McLean, and Mrs. David McLean and Mrs. McLean. Cards and music were played during the early part of the evening. Dancing was also indulged in. Refreshments were served at a late hour.

## Officer Davis May Resign.

That Officer Howard Davis has been contemplating a resignation has been a rumor that has been circulating about the city to the effect that he will soon resign his position on the police force and go to Pittsburgh. He will not talk upon the subject. It is proved one of the best night watchmen Wellsville has ever had.

## Mission Society Meeting.

The regular meeting of the Women's Foreign Missionary society of the United Presbyterian church was held last evening at the church. Regular, monthly reports were given and other regular business transacted.

will spend Sunday with Pittsburg relatives.

William Peck, of this city, spent yesterday in Wheeling on business.

Mrs. Sarah Bennett, of Smith's Ferry, Pa., is visiting friends in the city. E. O. Floyd, of Cleveland, is visiting friends in this city for a few days.

Miss Flora Campman, of Liverpool street, is visiting friends in Salineville.

Miss Elizabeth Stewart, of Toronto, is spending a few days with friends here.

M. R. Wilkins, of Pittsburg, is spending a few days in the city with relatives.

C. W. Hain, of Columbus, is spending a day or two in the city with friends.

Miss E. Parker, of this city, is spending a few days visiting friends in Wheeling.

Mr. and Mrs. J. W. Reilly, of Fifth street, went to Pittsburg yesterday to visit friends.

Miss Anna Campbell, of Hill street, has returned from a visit with friends in Salineville.

Mr. and Mrs. Robert Lichtenberger, of Bellaire, are visiting friends in Coto for a few days.

Stella Hale, of Main street, went to Pittsburg yesterday. She will visit friends for a few days.

Mr. and Mrs. Walter McGaffie, of Tenth street, are visiting friends in Alliance for a few days.

G. L. Callahan, of Chicora, Pa., is in the city visiting friends. He will remain for a day or two.

J. H. Deveny, F. H. Hall and J. DeWald, all of Cleveland, have returned from a short business trip to the city.

Ralph Miller, and sister, Eva, of Port Homer, came up the river yesterday to enjoy the skating at West End Park.

C. W. Aten, of Nevada street, who has been visiting his parents in Bellevue, Ohio, for the past three weeks, returned to his home here yesterday.

Mr. and Mrs. Howard Davis, who were married on Thursday evening, left last evening on the steamer Greenwood for Brighton, W. Va., on a wedding trip.

## CHRISTOPHER HORTON

Has Consented to Allow His Name to Be Announced For City Treasurer.

Announcement is made in another column of the candidacy of Christopher Horton for the position of city treasurer at the coming city primaries. Mr. Horton is one of the best known and most popular men in the community. He has been a resident of the city for the past 16 years, and during that time has been steadily employed as an operative pitter in the several manufacturing establishments of the city. Mr. Horton is a gentleman of sterling integrity and his qualifications to fill the position in a manner satisfactory to the citizens generally, cannot be questioned. There will doubtless be a number of candidates for the position, but there will be none more capable nor competent to attend to the duties of the position than Mr. Horton. He has been a life long Republican, and has in the past 15 years been a faithful worker for its best interests.

Mr. Horton's name is presented for the consideration of the Republican voters of this city by a host of friends who believe in his ability, and insist that his service to the party and record as a public spirited citizen will be of sufficient merit to make that consideration favorable.

Fine Job Printing—News Review.

## TALK ON FARMING

Institute Held at Lisbon Abounded in Good Speeches and Aroused Much Interest.

## BRAINS ARE IN DEMAND

In the Agricultural Field as Elsewhere—Why Young Men Leave the Rural Districts—Valuable Hints On Farming For Profit.

Lisbon, January 10.—(Special).—The capacity of the court room was taxed yesterday afternoon and evening to accommodate the crowds in attendance at the Central Farmers' institute.

Music by the blind trio concert company enlivened each of the sessions, all of which have been very interesting and profitable.

At the morning session yesterday the state lecturers each made an address. Charles McIntyre on "Swine Feeding for Profit" and John L. Shawver on "The Orchard." J. P. Bailey read a paper on "The Farmer and the Schools."

Senator C. C. Connell, in behalf of Mayor Farrell, extended an official welcome to those in attendance in a few solicitous words at the opening of the afternoon session. He referred to the fact that this is the eleventh successive year an institute has been held in Lisbon, and that nearly all of them have been held in the court room. Mr. Connell said every one present, although not all were farmers, should receive some benefit from such a gathering. At this session Mr. McIntyre spoke on the subject "Increasing the Effectiveness of Barnyard Manure."

He considered the topic from a scientific standpoint, showing the need of manure sheds if the best results are to be obtained and explaining how the fertilizing quantities can be brought out by the addition of other substances.

Mr. Shawver spoke on "The Problem of Hired Help," which in many instances, he said, is one of the most difficult the farmer has to solve. One reason given by young men for their desire to leave the farm is that when there are hired hands they are not treated well. He did not believe this was true in Ohio except in a few communities he had found, where the farm hand was treated no better than the domestic animals, being isolated in huts away from the family and having their meals taken to them. He exploded the idea that the young man has to work longer and harder on the farm than in the city.

Judge Firestone, of Lisbon, made a few pointed remarks on the topic. The evening session was more of a literary and musical character. C. P. Rothwell made the opening address, in which he advanced and well established the idea that good business sense is as requisite to the successful management of a farm as any other business. Mr. McIntyre also spoke of the need of brains on the farm, as well as in other walks of life, and Mr. Shawver dwelt on the farmer's interest in the aesthetic phase of life. Interesting features of this session were recitations by Miss Mame Lodge and Miss Galbreath and music by Prof. Davis and the blind trio.

Mr. McIntyre made the opening address at the session of this morning on "Feeding Farm Animals." He contended that intelligent discrimination is required on the selection of food for animals and then went on to show the percentage of fat, blood and muscle producing elements in the ordinary food as analyzed. When food stuffs are deficient in the fattening of animals, he recommended the mixture of other ingredients.

The farmer must acquaint himself with the proper care and feeding of animals before he can raise them at a profit.

A Question of Moment.

To the Editor of the News Review.

If one of the teams racing on Fifth street, by the express permission and sanction of Mayor Davidson, should run over and kill a child when the child is lawfully using that street, could damages be collected by the parents from the city? Please answer.

## HARD'S

## SOUTH SIDE

## FAIR AND FESTIVAL

At Rock Springs Park For Benefit of the Sacred Heart Church.

The ladies of the Sacred Heart congregation, at a meeting at the home of Mrs. C. P. Harrigan, completed arrangements for three booths and tables for the fair and festival to be held at Rock Springs park the evenings of January 29, 30 and 31. The tables and booths will be under the supervision of Mrs. H. S. Plankington and will be distinguished by their colors.

The C. M. B. A. booth, purple, will be in charge of Mrs. W. F. Conklin and Mrs. J. E. Webster, aides, Mrs. Pyror and Mrs. Hughes, of East Liverpool; Mrs. Powell, Miss Quinn, Miss McDermott and others.

Lemonade booth, red, white and blue, will be in charge of Miss Nell Branchlong; aides, Mrs. C. A. Cooper, and Etta Harmon, of Chester; Celia De Temple, Lucy Drabell.

Candy booth, red and yellow, will be in charge of Miss Laura McElyer and Miss Mary Conklin; aides, Clara Margraff, Anna Mallory, of East Liverpool; Mammie Jackson, of Chester.

Supper table No. 1, Ancient Order of Hibernians, green and white. In charge of Mrs. Thomas Kenney and Mrs. Patrick Burns; aides, Mrs. McBride, Julia Bricein, of East Liverpool; Mrs. Lanning, Sadie Fronton, Maude Colley, Lottie Buxton, Nellie Evans, Pamie Maley, of Chester.

Supper table No. 2, Knights of Columbus, white, will be in charge of Mrs. J. C. Calhoun and Mrs. C. P. Harrigan; aides, Margaret Callahan, Anna McGinnis, Mrs. Henry Deaken of East Liverpool; Anna Harrigan, of Wellsville; Julia and Mary Connors, of Chester.

Table No. 3, Ice cream and cake, pink and green, will be in charge of Mrs. J. A. Sailing and Mrs. Mary Smith; aides, Misses Jenkins, Miss O'Herron, Miss Maloney, Miss Johanning, Miss Sahling, of East Liverpool; Miss Daum, of Chester.

The orange tree, will be in charge of Miss Florence Manning, Hannah Harrigan, of Wellsville; Mary and Ada Webster, of Chester.

As the ladies of Sacred Heart con-

gregation are so few in number, a general call is made to Catholic ladies of East Liverpool and Wellsville and ladies of all denominations who wish to assist during the fair and festival at tables and booths, their help will be thankfully received by the ladies of the congregation. They will kindly give their name and address to Mrs. C. P. Harrigan, secretary, California avenue, Chester.

## After Coal Lands.

It is probable that a big tract of coal lands, embracing about 8,000 acres, lying in Hancock and adjoining counties may be opened soon. J. A. Swearingen, of Poe, Pa., was a business visitor in Chester yesterday, his object being to meet several capitalists with a view of disposing of his leases on these lands. With the possibility of increased railroad facilities in Hancock county in the spring, these coal lands are materially increased in value, and if any definite steps were taken by the railroad soon to extend their lines the lands will increase in value many thousand dollars.

## Thrown Out of a Sleigh.

An exciting runaway occurred last night between Asbury M. E. church and Chester. After the regular services Rev. E. C. Lindsay, together with James Kevan and Grover Severs, started home in a sleigh. Before they had proceeded far something about the sleigh gave way, frightening the horse. The animal began running and threw all the occupants from the sleigh. The vehicle was demolished completely and all three had to walk home. The horse was stopped after dragging the driver, Severs, about 100 feet. Luckily no one was injured except a slight scratch on Severs' leg above the knee.

## Funeral of Lloyd Priest.

The funeral services of Lloyd Priest were held this morning at the house at 10 o'clock. A large crowd attended the services, as the young man had a large number of friends who gathered to pay their last respects to him. Rev. E. C. Lindsay preached a short sermon, after which the remains were taken to Locust Hill for interment.

## CHESTER NOTES.

William Householder is seriously ill with an attack of neuritis.

Lauren Clark, of Chester, left this morning to begin work at Wellsville at the barber trade.

George Hardman, of Carolina avenue, is entertaining Mrs. William Hardman, of Roanoke, Va.

## The Spirit of Winter.

The Spirit of Winter is with us, making its presence known in many different ways—sometimes by cheery sunshine and glistering snows, and sometimes by driving winds and blinding storms. To many people it seems to take a delight in making bad things worse, for rheumatism twists harder, twinges sharper, catarrh becomes more annoying, and the many symptoms of scrofula are developed and aggravated. There is not much poetry in this, but there is truth, and it is a wonder that more people don't get rid of these ailments. The medicine that cures them—Hood's Sarsaparilla—is easily obtained and there is abundant proof that its cures are radical and permanent.

gregation are so few in number, a general call is made to Catholic ladies of East Liverpool and Wellsville and ladies of all denominations who wish to assist during the fair and festival at tables and booths, their help will be thankfully received by the ladies of the congregation. They will kindly give their name and address to Mrs. C. P. Harrigan, secretary, California avenue, Chester.

## After Coal Lands.

It is probable that a big tract of coal lands, embracing about 8,000 acres, lying in Hancock and adjoining counties may be opened soon. J. A. Swearingen, of Poe, Pa., was a business visitor in Chester yesterday, his object being to meet several capitalists with a view of disposing of his leases on these lands. With the possibility of increased railroad facilities in Hancock county in the spring, these coal lands are materially increased in value, and if any definite steps were taken by the railroad soon to extend their lines the lands will increase in value many thousand dollars.

## Thrown Out of a Sleigh.

An exciting runaway occurred last night between Asbury M. E. church and Chester. After the regular services Rev. E. C. Lindsay, together with James Kevan and Grover Severs, started home in a sleigh. Before they had proceeded far something about the sleigh gave way, frightening the horse. The animal began running and threw all the occupants from the sleigh. The vehicle was demolished completely and all three had to walk home. The horse was stopped after dragging the driver, Severs, about 100 feet. Luckily no one was injured except a slight scratch on Severs' leg above the knee.

## Funeral of Lloyd Priest.

The funeral services of Lloyd Priest were held this morning at the house at 10 o'clock. A large crowd attended the services, as the young man had a large number of friends who gathered to pay their last respects to him. Rev. E. C. Lindsay preached a short sermon, after which the remains were taken to Locust Hill for interment.

## CHESTER NOTES.

William Householder is seriously ill with an attack of neuritis.

Lauren Clark, of Chester, left this morning to begin work at Wellsville at the barber trade.

George Hardman, of Carolina avenue, is entertaining Mrs. William Hardman, of Roanoke, Va.

## The Spirit of Winter.

The Spirit of Winter is with us, making its presence known in many different ways—sometimes by cheery sunshine and blustering snows, and sometimes by driving winds and blinding storms. To many people it seems to take a delight in making bad things worse, for rheumatism twists harder, twinges sharper, catarrh becomes more annoying, and the many symptoms of scrofula are developed and aggravated. There is not much poetry in this, but there is truth, and it is a wonder that more people don't get rid of these ailments. The medicine that cures them—Hood's Sarsaparilla—is easily obtained and there is abundant proof that its cures are radical and permanent.

## A BOY'S WILD RIDE

Thrown from a Vehicle to the Street  
By a Runaway  
Horse.

A horse belonging to the Wellsville  
Steam Laundry and hitched to a deliv-  
ery wagon became frightened at a  
street car yesterday afternoon in the  
neighborhood of the Lisbon street  
car and ran off. Tom Bell, the lad  
who was in charge of the vehicle,  
could not control the frightened ani-  
mal.

When the horse reached the building  
of the soap works on Third street  
the box of the vehicle was pitched  
from its wheels and the horse contin-  
ued to run up Third street and down  
Broadway, where it was finally  
stopped.

The boy, who was too scared to  
jump, took a severe tumble with the  
wagon and when picked up by  
street Inspector Dalton and another  
man who was standing nearby, it was  
found that he was not severely hurt  
and was able to take charge of the  
horse again. No damage was done  
other than the wagon box being  
cracked up somewhat.

## Board of Health Report.

The annual report of the city board  
of health, which was prepared by  
health officer Dr. M. C. Tarr and Sec-  
retary E. C. Taylor, has been sent to  
the secretary of the state board of  
health at Columbus. The report in-  
cludes the following: Total deaths in  
the city, 127; premature and still births,  
147; infectious diseases, 10;  
other diseases, 174; nuisances reported  
and abated, 150. The report does not show  
the number of nuisances which have  
been reported to the board that have  
been abated.

## Entertained Friends.

Miss Blanche McLean entertained a  
party of her friends last evening at  
her home on Broadway, between  
Third and Fifth streets. She was as-  
sisted by her sister, Miss Bessie Mc-  
Lean, and Mrs. David McLean and Mr.  
and Mrs. McLean. Cards and music were  
served during the early part of the  
evening. Dancing was also indulged in.  
Refreshments were served at a late  
hour.

## Officer Davis May Resign.

It is rumored that Officer Howard Davis  
has decided to resign his position on the  
police force and go to Pittsburg.  
He will not talk upon the subject  
until he has proved one of the best night  
men Wellsville has ever had.

## Mission Society Meeting.

A regular meeting of the Women's  
Missionary Society of the United Presby-  
terian church was held last evening at the church.  
Regular, monthly reports were  
made and regular business trans-

BIG CROWDS HEARD  
TALK ON FARMING

Institute Held at Lisbon Abounded  
in Good Speeches and Aroused  
Much Interest.

## BRAINS ARE IN DEMAND

In the Agricultural Field as Elsewhere  
—Why Young Men Leave the Rural  
Districts—Valuable Hints On Farm-  
ing For Profit.

Lisbon, January 10.—(Special.)—

The capacity of the court room was  
taxed yesterday afternoon and evening  
to accommodate the crowds in atten-  
dance at the Central Farmers' insti-  
tute.

Music by the blind trio concert com-  
pany enlivened each of the sessions, all  
of which have been very interesting  
and profitable.

At the morning session yesterday  
the state lecturers each made an ad-  
dress. Charles McIntyre on "Swine  
Feeding for Profit" and John L. Shaw-  
ver on "The Orchard." J. P. Bailey  
read a paper on "The Farmer and the  
Schools."

Senator C. C. Connell, in behalf of  
Mayor Farrell, extended an official wel-  
come to those in attendance in a few  
soliloquies words at the opening of the  
afternoon session. He referred to the  
fact that this is the eleventh suc-  
cessive year an institute has been held  
in Lisbon, and that nearly all of them  
have been held in the court room. Mr.  
Connell said every one present, al-  
though not all were farmers, should  
receive some benefit from such a  
gathering. At this session Mr. McIn-  
tyre spoke on the subject "Increasing  
the Effectiveness of Barnyard Ma-  
nure."

He considered the topic from a sci-  
entific standpoint, showing the need  
of manure sheds if the best results  
are to be obtained and explaining how  
the fertilizing quantities can be  
brought out by the addition of other  
substances.

Mr. Shawver spoke on "The Prob-  
lem of Hired Help," which in many  
instances, he said, is one of the most  
difficult the farmer has to solve. One  
reason given by young men for their  
desire to leave the farm is that  
when there are hired hands they are  
not treated well. He did not believe  
this was true in Ohio except in a few  
communities he had found, where the  
farm hand was treated no better than  
the domestic animals, being isolated  
in huts away from the family and  
having their meals taken to them. He  
explored the idea that the young man  
has to work longer and harder on  
the farm than in the city.

Judge Firestone, of Lisbon, made a  
few pointed remarks on the topic.  
The evening session was more of a  
literary and musical character. C. P.  
Rothwell made the opening address,  
in which he advanced and well estab-  
lished the idea that good business  
sense is as requisite to the successful  
management of a farm as any other  
business. Mr. McIntyre also spoke of  
the need of brains on the farm, as well  
as in other walks of life, and Mr.  
Shawver dwelt on the farmer's inter-  
est in the aesthetic phase of life. In-  
teresting features of this session were  
recitations by Miss Mame Lodge and  
Miss Galbreath and music by Prof.  
Davis and the blind trio.

Mr. McIntyre made the opening ad-  
dress at the session of this morning on  
"Feeding Farm Animals." He con-  
tended that intelligent discrimination  
is required on the selection of food  
for animals and then went on to  
show the percentage of fat, blood and  
muscle producing elements in the or-  
dinary food as analyzed. When food  
stuffs are deficient in the fattening of  
animals, he recommended the mixture  
of other ingredients.

The farmer must acquaint himself  
with the proper care and feeding of  
animals before he can raise them at a  
profit.

## A Question of Moment.

To the Editor of the News Review.

If one of the teams racing on Fifth  
street, by the express permission and  
sanction of Mayor Davidson, should  
run over and kill a child when the  
child is lawfully using that street,  
could damages be collected by the par-  
ents from the city? Please answer.

## FAIR AND FESTIVAL

At Rock Springs Park For Benefit of  
the Sacred Heart Church.

The ladies of the Sacred Heart con-  
gregation, at a meeting at the home of  
Mrs. C. P. Harrigan, completed ar-  
rangements for three booths and ta-  
bles for the fair and festival to be held  
at Rock Springs park the evenings of  
January 29, 30 and 31. The tables and  
booths will be under the supervision  
of Mrs. H. S. Plankington and will be  
distinguished by their colors.

The C. M. B. A. booth, purple, will be  
in charge of Mrs. W. F. Conklin and  
Mrs. J. E. Webster; aides, Mrs. Pyror  
and Mrs. Hughes, of East Liverpool;  
Mrs. Powell, Miss Quinn, Miss Mc-  
Dermott and others.

Lemonade booth, red, white and  
blue, will be in charge of Miss Neil  
Branchington; aides, Mrs. C. A. Cooper  
and Etta Harmon, of Chester; Coila  
De Temple, Lucy Drabell.

Candy booth, red and yellow, will be  
in charge of Miss Laura McFarmer  
and Miss Mary Conklin; aides, Clara Mar-  
graff, Anna Mallory, of East Liver-  
pool; Mammie Jackson, of Chester.

Supper table No. 1, Ancient Order  
of Hibernians, green and white. In  
charge of Mrs. Thomas Kenney and  
Mrs. Patrick Burns; aides, Mrs. Mc-  
Bride, Julia Brechin, of East Liver-  
pool; Mrs. Lanning, Sadie Fronton,  
Maude Colley, Lottie Buxton, Nellie  
Evans, Pammie Maley, of Chester.

Supper table No. 2, Knights of Co-  
lumbus, white, will be in charge of  
Mrs. J. C. Calhoun and Mrs. C. P.  
Harrigan; aides, Margaret Callahan,  
Anna McGinnis, Mrs. Henry Deaken  
of East Liverpool; Anna Harrigan, of  
Wellsville; Julia and Mary Connors,  
of Chester.

Table No. 3, ice cream and cake,  
pink and green, will be in charge of  
Mrs. J. A. Sailing and Mrs. Mary  
Smith; aides, Misses Jenkins, Miss  
O'Herron, Miss Maloney, Miss Johan-  
ning, Miss Sahling, of East Liverpool;  
Miss Daum, of Chester.

The orange tree, will be in charge of  
Miss Florence Manning, Hannah Har-  
rigan, of Wellsville; Mary and Ada  
Webster, of Chester.

As the ladies of Sacred Heart con-

gregation are so few in number, a gen-  
eral call is made to Catholic ladies  
of East Liverpool and Wellsville and  
ladies of all denominations who wish  
to assist during the fair and festival  
at tables and booths, their help will  
be thankfully received by the ladies of  
the congregation. They will kindly  
give their name and address to Mrs.  
C. P. Harrigan, secretary, California  
avenue, Chester.

## After Coal Lands.

It is probable that a big tract of coal  
lands, embracing about 8,000 acres,  
lying in Hancock and adjoining coun-  
ties may be opened soon. J. A.  
Swearingen, of Poe, Pa., was a busi-  
ness visitor in Chester yesterday, his  
object being to meet several capital-  
ists with a view of disposing of his  
leases on these lands. With the possi-  
bility of increased railroad facilities  
in Hancock county in the spring, these  
coal lands are materially increased in  
value, and if any definite steps were  
taken by the railroad soon to extend  
their lines the lands will increase in  
value many thousand dollars.

## Thrown Out of a Sleigh.

An exciting runaway occurred last  
night between Asbury M. E. church  
and Chester. After the regular serv-  
ices Rev. E. C. Lindsay, together with  
James Kevan and Grover Severs,  
started home in a sleigh. Before they  
had proceeded far something about the  
sleigh gave way, frightening the horse.  
The animal began running and threw  
all the occupants from the sleigh. The  
vehicle was demolished completely and  
all three had to walk home. The horse  
was stopped after dragging the driver,  
Severs, about 100 feet. Luckily no one  
was injured except a slight scratch on  
Severs' leg above the knee.

## Funeral of Lloyd Priest.

The funeral services of Lloyd  
Priest were held this morning at the  
house at 10 o'clock. A large crowd at-  
tended the services, as the young man  
had a large number of friends who  
gathered to pay their last respects to  
him. Rev. E. C. Lindsay preached a  
short sermon, after which the remains  
were taken to Locust Hill for interment.

## CHESTER NOTES.

William Householder is seriously ill  
with an attack of neuraltia.

Lauren Clark, of Chester, left this  
morning to begin work at Wellsville  
at the barber trade.

George Hardman, of Carolina ave-  
nue, is entertaining Mrs. William  
Hardman, of Roanoke, Va.

## The Spirit of Winter.

The Spirit of Winter is with us,  
making its presence known in many  
different ways—sometimes by cheery  
sunshine and glistening snows, and  
sometimes by driving winds and blind-  
ing storms. To many people it seems  
to take a delight in making bad  
things worse, for rheumatism twists  
harder, twinges sharper, catarrh be-  
comes more annoying, and the many  
symptoms of scrofula are developed  
and aggravated. There is not much  
poetry in this, but there is truth, and  
it is a wonder that more people don't  
get rid of these ailments. The medi-  
cine that cures them—Hood's Sar-  
saparilla—is easily obtained—and  
there is abundant proof that its cures  
are radical and permanent.

Nos. 17, 19, 21, 23, 25, 27, 29, 31, 33, 35, 37, 39, 41, 43, 45, 47, 49, 51, 53, 55, 57, 59, 61, 63, 65, 67, 69, 71, 73, 75, 77, 79, 81, 83, 85, 87, 89, 91, 93, 95, 97, 99, 101, 103, 105, 107, 109, 111, 113, 115, 117, 119, 121, 123, 125, 127, 129, 131, 133, 135, 137, 139, 141, 143, 145, 147, 149, 151, 153, 155, 157, 159, 161, 163, 165, 167, 169, 171, 173, 175, 177, 179, 181, 183, 185, 187, 189, 191, 193, 195, 197, 199, 201, 203, 205, 207, 209, 211, 213, 215, 217, 219, 221, 223, 225, 227, 229, 231, 233, 235, 237, 239, 241, 243, 245, 247, 249, 251, 253, 255, 257, 259, 261, 263, 265, 267, 269, 271, 273, 275, 277, 279, 281, 283, 285, 287, 289, 291, 293, 295, 297, 299, 301, 303, 305, 307, 309, 311, 313, 315, 317, 319, 321, 323, 325, 327, 329, 331, 333, 335, 337, 339, 341, 343, 345, 347, 349, 351, 353, 355, 357, 359, 361, 363, 365, 367, 369, 371, 373, 375, 377, 379, 381, 383, 385, 387, 389, 391, 393, 395, 397, 399, 401, 403, 405, 407, 409, 411, 413, 415, 417, 419, 421, 423, 425, 427, 429, 431, 433, 435, 437, 439, 441, 443, 445, 447, 449, 451, 453, 455, 457, 459, 461, 463, 465, 467, 469, 471, 473, 475, 477, 479, 481, 483, 485, 487, 489, 491, 493, 495, 497, 499, 501, 503, 505, 507, 509, 511, 513, 515, 517, 519, 521, 523, 525, 527, 529, 531, 533, 535, 537, 539, 541, 543, 545, 547, 549, 551, 553, 555, 557, 559, 561, 563, 565, 567, 569, 571, 573, 575, 577, 579, 581, 583, 585, 587, 589, 591, 593, 595, 597, 599, 601, 603, 605, 607, 609, 611, 613, 615, 617, 619, 621, 623, 625, 627, 629, 631, 633, 635, 637, 639, 641, 643, 645, 647, 649, 651, 653, 655, 657, 659, 661, 663, 665, 667, 669, 671, 673, 675, 677, 679, 681, 683, 685, 687, 689, 691, 693, 695, 697, 699, 701, 703, 705, 707, 709, 711, 713, 715, 717, 719, 721, 723, 725, 727, 729, 731, 733, 735, 737, 739, 741, 743, 745, 747, 749, 751, 753, 755, 757, 759, 761, 763, 765, 767, 769, 771, 773, 775, 777, 779, 781, 783, 785, 787, 789, 791, 793, 795, 797, 799, 801, 803, 805, 807, 809, 811, 813, 815, 817, 819, 821, 823, 825, 827, 829, 831, 833, 835, 837, 839, 841, 843, 845, 847, 849, 851, 853, 855, 857, 859, 861, 863, 865, 867, 869, 871, 873, 875, 877, 879, 881, 883, 885, 887, 889, 891, 893, 895, 897, 899, 901, 903, 905, 907, 909, 911, 913, 915, 917, 919, 921, 923, 925, 927, 929, 931, 933, 935, 937, 939, 941, 943, 945, 947, 949, 951, 953, 955, 957, 959, 961, 963, 965, 967, 969, 971, 973, 975, 977, 979, 981,

# Fits

**Baby Had Two to Six Every Day.**

**Suffered Terribly—Doctors Failed.**

**Dr. Miles' Nervine Cured Him.**

Weak, nervous, fretful, puny children require a treatment such as only Dr. Miles' Nervine affords. When neglected these symptoms lead to epileptic fits or spasms. Every mother should strengthen her own and babies' nerves with Dr. Miles' Nervine, a true specific in all nervous disorders. Read the following:

"When my little boy was 18 months old he had cramps in his feet and hands. They would be drawn out of shape for two or three days. At first I thought it was a cold, but the doctor gave him. We called another doctor but his medicine did no good so we changed to another who called it spinal disease. By this time the child's body was drawn out of shape, his backbone was curved to one side and his hands and feet out of shape. His sufferings were terrible, and he was having from two to six fits a day. I was taking Dr. Miles' Restorative Nervine for nervous trouble and saw it was recommended for fits, so I thought I would see if it would help him. I bought three bottles and gave him up. One-half bottle stopped the fits and his limbs straightened, and another bottle cured him. He is now a strong, healthy boy going to school. I have wanted to see if the old trouble returned, before writing you, but it never has. I cannot praise Dr. Miles' Nervine enough, as I know it saved my boy's life."—MRS. URSULA NELSON, Lansing, Iowa.

All druggists sell and guarantee first bottle Dr. Miles' Remedies. Send for free book on Nervous and Heart Diseases. Address Dr. Miles Medical Co., Elkhart, Ind.

**Mrs. Miller Sentenced.**

Columbus, O., Jan. 10.—Mrs. Anna T. Miller, convicted of conspiracy and misuse of the mails in an alleged attempt to blackmail certain prominent business men of Columbus, was sentenced to 12 months in the penitentiary by Judge Thomson, in the United States court, yesterday. Thomas E. Steele, her attorney, convicted on the same charges, whose motion for a new trial was to have been argued yesterday, did not appear in court. He is under \$3,000 bond, and has been absent from the city for more than a week, and his most intimate friends say they have no information of his whereabouts. Mrs. Miller's husband, Joseph P. Miller, and his attorney, Ivor Hughes, are also under indictment on the charge of using the mails to defraud.

## PAIN IN STOMACH

Rumbling of gas, sour liquids arising in the mouth, distress after eating—be honest, you have had to diet, live on bland foods, and have tried many physicians' treatments and medicines, which only relieve and still you are troubled.

### SOLEMN PROTEST IS REGISTERED

THE M. P. CHURCH STRONGLY AGAINST SUNDAY RACING.

Scenes On Streets Described As a Disgrace to the City And An Insult to Christians.

The official board of the M. P. church last Monday appointed Robert Burford, Joel B. Taylor and Henry Smith to consider action on the part of the church against Sunday racing. A report, submitted to a church meeting last night and adopted, is as follows:

Whereas, we, the members of the Methodist Protestant church, believing that God has set apart one day of the week, commonly known as the Lord's day, for rest from all worldly and unnecessary labor and amusements, and for Divine worship, and

Whereas, the laws of the state of Ohio prohibit all desecration of the Lord's day and enjoin all citizens to abstain on that day from their worldly pursuits and from all amusements which would give offense to law-abiding people, therefore be it

Resolved, That the scenes witnessed on Fifth street, in this city, Sunday afternoon, December 28, 1902, the fast driving, horse racing, the noise and disorder, were in clear violation of the law of God, and of the laws of the state of Ohio, a menace to public order and morality, a disgrace to the city and its authorities, and a wanton insult to all Christian and other citizens who respect the laws of God and of the state of Ohio.

Resolved, That the mayor and police in conniving at or permitting such violations of office and of the sacred trust committed to their keeping by their fellow citizens, and that they deserve the censure of all upright and honorable men for their neglect of duty.

Resolved, That we solemnly protest against a recurrence of such wicked and scandalous scenes as those mentioned, and that we call on the mayor and the police to enforce the laws against Sabbath breaking and all other violations of law and order.

Resolved, That we disclaim all thought and purpose of interfering in any manner or degree with any man's rights, and that all we ask is the faithful enforcement of the laws.

### RIVER EXTENSION OF THE WABASH

TORONTO HAS ASSURANCE THAT IT IS SURELY COMING.

Ten Times the Original Estimate Spent for Rights of Way—Contracts Soon to be Let.

Toronto, January 10.—Information gathered from various sources, coming directly or indirectly from men who have inside information about Wabash railway affairs, when all summed up, gives plenty of assurance that the up-river extension has been by no means abandoned. On the other hand

it gives assurance that the line will be built, that contracts may be let for the construction work any time.

A Steubenville man who has inside information says he knows positively that the Wabash up-river branch would now be completed if the company had not met with such opposition and demands for fabulous prices for lands for right of way. He said the Wabash had calculated that an expenditure of \$15,000 would procure the right of way, but that \$150,000—ten times the estimated amount—has already been spent. He volunteered the information that only a few minor details remain to be adjusted and the Wabash will have its right of way all complete as far as Empire.

He also said he knew positively that had the Wabash management known how much it was going to cost and the annoyances they were going to meet in coming up the river, the first step toward coming up would never have been taken, but that inasmuch as the work was begun and so much money expended before it was seen what the cost was going to be that there is no probability that the work will be abandoned now.

Another well informed man looks for the work on the river extension to go ahead sooner than it might have, had not the Wabash met with the obstacles it has in getting into Pittsburg. Since all the work in the Pittsburg district is suspended, he looks for the work that might have been pushed there to be done elsewhere and expects the Toronto extension to get early attention.

It is authoritatively stated that the contracts for the Toronto extension of the Wabash will be let from the Cleveland office within a fortnight and it is quite likely that local men will secure some of them.

### COURTING DANGER

It is courting danger to stand under icy eaves. Not a few have learned this to their cost. Every winter injury and even death are reported as the result of this carelessness. But there is a far more popular way of courting danger. Every man or woman who neglects a cough is inviting sickness, and many a fatal sickness has its beginning in a slight cough.

The timely use of Dr. Pierce's Golden Medical Discovery will cure the cough. Even when the cough is obstinate and there is hemorrhage with emaciation and weakness, "Golden Medical Discovery" always helps and almost always cures.

"I was troubled with a bad cold, which settled on my lungs and left me with a miserable cough," writes Mr. Joseph D. Burns, of 118 Huestis Street, New York. "I used two bottles of your 'Golden Medical Discovery' after which my cough disappeared entirely. I cannot recommend your medicine too highly."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood, and lungs. Substitution means a little more profit to the dealer but a loss to you.

The Common Sense Medical Adviser, 1008 large pages, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

You can feel the good effects of Hagee's Cordial of Cod Liver Oil and Soda in a short time.

Its purifying, enriching, nourishing influence soon becomes apparent in better appetite; better sleep; better ambition; better hopes and better health. For general debility and weak, impoverished conditions, which are all the more emphasized by winter's winds, Hagee's Cordial is a favorite with thousands of physicians.

They find it palatable and agreeable to the weakest stomach or most sensitive taste. No grease—no fishy flavor—no nausea—so common in other cod liver oils, nothing but the good that does good in Hagee's.

Sold by all druggists. Prepared by Katharon Chemical Co., St. Louis, Mo.

### AT BED TIME I TAKE A PLEASANT HERB DRINK

THE NEXT MORNING I FEEL BRIGHT AND NEW AND MY COMPLEXION IS BETTER.

My doctor says it acts gently on the stomach, liver and bowels and is a pleasant laxative. This drink is made from herbs, and is prepared for use as easily as tea. It is called "Lancet Tea."

LANE'S FAMILY MEDICINE

All druggists and mail order houses sell it. Sent by mail, 25c. per bottle. Write to J. C. Lane, Family Medicine, 100 N. 3rd St., New York, N. Y.

it gives assurance that the line will be built, that contracts may be let for the construction work any time.

A Steubenville man who has inside information says he knows positively that the Wabash up-river branch would now be completed if the company had not met with such opposition and demands for fabulous prices for lands for right of way. He said the Wabash had calculated that an expenditure of \$15,000 would procure the right of way, but that \$150,000—ten times the estimated amount—has already been spent. He volunteered the information that only a few minor details remain to be adjusted and the Wabash will have its right of way all complete as far as Empire.

He also said he knew positively that had the Wabash management known how much it was going to cost and the annoyances they were going to meet in coming up the river, the first step toward coming up would never have been taken, but that inasmuch as the work was begun and so much money expended before it was seen what the cost was going to be that there is no probability that the work will be abandoned now.

Another well informed man looks for the work on the river extension to go ahead sooner than it might have, had not the Wabash met with the obstacles it has in getting into Pittsburg. Since all the work in the Pittsburg district is suspended, he looks for the work that might have been pushed there to be done elsewhere and expects the Toronto extension to get early attention.

It is authoritatively stated that the contracts for the Toronto extension of the Wabash will be let from the Cleveland office within a fortnight and it is quite likely that local men will secure some of them.

It is courting danger to stand under icy eaves. Not a few have learned this to their cost. Every winter injury and even death are reported as the result of this carelessness. But there is a far more popular way of courting danger. Every man or woman who neglects a cough is inviting sickness, and many a fatal sickness has its beginning in a slight cough.

# Fits

## Baby Had Two to Six Every Day.

### Suffered Terribly—Doctors Failed.

#### Dr. Miles' Nervine Cured Him.

Weak, nervous, fretful, puny children require a treatment such as only Dr. Miles' Nervine affords. When neglected, these symptoms lead to epileptic fits or spasms. Every mother should strengthen her own and babies' nerves with Dr. Miles' Nervine, a true specific in all nervous disorders. Read the following:

"When my little boy was 18 months old he had cramps in his feet and hands. They would be drawn out of shape for two or three days. At first I thought it was a cold, but in about two weeks nothing did him good. The doctor gave him Dr. Miles' Nervine, and he was having from two to six fits a day. I was taking Dr. Miles' Restorative Nervine for nervous trouble and saw it was recommended for fits, so I thought I would see if it would help him. All three doctors had given him up. One half bottle stopped the fits and his limbs straightened, and another bottle cured him. He is now a strong, healthy boy going to school. I have wanted to see if the old trouble returned, before writing you, but it never has. I cannot praise Dr. Miles' Nervine enough, as I know it saved my boy's life."—MRS. URIAH NELSON, Lansing, Iowa.

All druggists sell and guarantee first bottle Dr. Miles' Remedies. Send for free book on Nervous and Heart Diseases. Address Dr. Miles Medical Co., Elkhart, Ind.

**Mrs. Miller Sentenced.**  
Columbus, O., Jan. 10.—Mrs. Anna T. Miller, convicted of conspiracy and misuse of the mails in an alleged attempt to blackmail certain prominent business men of Columbus, was sentenced to 12 months in the penitentiary by Judge Thomson, in the United States court, yesterday. Thomas E. Steele, her attorney, convicted on the same charges, whose motion for a new trial was to have been argued yesterday, did not appear in court. He is under \$2,000 bond, and has been absent from the city for more than a week, and his most intimate friends say they have no information of his whereabouts. Mrs. Miller's husband, Joseph P. Miller, and his attorney, Ivor Hughes, are also under indictment on the charge of using the mails to defraud.

## PAIN IN STOMACH

Rumbling of gas, sour liquids arising in the mouth, distress after eating, be honest, you have had to diet, live on bland foods, and have tried many physicians' treatments and medicines, which only relieve and still you are troubled.

Lancet, London, Oct. 10, 1902, p. 207.

**Dr. Caldwell's (Laxative) Syrup Pepsin**

By far the most reliable and efficacious remedy I have ever known for dyspepsia and kindred stomach disorders. Mild and gentle in its action, it does not simply relieve, but cures permanently. It does not nauseate, as so many medicines are apt to do, but can be used in severe cases when almost anything else would distress one. Several of my friends who have used it have had the same very satisfactory results I have, and I therefore feel it is well worthy of highest endorsement.

Very truly yours, M. C. DALTON, 311 Illinois St. Chicago, Ill., December 15, 1902.

PEPSIN SYRUP CO., Monticello, Ill.  
Gentlemen,—I consider

**"Does not nauseate"**  
It leaves no unpleasant after effects. Send us your name and address if your druggist will not supply you.

**Mrs. Laura S. Webb,**  
Vice-President of Women's Democratic Clubs of Northern Ohio.

**THERE ARE MANY** sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I dreaded the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Take enough preparations should be made in advance. Begin the Wine of Cardui treatment today.

**WINE of CARDUI**

A million suffer from this change of life. I have found relief in your Wine of Cardui.

## SPIRIT OF WORK FELT IN SCHOOLS

### MEETINGS OF TEACHERS

Have Been Encouraging And Inspiring  
—Interesting Methods of Instruc-  
tion in the Lower Grades—Notes  
About Teachers And Pupils.

The past week, which marks the opening of the second school term has been one replete with interesting events. During the week Prof. R. E. Rayman has been in nearly all of the school rooms and expresses himself as much pleased with the work which is being done by both the teachers and pupils. Furthermore he states that the children are as enthusiastic over their school work as though they had not been interrupted by a vacation.

Prof. Rayman, in speaking of the satisfactory work being accomplished, spoke of the progress which is being made in callisthenics, which has a place in the schedule and program of each and every room in the public schools.

#### Among the Teachers.

The past term as well as the past week has been one of interest at the Central building.

The first grade which is taught by Miss Florence Joseph and Miss Florence Harris has been doing excellent work.

There are over one hundred children in this one room, and the school has been divided so that one half are present in the morning and one half in the afternoon.

Although the children have only one half day in school, it is wonderful the progress they are making, and these two teachers are deserving of credit for the excellent work which they are accomplishing with their large school.

The second grade "A," which is taught by Miss Margaret Cuthbert has been much interested in their language and drawing work. Yesterday some very good paper cutting was done in the school and the children were delighted with the work they did in this line.

Miss Mary Jackson, who teaches the second grade "B," has had some interesting work done in connection with the study of the Eskimo. Drawings and illustrations were made which interested the children very much.

One little girl was dressed up in Eskimo costume which made the subject more interesting.

Miss Jackson had the children cut out some paper snow flakes, a subject which the children have been studying. The snow flakes were perfected and represented as flakes, thus arousing the enthusiasm of the children.

In Miss Jackson's school, a number of pretty poems have been committed to memory by the little ones, and thus it is that they are learning to appreciate good poetry as well as concentrating their minds in committing short pieces. The plan has worked excellently.

Miss Naomi Shontz has been teaching her fourth grade pupils the subject of fractions by means of objects which makes the subject which has always been difficult for children one of unusual interest. Then, too, their geography has been a source of enthusiasm in that they have taken the question method and asked and answered each other many questions which were of great importance.

Miss Gladden's fifth grade has always been noted for doing excellent work and board work and since vacation have renewed their enthusiasm in this line. They are about to make some maps of North and South America, which they will draw and cut out of colored paper and mount on another sheet of contrasting color. When completed it is believed the maps will be quite creditable.

Miss Charlotte Ross, teacher of the sixth grade, has been having her pupils occupy a part of their time in composition work. The compositions which they wrote yesterday showed great skill in grammar, drawing and penmanship. They were upon the subject "Snow Flakes."

During the first term some composition writing was done on the subject "Bones" and these were much complimented for their merit and the teachers to encourage such excellent work.

The eighth grade, under the instruction of Miss Angie Moore, is having an interesting study of the Civil War. The attention in this room is especially directed to the conditions in the

53 and on an average 52 pupils are present.

#### Teacher's Meetings.

There were several teachers' meetings during the week. Supt. Rayman called a meeting of the principals on Monday. The meeting was called for the purpose of talking over general matters pertaining to the welfare of the schools.

On Tuesday evening, the regular class for the young teachers and substitutes was held. Several chapters in White's Art of Teaching afforded ample topics for discussion.

Last evening the general meeting of the teachers for the month was called by Superintendent Rayman. From 3:30 o'clock until 5 the time was spent in a most profitable manner and the teachers were benefited by the excellent suggestions of the superintendent.

Prof. Rayman spoke of some of the "Hindrances to the Best Work in the Public Schools." He said that the first hindrance was irregular attendance, which must be obviated by the teachers as much as possible, if they would insist on good work. He further more said that interest must exist between teachers and children and second between children and parents.

Last fall, when a number of prominent educators of the state visited in this city, they spoke of the spirit of work which existed in our public schools, and said they were much impressed with the excellent work done in the schools in this good spirit.

After this interesting short talk by Prof. Rayman, the Industrial Evolution of the United States by Wright was taken up. Miss Clara Beal took the first chapter of the book, and read an excellent paper on "Inception Industries." Miss Beal was followed by C. F. Austin, who spoke in an interesting manner upon "Textile Industries."

The closing talk was given by C. F. Brooke, who had for his theme, "Iron Industry," which was a talk replete with interesting statistics.

#### in the High School.

On January 5, Dr. Pratt gave a very interesting and inspiring talk to the high school students. The talk occupied a few minutes in the chapel service of the opening morning.

Miss Cooper's return to her duties after a brief illness was a source of pleasure to faculty and students.

A part of the day was occupied yesterday giving examinations in several of the different classes. A final examination in English literature was given in the senior class. The sophomores were given an examination in physiology and the final examination in the junior Caesar class took place at the same time.

Miss Maude Scott, of the Freshman class, is ill with typhoid fever.

Miss Helen Starr is absent from school in account of pneumonia.

During the past week Miss Jessie Andrews has been detained from school, due to illness.

Miss Mattie Headley has returned to her duties at school after a serious illness.

#### Among the Pupils.

Miss Myrtle Huet is ill at her home on East Market street.

Camilla Faulk has returned to school after a long and serious illness.

Vada McVey, of Waterloo street, has been out of school on account of illness.

Margaret Hunter is ill at her home on College street.

Helen Boring has been out of school on account of illness.

James Jennings is ill at his home on Avondale street.

Stewart Thompson, who is a pupil in Miss Cuthbert's school, is absent on account of illness.

Sarah Vordrey is confined to her home on Robinson street by illness.

Byron Surgeon is ill at his home on Ravine street.

Vada McCollough, of Lincoln avenue, was absent from school, due to illness.

### CASTRO'S ANSWER ACCEPTABLE

British Foreign Office Declares Its  
Terms Satisfactory—Revolution-  
ists Again Beaten.

Berlin, Jan. 10.—President Castro's acceptance of the arbitration conditions of the allied powers was received yesterday at the foreign office here, where it is regarded as being a long step toward a settlement of the questions in dispute. The foreign office hopes that most of the points will be arranged amicably at the preliminary discussion at Washington before reaching The Hague arbitration court.

London, Jan. 10.—President Castro's reply to the powers, accepting the arbitration conditions of the allies, was delivered to the foreign office yesterday afternoon by Craig Wadsworth, third secretary of the United States embassy. Mr. White, the charge d'affaires, is ill and has been in the country most of the week. It was said at the foreign office that President Castro's reply was entirely acceptable to Great Britain. The question of time for raising the blockade of the Venezuelan coast has not been decided, but is now being discussed between London and Berlin.

Castro, Jan. 10.—The port of Tuc-

## Home Duties

The real heroines of every day are in our homes. Frequently, however, it is a mistaken and useless heroism.

Women seem to listen to every call of duty except the supreme one that tells them to guard their health. How much harder the daily tasks become when some derangement of the female organs makes every movement painful and keeps the nervous system unstrung? Irritability takes the place of happiness and amiability; and weakness and suffering take the place of health and strength. As long as they can drag themselves around, women continue to work and perform their household duties. They have been led to believe that suffering is necessary because they are women. What a mistake!

The use of Lydia E. Pinkham's Vegetable Compound will banish pain and restore happiness. Don't resort to strong stimulants or narcotics when this great strengthening, healing remedy for women is always within reach.

#### FREE MEDICAL ADVICE TO WOMEN.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. No man will see your letter. She can surely help you, for no person in America has such a wide experience in treating female ills as she has had. She has helped hundreds of thousands of women back to health. Her address is Lynn, Mass., and her advice is free. You are very foolish if you do not accept her kind invitation.

For proof read the symptoms, suffering and cure recited in the following letters:

"DEAR MRS. PINKHAM:—I wish to express to you the great benefit I have derived from your advice and the use of Lydia E. Pinkham's Vegetable Compound. My trouble was female weakness in its worst form and I was in a very bad condition. I could not perform my household duties, my back ached, I was extremely nervous, and I could not eat or sleep, and the bearing-down pains were terrible. My husband spent hundreds of dollars to get me well, and all the medicines that the physician said were necessary to restore me to health, but I suffered more after it than I did before; I had hemorrhages of the womb that nothing could seem to stop.

"I noticed one of your advertisements and wrote you for advice. I received your reply and carefully followed all instructions. I immediately began to get stronger, and in two weeks was about the house. I took eight bottles of Lydia E. Pinkham's Vegetable Compound and continued following your advice, and to-day I am a well woman. Your remedies and help are a Godsend to suffering women, and I cannot find words to thank you for what you have done for me."—MRS. LOTTIE V. NAYLOR, 1328 N. J. Ave., N.W., Washington, D. C.

"DEAR MRS. PINKHAM:—I write to tell you what Lydia E. Pinkham's Vegetable Compound has done for me.

"I was suffering with falling of the womb and could hardly drag about, but after taking five bottles of Lydia E. Pinkham's Vegetable Compound I was completely cured. I am now a well woman and able to do all my work.

"I think your medicine one of the best remedies in the world."—MRS. J. M. LEE, 141 Lyndal St., Newcastle, Pa.

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound has done a great deal for me. I suffered so much from falling of the womb and all the troubles connected with it. I doctored for years with doctors and other remedies but received only temporary relief.

"I began taking your medicine, and had not taken it long before I was feeling better. My husband said that I should keep right on taking it as long as it gave me relief from my suffering, as I could not expect to be cured by one or two bottles. I did so and am now able to be on my feet and work hard all day, and go to bed and rest at night. Thanks to your Vegetable Compound I am certainly grateful for the relief it gave me. It is the mother's great friend. I would not be without it in my house, for when I feel tired or out of sorts I take a few doses and feel all right.

"I would recommend your medicine to all tired mothers, and especially to those suffering as I was."—MRS. R. P. CHAMBERS, Bennet, Neb.

## GOBIN CHIEF WITNESS

General Said "Shoot to Kill"

Order Issued by Himself

Meant All It Said.

### NON-UNIONISTS' CASE CLOSED.

Coal Companies Began to Present

Their Side of the Strike Controversy

Before the Commission Yesterday.

Chairman and Commissioner Ill.

Philadelphia, Jan. 10.—After occupying eight days, during which time they heard about 150 witnesses, the non-union men who are a party to the arbitration agreement closed their case yesterday before the coal strike commission. The coal companies opened their case today, and according to the plans of the operators the companies will present their case in the order of the geographical location of their mines. The Delaware and Hudson company, whose collieries are furthest north, will first present the witnesses, and the others will follow, concluding with the Philadelphia and Reading Coal and Iron company, which is in the southern part of the coal field.

#### General Gobin on Stand.

The principal witness before the commission yesterday was Lieutenant Governor J. P. S. Gobin, senior brigadier general of the national guard of Pennsylvania. General Gobin was in command of the Third brigade during the time the troops were on duty in the hard coal fields. He was on the stand three hours and a half, and during most of this time was engaged in a recital of the conditions as he found them in the territory he covered. He was on duty from July 30 until about Nov. 1 or 2. From his observations and from reports made to him by his officers it was his opinion, he said, that an "excited state of lawlessness" existed in the regions; that disturbances were numerous; that the presence of the troops was absolutely necessary to preserve law and order, and that it was difficult to maintain the law even after all the troops in the state had been placed in the disturbed territory.

#### Had Several Tilts.

During direct cross-examination General Gobin had several tilts with Clarence S. Darrow, counsel for the miners, but they never reached a serious point.

The witness said when he first went into the coal regions with his men as a result of a riot at Shenandoah he was unable for a time to get vehicles to carry his supplies, teamsters refusing to furnish them. In Shenandoah, Panther Creek valley, he said there was no civil authority at times. Committees of the union called upon him and assured him that the striking miners would give him all the assistance they could, but as far as the witness could remember they never gave him any help, nor did he ask them for any.

#### "Shoot to Kill" Order.

After his entire brigade had been called out, the general said, the situation became extremely serious in several parts of the strike territory, and he feared he could not cope with the situation if it grew worse. He so informed the governor. The now famous "shoot to kill" order, issued by him after his soldiers had been attacked by stones, was touched upon by Mr. Darrow. The general said it meant every word it said and that the issuance of the order had a most salutary effect upon the community which his soldiers covered. It had such a good effect that it was not necessary to fire one shot. The order, he further said, did not include the shooting of women and children. Mr. Darrow called his attention to the fact that the order did not except them, and the witness replied that his men were not engaged in fighting women and children.

#### Right of Sentry to Fire.

There was considerable cross fire between Mr. Darrow and the general over the right of a sentry to fire upon a man skulking about the camp of soldiers after dark. The witness finally gave it as his judgment that a sentry has a right to shoot in guarding the men in camp.

Just before the cross-examination was concluded Mr. Darrow wanted to know if General Gobin ever met certain coal operators. He was asked by Commissioner Watkins the object of his questions and Mr. Darrow replied, "To show that his relations with the coal companies were much more friendly to the operators than to the workers."

"That is not true," interrupted the general, and the discussion was stopped there.

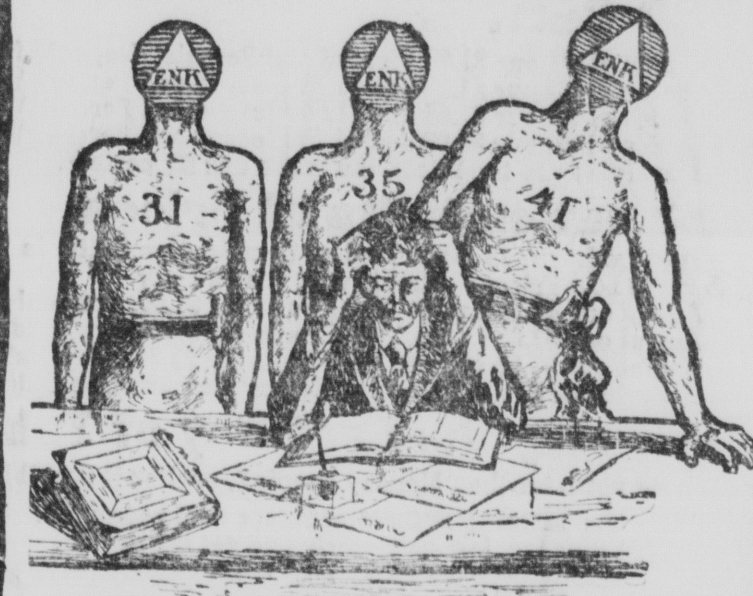

#### Along the Same Lines.

The testimony of a number of witnesses called during the morning session was along the same line as that presented during the last eight days of the commission's sessions.

The evidence of the 150 witnesses called by the lawyers for the non-union men since they opened their case related almost wholly to their personal experiences and to the conditions prevailing in the strike-affected territory as regards lawlessness.

Chairman Gray and Commissioner Wright were both absent from the sessions yesterday. Judge Gray was slightly ill and Colonel Wright had business to attend to in Washington. In the chairman's absence General Wilson presided.

## EAGER to HELP?

If you are ill from overwork, close confinement at the desk, or sedentary habits, there are subtle, powerful forces which are ready to serve you loyally and ably, if you will but summon them to your aid. These forces are embodied in

—READ WHAT HE SAYS—

East Liverpool, Ohio, Nov. 19th, 1902.

The Life Plant Co.,  
Canton, Ohio.

Gentlemen:—I have used nearly two bottles of LIFE PLANT and must say it is a fine medicine for the kidneys. It is the best medicine I have ever taken and I recommend it to all who are suffering from kidney diseases.

F. F. EDWARDS, 136 Third St.

Kidney diseases are very common and very dangerous. They cause more deaths than any other affliction, and yet they can be cured, quickly and easily by taking LIFE PLANT. An improper treatment is worse than none. It excites the kidneys to unusual action for a time, causing a seeming benefit, but the result is increased weakness.

LIFE PLANT leaves you permanently cured or your money is refunded. Whatever the stage of your trouble, your druggist will warrant that LIFE PLANT will succeed with you.

The fearful fatality caused by kidney diseases is the result of neglect and wrong treatment. Commence now by using the only guaranteed treatment, LIFE PLANT. It's a wonder.

# SPRIT OF WORK FELT IN SCHOOLS

Progress of Educational Work in the City Most Satisfactory at Present.

## MEETINGS OF TEACHERS

Have Been Encouraging And Inspiring—Interesting Methods of Instruction in the Lower Grades—Notes About Teachers And Pupils.

The past week, which marks the opening of the second school term, has been one replete with interesting events. During the week Prof. R. E. Rayman has been in nearly all of the school rooms and expresses himself as much pleased with the work which is being done by both the teachers and pupils. Furthermore he states that the children are as enthusiastic over their school work as though they had not been interrupted by a vacation.

### Among the Teachers.

The past term as well as the past week has been one of interest at the Central building. The first grade which is taught by Miss Florence Joseph and Miss Florence Harris has been doing excellent work. There are over one hundred children in this one room, and the school has been divided so that one half are present in the morning and one half in the afternoon.

Although the children have only one half day in school, it is wonderful the progress they are making, and these two teachers are deserving of credit for the excellent work which they are accomplishing with their large school.

The second grade "A," which is taught by Miss Margaret Cuthbert, has been much interested in their language and drawing work. Yesterday some very good paper cutting was done in this school and the children were delighted with the work they did in this time.

Miss Mary Jackman, who teaches the second grade "B," has had some interesting work done in connection with the study of the Eskimo. Drawings and illustrations were made which interested the children very much.

One little girl was dressed up in Eskimo costume which made the subject more interesting.

Miss Jackman had the children cut out some paper snow flakes, a subject which the children have been studying. The snow flakes were personified and represented as fairies, thus arousing the enthusiasm of the children.

In Miss Jackman's school, a number of pretty poems have been committed to memory by the little ones, and thus it is that they are learning to appreciate good poetry as well as concentrating their minds in committing short pieces. The plan has worked excellently.

Miss Naomi Shontz has been teaching her fourth grade pupils the subject of fractions by means of objects which makes the subject which has always been difficult for children one of unusual interest. Then, too, their geography has been a source of enthusiasm in that they have taken the position method and asked and answered each other many questions which were of great importance.

Miss Gladden's fifth grade has always been noted for doing excellent work and board work and since vacation have been making improvements in this line. **Not Authorized by Law.** St. Paul, Minn., Jan. 10.—The supreme court yesterday held that a request for masses and education of priests is a trust not authorized by law in the case of William Shanahan and Bridget Walsh against James C. Kelley and others, appealing from the district court of Houston county.

**McKinley Memorial Arch.** Columbus, O., Jan. 10.—H. A. Mac Niel, a sculptor, formerly of Chicago, but now of New York, was selected yesterday to design the McKinley memorial arch to be erected at the entrance to the capitol grounds in Columbus. The memorial will cost \$50,000, the expense being borne equally by the state and citizens of Columbus.

**Right of Sentry to Fire.** There was considerable cross fire between Mr. Darrow and the general over the right of a sentry to fire upon a man skulking about the camp of soldiers after dark. The witness finally gave it as his judgment that a sentry has a right to shoot in guarding the men in camp.

Just before the cross-examination was concluded Mr. Darrow wanted to know if General Gobin went to meet certain coal operators. He was asked by Commissioner Watkins the object of his questions and Mr. Darrow replied, "To show that his relations with the coal companies were much more friendly to the operators than to the workers."

"That is not true," interrupted the general, and the discussion was stopped there.

**Along the Same Lines.** The testimony of a number of witnesses called during the morning session was along the same line as that presented during the last eight days of the commission's sessions.

The evidence of the 150 witnesses called by the lawyers for the non-union men since they opened their case related almost wholly to their personal experiences and to the conditions prevailing in the strike-affected territory as regards lawlessness.

Chairman Gray and Commissioner Wright were both absent from the sessions yesterday. Judge Gray was slightly ill and Colonel Wright had business to attend to in Washington. In the chairman's absence General Wilson presided.

**McKinley Memorial Arch.** Columbus, O., Jan. 10.—H. A. Mac Niel, a sculptor, formerly of Chicago, but now of New York, was selected yesterday to design the McKinley memorial arch to be erected at the entrance to the capitol grounds in Columbus. # GOBIN CHIEF WITNESS

General Said "Shoot to Kill" Order Issued by Himself Meant All It Said.

## NON-UNIONISTS' CASE CLOSED.

Coal Companies Began to Present Their Side of the Strike Controversy Before the Commission Yesterday.

Chairman and Commissioner Will.

Philadelphia, Jan. 10.—After occupying eight days, during which time they heard about 150 witnesses, the non-union men who are a party to the arbitration agreement closed their case yesterday before the coal strike commission. The coal companies opened their case today, and according to the plans of the operators the companies will present their case in the order of the geographical location of their mines. The Delaware and Hudson company, whose collieries are furthermost north, will first present its witnesses, and the others will follow, concluding with the Philadelphia and Reading Coal and Iron company, which is in the southern part of the coal field.

**General Gobin on Stand.** The principal witness before the commission yesterday was Lieutenant Governor J. P. S. Gobin, senior brigadier general of the national guard of Pennsylvania. General Gobin was in command of the Third brigade during the time the troops were on duty in the hard coal fields. He was on the stand three hours and a half, and during most of this time was engaged in a recital of the conditions he found them in the territory he covered. He was on duty from July 30 until about Nov. 1 or 2. From his observations and from reports made to him by his officers it was his opinion, he said, that an "excited state of lawlessness" existed in the regions; that disturbances were numerous; that the presence of the troops was absolutely necessary to preserve law and order, and that it was difficult to maintain the law even after all the troops in the state had been placed in the disturbed territory.

**Had Several Tilts.** During direct cross-examination General Gobin had several tilts with Clarence S. Darrow, counsel for the miners, but they never reached a serious point.

The witness said when he first went into the coal regions with his men as a result of a riot at Shenandoah he was unable for a time to get vehicles to carry his supplies, teamsters refusing to furnish them. In Shenandoah, Panther Creek valley, he said there was no civil authority at times. Committees of the union called upon him and assured him that the striking miners would give him all the assistance they could, but as far as the witness could remember they never gave him any help, nor did he ask them for any.

**"Shoot to Kill" Order.** After his entire brigade had been called out, the general said, the situation became extremely serious in several parts of the strike territory, and he feared he could not cope with the situation if it grew worse. He so informed the governor. The now famous "shoot to kill" order, issued by him after his soldiers had been attacked by stones, was touched upon by Mr. Darrow. The general said it meant every word it said and that the issuance of the order had a most salutary effect upon the community which his soldiers covered. It had such a good effect that it was not necessary to fire one shot. The order, he further said, did not include the shooting of women and children. Mr. Darrow called his attention to the fact that the order did not except them, and the witness replied that his men were not engaged in fighting women and children.

**Right of Sentry to Fire.** There was considerable cross fire between Mr. Darrow and the general over the right of a sentry to fire upon a man skulking about the camp of soldiers after dark. The witness finally gave it as his judgment that a sentry has a right to shoot in guarding the men in camp.

Just before the cross-examination was concluded Mr. Darrow wanted to know if General Gobin went to meet certain coal operators. He was asked by Commissioner Watkins the object of his questions and Mr. Darrow replied, "To show that his relations with the coal companies were much more friendly to the operators than to the workers."

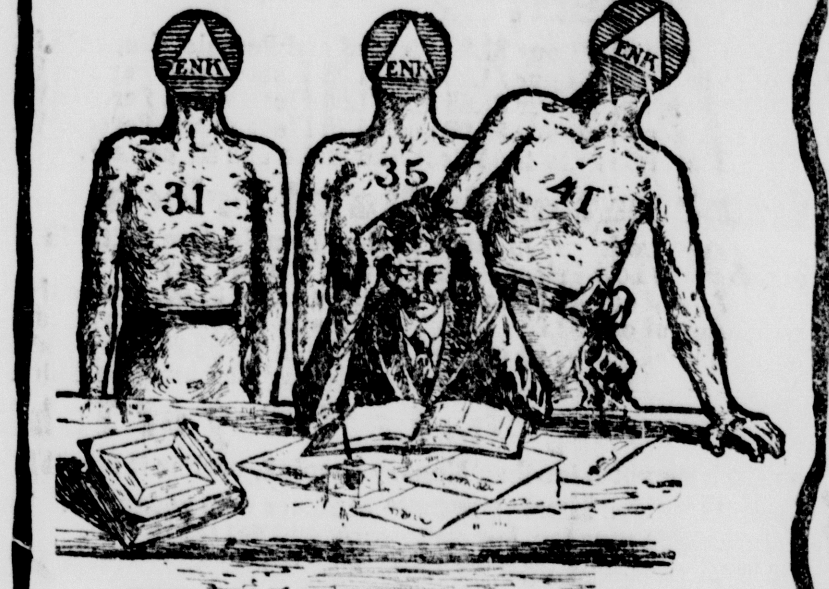

"That is not true," interrupted the general, and the discussion was stopped there.

**Along the Same Lines.** The testimony of a number of witnesses called during the morning session was along the same line as that presented during the last eight days of the commission's sessions.

The evidence of the 150 witnesses called by the lawyers for the non-union men since they opened their case related almost wholly to their personal experiences and to the conditions prevailing in the strike-affected territory as regards lawlessness.

Chairman Gray and Commissioner Wright were both absent from the sessions yesterday. Judge Gray was slightly ill and Colonel Wright had business to attend to in Washington. In the chairman's absence General Wilson presided.

# EAGER to HELP?

If you are ill from overwork, close confinement at the desk, or sedentary habits, there are subtle, powerful forces which are ready to serve you loyally and ably, if you will but summon them to your aid. These forces are embodied in

**DR. JOSEPH ENK'S** Genuine Dynamized HOMEOPATHIC PREPARATIONS

Forming the best medicines in the world, and embracing seventy remedies for seventy different diseases, each being a specific for the disease it is intended for.

No. 31 is the natural remedy for the functional derangement indicated by indigestion, dyspepsia, stomach pains and disability. The proper remedy for active congestions from drugs, intoxicating liquors, irritating foods, and other causes. Puts the stomach in good working order, so it will digest any reasonable kind of food. No dietary fads. 25 cents.

No. 33 is the natural remedy for intestinal inactivity, resulting in constipation and its attendant evils. Is not a cathartic and cures the "catarrhic habit," bringing back the natural powers and putting them in operation. Will not "physic" in any sized dose. Cure is permanent. 25 cents.

No. 41 is the remedy for nervous sick headaches, and is an active assistant to Nos. 31 and 33 where headaches accompany bowel and stomach troubles. 25 cents.

## LIFE PLANT

### FOR KIDNEY TROUBLE

—READ WHAT HE SAYS—

East Liverpool, Ohio, Nov. 19th, 1902.

The Life Plant Co., Canton, Ohio.

Gentlemen:—I have used nearly two bottles of LIFE PLANT and must say it is a fine medicine for the kidneys. It is the best medicine I have ever taken and I recommend it to all who are suffering from kidney diseases.

F. F. EDWARDS, 136 Third St.

Kidney diseases are very common and very dangerous. They cause more deaths than any other affliction, and yet they can be cured, quickly and easily by taking LIFE PLANT. An improper treatment is worse than none. It excites the kidneys to unusual action for a time, causing a seeming benefit, but the result is increased weakness.

LIFE PLANT leaves you permanently cured or your money is refunded. Whatever the stage of your trouble, your druggist will warrant that LIFE PLANT will succeed with you.

The fearful fatality caused by kidney diseases is the result of neglect and wrong treatment. Commence now by using the only guaranteed treatment, LIFE PLANT. It's a wonder.

# SPRIT OF WORK FELT IN SCHOOLS

Progress of Educational Work in  
the City Most Satisfactory  
at Present.

## MEETINGS OF TEACHERS

Have Been Encouraging And Inspiring  
—Interesting Methods of Instruc-  
tion in the Lower Grades—Notes  
About Teachers And Pupils.

The past week, which marks the opening of the second school term has been one replete with interesting events. During the week Prof. R. E. Rayman has been in nearly all of the school rooms and expresses himself as much pleased with the work which is being done by both the teachers and pupils. Furthermore he states that the children are as enthusiastic over their school work as though they had not been interrupted by a vacation.

Prof. Rayman, in speaking of the satisfactory work being accomplished, spoke of the progress which is being made in calligraphy, which has a place in the schedule and program of each and every room in the public schools.

Among the Teachers.

The past term as well as the past week has been one of interest at the Central building.

The first grade which is taught by Miss Florence Joseph and Miss Florence Harris has been doing excellent work.

There are over one hundred children in this one room, and the school has been divided so that one half are present in the morning and one half in the afternoon.

Although the children have only one-half day in school it is wonderful the progress they are making, and these two teachers are deserving of credit for the excellent work which they are accomplishing with their large school.

The second grade "A," which is taught by Miss Margaret Cuthbert has been much interested in their language and drawing work. Yesterday some very good paper cutting was done in the school and the children were delighted with the work they did in this line.

Miss Mary Jackman, who teaches the second grade "B," has had some interesting work done in connection with the study of the Eskimo. Drawings and illustrations were made which interested the children very much.

One little girl was dressed up in Eskimo costume which made the subject more interesting.

Miss Jackman had the children cut out some paper snow flakes, a subject which the children have been studying. The snow flakes were decorated and represented as fairies, thus arousing the enthusiasm of the children.

Miss Jackman's school, a number of pretty poems have been committed to memory by the little ones, and thus it is that they are learning to appreciate good poetry as well as concentrate their minds in committing short verses. The plan has worked excellently.

Miss Naomi Shontz has been teaching her fourth grade pupils the subject of fractions by means of objects which makes the subject which has always been difficult for children one of unusual interest. Then, too, their geography has been a source of enthusiasm in that they have taken the question method and asked and answered each other many questions which were of great importance.

Miss Gladden's fifth grade has also been noted for doing excellent work and board work and since vacation have renewed their enthusiasm and have been making improvements in this line. They are about to make some maps of North and South America, which they will draw and cut out of colored paper and mount on another paper of contrasting color. When finished it is believed the maps will be quite creditable.

Miss Charlotte Ross, teacher of the sixth grade, has been having her pupils occupy a part of their time in composition work. The compositions which they wrote yesterday showed great skill in grammar, drawing and penmanship. They were upon the subject "Snow Flakes."

During the first term some composition writing was done on the subject "Bones" and these were much complimented for their merit and the work it required on the part of the pupils to encourage such excellent work.

The eighth grade, under the instruction of Miss Angie Moore, is having an interesting study of the Civil War. The students in this room is especially interested in the part of the

53 and on an average 52 pupils are present.

Teacher's Meetings.

There were several teachers' meetings during the week. Supt. Rayman called a meeting of the principals on Monday. The meeting was called for the purpose of talking over general matters pertaining to the welfare of the schools.

On Tuesday evening, the regular class for the young teachers and substitutes was held. Several chapters in White's Art of Teaching afforded ample topics for discussion.

Last evening the general meeting of the teachers for the month was called by Superintendent Rayman. From 3:30 o'clock until 5 the time was spent in a most profitable manner and the teachers were benefited by the excellent suggestions of the superintendent.

Prof. Rayman spoke of some of the "Hindrances to the Best Work in the Public Schools." He said that the first hindrance was irregular attendance, which must be obviated by the teachers as much as possible, if they would insist on good work. He further more said that interest must exist between teachers and children and second between children and parents.

Last fall, when a number of prominent educators of the state visited in this city, they spoke of the spirit of work which existed in our public schools, and said they were much impressed with the excellent work done in the schools in this good spirit.

After this interesting short talk by Prof. Rayman, the Industrial Evolution of the United States by Wright was taken up. Miss Clara Beal took the first chapter of the book, and read an excellent paper on "Inception Industries." Miss Beal was followed by C. F. Austin, who spoke in an interesting manner upon "Textile Industries."

The closing talk was given by C. F. Brooke, who had for his theme, "Iron Industry," which was a talk replete with interesting statistics.

In the High School.

On January 5, Dr. Pratt gave a very interesting and inspiring talk to the high school students. The talk occupied a few minutes in the chapel service of the opening morning.

Miss Cooper's return to her duties after a brief illness was a source of pleasure to faculty and students.

A part of the day was occupied yesterday giving examinations in several of the different classes. A final examination in English literature was given in the senior class. The sophomores were given an examination in physiology and the final examination in the junior Caesar class took place at the same time.

Miss Maude Scott, of the Freshman class, is ill with typhoid fever.

Miss Helen Starr is absent from school in account of pneumonia.

During the past week Miss Jessie Andrews has been detained from school, due to illness.

Miss Mattie Headley has returned to her duties at school after a serious illness.

Among the Pupils.

Miss Myrtle Huet is ill at her home on East Market street.

Camilla Faulk has returned to school after a long and serious illness.

Vada McVey, of Waterloo street, has been out of school on account of illness.

Margaret Hunter is ill at her home on College street.

Helen Boring has been out of school on account of illness.

James Jennings is ill at his home on Avondale street.

Stewart Thompson, who is a pupil in Miss Cuthbert's school, is absent on account of illness.

Sarah Vodrey is confined to her home on Robinson street by illness.

Byron Surgeon is ill at his home on Ravine street.

Vada McCollough, of Lincoln avenue, was absent from school, due to illness.

CASTRO'S ANSWER ACCEPTABLE

British Foreign Office Declares Its Terms Satisfactory—Revolutionists Again Beaten.

Berlin, Jan. 10.—President Castro's acceptance of the arbitration conditions of the allied powers was received yesterday at the foreign office here, where it is regarded as being a long step toward a settlement of the questions in dispute. The foreign office hopes that most of the points will be arranged amicably at the preliminary discussion at Washington before reaching The Hague arbitration court.

London, Jan. 10.—President Castro's reply to the powers, accepting the arbitration conditions of the allies, was delivered to the foreign office yesterday afternoon by Craig Wadsworth, third secretary of the United States embassy. Mr. White, the charge d'affaires, is ill and has been in the country most of the week. It was said at the foreign office that President Castro's reply was entirely acceptable to Great Britain. The question of time for raising the blockade of the Venezuelan coast has not been decided, but is now being discussed between London and Berlin.

Castro's last offer to the port of

## Home Duties

The real heroines of every day are in our homes. Frequently, however, it is a mistaken and useless heroism.

Women seem to listen to every call of duty except the supreme one that tells them to guard their health. How much harder the daily tasks become when some derangement of the female organs makes every movement painful and keeps the nervous system unstrung? Irritability takes the place of happiness and amiability; and weakness and suffering takes the place of health and strength. As long as they can drag themselves around, women continue to work and perform their household duties. They have been led to believe that suffering is necessary because they are women. What a mistake!

The use of Lydia E. Pinkham's Vegetable Compound will banish pain and restore happiness. Don't resort to strong stimulants or narcotics when this great strengthening, healing remedy for women is always within reach.

### FREE MEDICAL ADVICE TO WOMEN.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. No man will see your letter. She can surely help you, for no person in America has such a wide experience in treating female ills as she has had. She has helped hundreds of thousands of women back to health. Her address is Lynn, Mass., and her advice is free. You are very foolish if you do not accept her kind invitation.

For proof read the symptoms, suffering and cure recited in the following letters:

"DEAR MRS. PINKHAM:—I wish to express to you the great benefit I have derived from your advice and the use of Lydia E. Pinkham's Vegetable Compound. My trouble was female weakness in its worst form and I was in a very bad condition. I could not perform my household duties, my back ached, I was extremely nervous, and I could not eat or sleep, and the bearing-down pains were terrible. My husband spent hundreds of dollars to get me well, and all the medicine that the doctors prescribed failed to do me any good; I resorted to an operation which the physician said was necessary to restore me to health, but I suffered more after it than I did before; I had hemorrhages of the womb that nothing could seem to stop.

"I noticed one of your advertisements and wrote you for advice. I received your reply and carefully followed all instructions. I immediately began to get stronger, and in two weeks was about the house. I took eight bottles of Lydia E. Pinkham's Vegetable Compound and continued following your advice, and to-day I am a well woman. Your remedies and help are a Godsend to suffering women, and I cannot find words to thank you for what you have done for me."—MRS. LOTTIE V. NAYLOR, 1328 N. J. Ave., N.W., Washington, D. C.

"DEAR MRS. PINKHAM:—I write to tell you what Lydia E. Pinkham's Vegetable Compound has done for me.

"I was suffering with falling of the womb and could hardly drag about, but after taking five bottles of Lydia E. Pinkham's Vegetable Compound I was completely cured. I am now a well woman and able to do all my work.

"I think your medicine one of the best remedies in the world."—MRS. J. M. LEE, 141 Lyndal St., Newcastlle, Pa.

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound has done a great deal for me. I suffered so much from falling of the womb and all the troubles connected with it. I doctored for years with doctors and other remedies but received only temporary relief.

"I began taking your medicine, and had not taken it long before I was feeling better. My husband said that I should keep right on taking it as long as it gave me relief from my suffering, as I could not expect to be cured by one or two bottles. I did so and am now able to be on my feet and work hard all day, and go to bed and rest at night. Thanks to your Vegetable Compound I am certainly grateful for the relief it gave me. It is the mother's great friend. I would not be without it in my house, for when I feel tired or out of sorts I take a few doses and feel all right.

"I would recommend your medicine to all tired mothers, and especially to those suffering as I was."—MRS. R. F. CHAMBERS, Bennet, Neb.

cas was reconquered Thursday by forces of the Venezuelan government after a fight with the revolutionists of an hour's duration. Tucacas has been occupied for the last four months by the revolutionists. The revolutionary force under General Ramos, which was defeated last Sunday near Guatire, has dispersed. The march of the rebels upon Caracas via Guatire has been completely checked. The government is most active in pursuing the rebels. Another engagement has taken place near Coro and resulted in the rout of the enemy. Octavio Marquez and 180 men were taken prisoners by the government soldiers, who also secured a quantity of rebel ammunition.

McKinley Memorial Arch.

Columbus, O., Jan. 10.—H. A. Mac Niel, a sculptor, formerly of Chicago, but now of New York, was selected yesterday to design the McKinley memorial arch to be erected at the entrance to the capitol grounds in Columbus. The memorial will cost \$50,000, the expense being borne equally by the state and citizens of Columbus.

Not Authorized by Law.

St. Paul, Minn., Jan. 10.—The supreme court yesterday held that a bequest for masses and education of priests is a trust not authorized by law in the case of William Shanahan and Bridget Walsh against James C. Kelley and others, appealing from the district court of Houston county.

## GOBIN CHIEF WITNESS

General Said "Shoot to Kill"  
Order Issued by Himself  
Meant All It Said.

## NON-UNIONISTS' CASE CLOSED.

Coal Companies Began to Present  
Their Side of the Strike Controversy  
Before the Commission Yesterday.  
Chairman and Commissioner Ill.

Philadelphia, Jan. 10.—After occupying eight days, during which time they heard about 150 witnesses, the non-union men who are a party to the arbitration agreement closed their case yesterday before the coal strike commission. The coal companies opened their case today, and according to the plans of the operators the companies will present their case in the order of the geographical location of their mines. The Delaware and Hudson company, whose collieries are furthest north, will first present the witnesses, and the others will follow, concluding with the Philadelphia and Reading Coal and Iron company, which is in the southern part of the coal field.

General Gobin on Stand.

The principal witness before the commission yesterday was Lieutenant Governor J. P. S. Gobin, senior brigadier general of the national guard of Pennsylvania. General Gobin was in command of the Third brigade during the time the troops were on duty in the hard coal fields. He was on the stand three hours and a half, and during most of this time was engaged in a recital of the conditions as he found them in the territory he covered. He was on duty from July 29 until about Nov. 1 or 2. From his observations and from reports made to him by his officers it was his opinion, he said, that an "excited state of lawlessness" existed in the regions; that disturbances were numerous; that the presence of the troops was absolutely necessary to preserve law and order, and that it was difficult to maintain the law even after all the troops in the state had been placed in the disturbed territory.

Had Several Tilts.

During direct cross-examination General Gobin had several tilts with Clarence S. Darrow, counsel for the miners, but they never reached a serious point.

The witness said when he first went into the coal regions with his men as a result of a riot at Shenandoah he was unable for a time to get vehicles to carry his supplies, transfers refusing to furnish them. In Shenandoah, Panther Creek valley, he said there was no civil authority at times. Committees of the union called upon him and assured him that the striking miners would give him all the assistance they could, but as far as the witness could remember they never gave him any help, nor did he ask them for any.

"Shoot to Kill" Order.

After his entire brigade had been called out, the general said, the situation became extremely serious in several parts of the strike territory, and he feared he could not cope with the situation if it grew worse. He so informed the governor. The now famous "shoot to kill" order, issued by him after his soldiers had been attacked by stones, was touched upon by Mr. Darrow. The general said it meant every word it said and that the issuance of the order had a most salutary effect upon the community which his soldiers covered. It had such a good effect that it was not necessary to fire one shot. The order, he further said, did not include the shooting of women and children. Mr. Darrow called his attention to the fact that the order did not except them, and the witness replied that his men were not engaged in fighting women and children.

Right of Sentry to Fire.

There was considerable cross fire between Mr. Darrow and the general over the right of a sentry to fire upon a man skulking about the camp of soldiers after dark. The witness finally gave it as his judgment that a sentry has a right to shoot in guarding the men in camp.

Just before the cross-examination was concluded Mr. Darrow wanted to know if General Gobin ever met certain coal operators. He was asked by Commissioner Watkins the object of his questions and Mr. Darrow replied, "To show that his relations with the coal companies were much more friendly to the operators than to the workers."

That is not true," interrupted the general, and the discussion was stopped there.

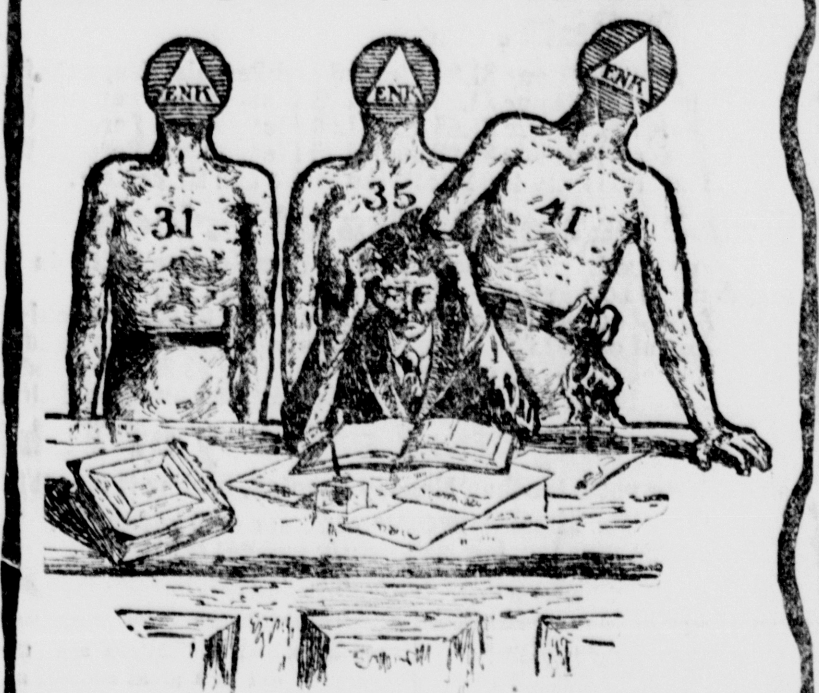

Along the Same Lines.

The testimony of a number of witnesses called during the morning session was along the same line as that presented during the last eight days of the commission's sessions.

The evidence of the 150 witnesses called by the lawyers for the non-union men since they opened their case related almost wholly to their personal experiences and to the conditions prevailing in the strike-affected territory as regards lawlessness.

Chairman Gray and Commissioner Wright were both absent from the sessions yesterday. Judge Gray was slightly ill and Colonel Wright had business to attend to in Washington. In the chairman's absence General Wilson presided.

## EAGER to HELP?

If you are ill from overwork, close confinement at the desk, or sedentary habits, there are subtle, powerful forces which are ready to serve you loyally and ably, if you will but summon them to your aid. These forces are embodied in

## DR. JOSEPH ENK'S

Genuine Dynamized  
HOMEOPATHIC PREPARATIONS

Forming the best medicines in the world, and embracing seventy remedies for seventy different diseases, each being a specific for the disease it is intended for.

No. 31 is the natural remedy for the functional derangement indicated by indigestion, dyspepsia, stomach pains and disability. The proper remedy for active congestions from drugs, intoxicating liquors, irritating foods, and other causes. Puts the stomach in good working order, so it will digest any reasonable kind of food. No dietary fads. 25 cents.

No. 35 is the natural remedy for intestinal inactivity, resulting in Constipation and its attendant evils. Is not a cathartic and cures the "catarrhic habit," bringing back the natural powers and putting them in operation. Will not "physic" in any sized dose. Cure is permanent. 25 cents.

No. 41 is the remedy for nervous sick headaches, and is an active assistant to Nos. 31 and 35 where headaches accompany bowel and stomach troubles. 25 cents.

Our two booklets: "Short Road to Health," and "Treatise on Private Diseases," free by mail or of druggists.

ENK MEDICINE CO., UNION CITY, IND.  
Sold in East Liverpool by **Alvin H. Bulger,** 6th and Market Street.

## F. F. EDWARDS, PROPRIETOR OF THE HOTEL EDWARDS OF EAST LIVERPOOL, O., RECOMMENDS

## FOR KIDNEY TROUBLE

—READ WHAT HE SAYS—

East Liverpool, Ohio, Nov. 19th, 1902.  
The Life Plant Co., Canton, Ohio.

Gentlemen:—I have used nearly two bottles of LIFE PLANT and must say it is a fine medicine for the kidneys. It is the best medicine I have ever taken and I recommend it to all who are suffering from kidney diseases.

F. F. EDWARDS, 136 Third St.

Kidney diseases are very common and very dangerous. They cause more deaths than any other affliction, and yet they can be cured, quickly and easily by taking LIFE PLANT. An improper treatment is worse than none. It excites the kidneys to unusual action for a time, causing a seeming benefit, but the result is increased weakness.

LIFE PLANT leaves you permanently cured or your money is refunded. Whatever the stage of your trouble, your druggist will warrant that LIFE PLANT will succeed with you.

The fearful fatality caused by kidney diseases is the result of neglect and wrong treatment. Commence now by using the only guaranteed treatment, LIFE PLANT. It's a wonder.

**FOR SALE BY ALL DRUGGISTS.**

THE LIFE PLANT CO., CANTON, OHIO.

FOR SALE BY WILL REED, CHAS. CRAIG AND W. L. WILSON.

## PARKER'S HAIR BALM

Cleanses and beautifies the hair. Promotes a luxuriant growth. Never fails to restore gray hair to its youthful color. Cures scalp diseases & hair falling. 25c. and 50c. bottles.

### HOME AFFAIRS.

#### Brief Notes of a Personal Nature And of Matters About Town.

**Helped Him Forward**—Harry Turner, aged 24, of Columbus, a fireman at the Columbus Steel works, near Monaca, arrived in the city yesterday with a broken arm. He had fallen into a pit at the works in the dark. A friend bought him a ticket to this city and the township trustees assisted him to Steubenville.

**Sunday Lecture**—"The New Declaration of Independence" will be the subject of Rev. Dr. Pratt's lecture at the opera house tomorrow at 3 p. m. The favor with which the lecture last Sunday was received insures an increased

attendance. All indications are that the course will be a great success and result in much good.

**New Officers Presided**—General Lyon Post No. 44, G. A. R., met last night. The officers recently elected and installed were in charge of the meeting for the first time. Several bills contracted in the recent presentation of "The Drummer Boy" were paid and routine business was transacted. The attendance was small owing to the cold.

**Death of Russell Rumsey.** Vermillion, O., Jan. 10.—Russell Rumsey, well known throughout the state, died yesterday, after several years' illness, aged 89 years.

It leads—the News Review.

### FLAMES SPREAD QUICKLY PUTTING LIVES IN PERIL

Continued from First Page.

There was \$2,000 insurance on the three buildings, the two story building occupied by Kernott, on Fourth street, the restaurant building on the corner and the small dwelling facing on Washington street. The two latter buildings are complete wrecks, while the Fourth street building is completely gutted on the first floor the second floor suffering but little damage, except from the smoke and water. They are all so badly damaged, however, as to cause almost a complete loss.

The Fourth street structure can possibly be repaired, but it is thought that it will be impossible to do anything with the other two buildings and they will probably be torn down.

The property is owned by Miss E. B. Huston and Mrs. Samuel Arbuckle, formerly of this city, but who for the past several years have lived in St. Paul. Both of the ladies are now in Philadelphia at the bedside of Mr. Arbuckle, who is seriously ill in a hospital. Sherman T. Herbert is the agent for the property and he notified them of the fire by telegraph at noon today.

The two buildings facing on Washington street together with the ground on which the Ceramic City Light company office stands have been under lease to the light company for the past several years and it is probable that the lease will be changed now, releasing the two damaged buildings so that new structures can be erected on the ground. The office of the light company was not damaged with the exception of one side being slightly scorched by the flames. All of the material and fixtures in the office were carried to places of safety as it was thought when the fire first broke out that the entire cluster of buildings was doomed. The tailor shop of H. A. Kernott which was on the first floor of the Fourth street building was completely destroyed. The insurance on the stock was \$1,700.

The second story was occupied by Mr. Kernott, as a dwelling. While his household goods were not destroyed yet they were so badly damaged by smoke and water as to be almost a total loss. The goods were insured for \$500.

**Serious Fire** the proprietor of the restaurant, perhaps suffered the heaviest loss. So quickly did the flames spread that there was practically nothing of value saved. All of the clothing of the family, except what they had on their backs at the time, went up in the flames and Mr. Tice is in almost destitute circumstances. He places his loss at \$700 with no insurance. His family are stopping with friends and he will now practically have to start life over again as all of his savings were invested in his business which was destroyed.

The small house on Washington street was occupied by the family of Jerry Callahan and practically all of their goods were saved. His loss will not be much as his goods were fully insured. The family have stored their furniture in the homes of friends and they will be compelled to board until they can secure another house.

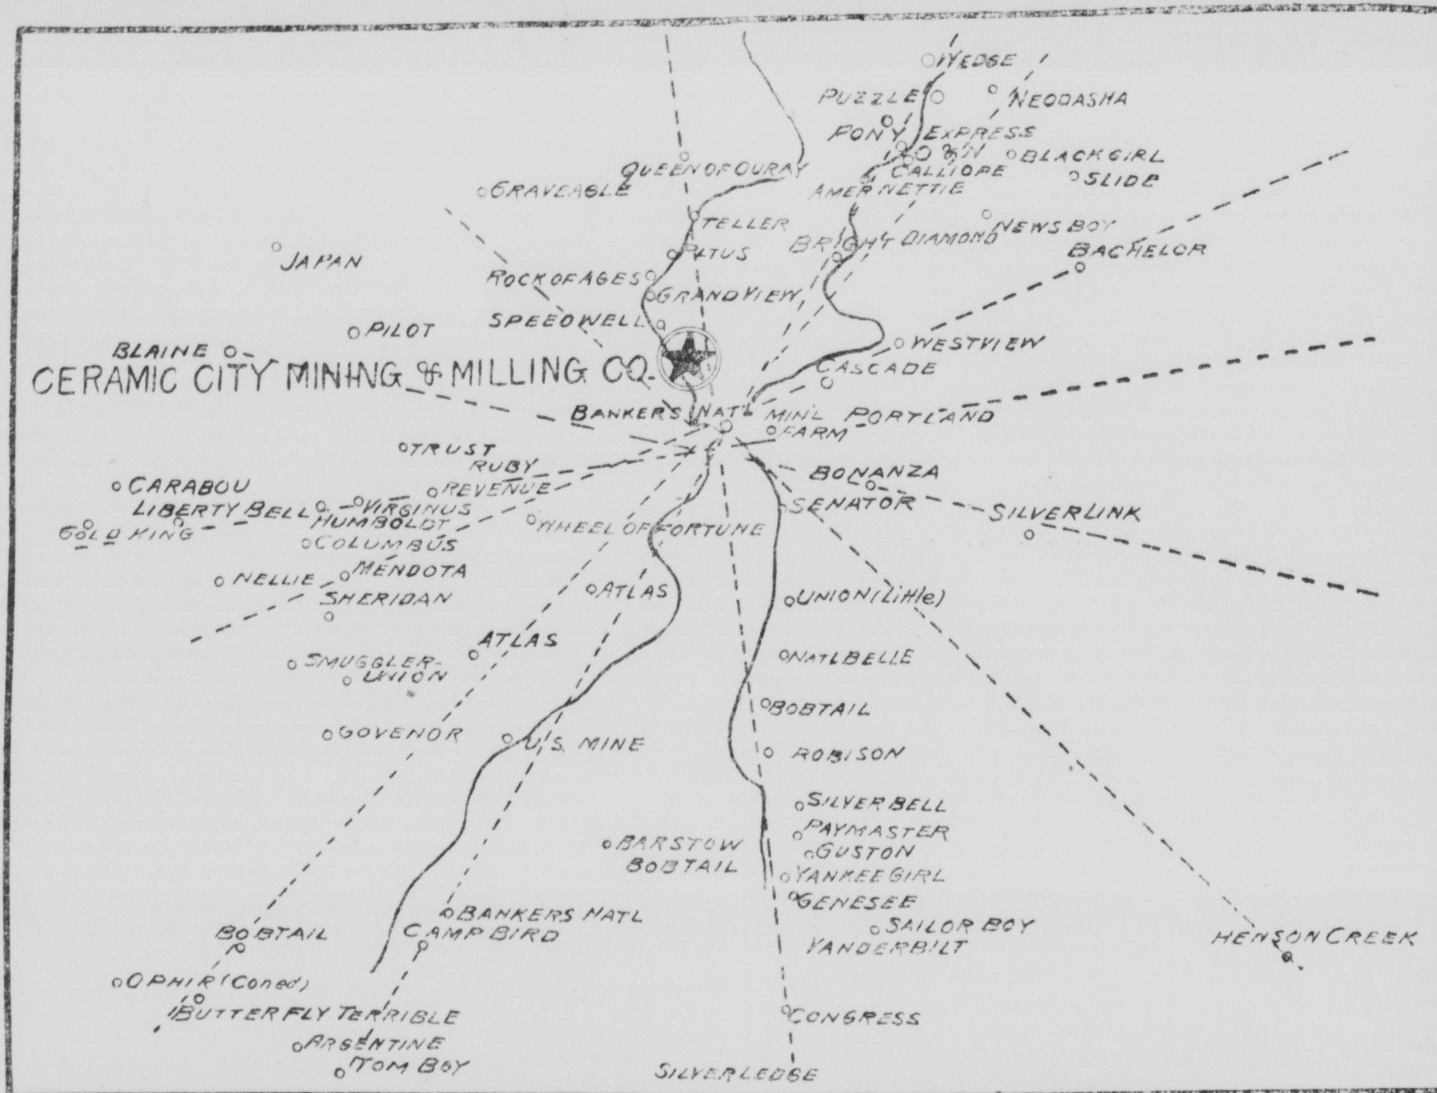

It is believed that the loss on the buildings will be fully covered by insurance.

Until Mr. Herbert hears from the owners of the property it is not known what disposition will be made of the damaged buildings. The insurance adjusters will likely reach here by Monday or Tuesday and nothing definite will be known until they have finished their work.

#### TO THE PUBLIC.

#### Must Pay Taxes.

Columbus, O., Jan. 10.—According to a decision handed down yesterday by Judge Thompson, of the United States court, in the case of the Western Assurance company, of Toronto, Canada, against the treasurer and auditor of Franklin county, all foreign insurance companies having money, bonds or other securities on deposit with the state treasurer, must pay taxes on the same in Franklin county. In the suit of the Western Assurance company, which sought to prevent the taxing of \$100,000 worth of bonds which it deposited with the state treasurer, the court held against the company. There are several million dollars worth of bonds deposited by foreign insurance companies with the state treasury.

The small house on Washington street was occupied by the family of Jerry Callahan and practically all of their goods were saved. His loss will not be much as his goods were fully insured. The family have stored their furniture in the homes of friends and they will be compelled to board until they can secure another house.

It is believed that the loss on the buildings will be fully covered by insurance.

Until Mr. Herbert hears from the owners of the property it is not known what disposition will be made of the damaged buildings. The insurance adjusters will likely reach here by Monday or Tuesday and nothing definite will be known until they have finished their work.

## FLAMES SPREAD QUICKLY PUTTING LIVES IN PERIL

Fire Which Started in Tice's Restaurant Guttured the Place and Damaged Adjacent Buildings.

### MRS. TICE RISKED LIFE TO SAVE HER CHILD

People in the neighborhood of the corner of Washington and Fourth streets at 9:30 this morning were amazed to see flames issuing from the southwest corner of the two thoroughfares. Alarm was depicted on their countenances and they were making all possible haste. They were Edward Kelly, a plumber, who had been working in the building; Sanford Tice, the proprietor of the restaurant; and Mrs. Tice bearing in her arms her one-year-old child. An instant later their flight was explained. Flames, leaping and dancing and fiery red, filled the room with an angry roar. Never in the history of this city has such rapid progress of flames been known.

Kelly hastened to the establishment of his employer, T. E. Nagle, diagonally across the street, and telephoned an alarm to the central fire station. Mr. and Mrs. Tice sought refuge in the music store of Smith & Phillips, opposite. The flames had gutted the contents of the room and eaten through the frame walls to the outside before the alarm had reached the firemen.

A few minutes before the fire Mrs. Tice had been frying doughnuts in the kitchen and Kelly was at work on the water pipes in an adjoining room. The hot grease in the skillet became ignited and blazed to the ceiling, communicating the flames to the curtains, wall paper and other inflammable materials. There was a strong draft toward the front of the building, and the flames were borne thither, leaving devastation in their wake. So rapid was their progress that Tice, who was in the lunch room, could not reach the back between the two rooms in time to close the slide. He had only time to secure what money was in the cash drawer and make his escape.

Mrs. Tice uttered several piercing screams when the blaze flared to the ceiling and Kelly rushed to her assistance. He pluckily seized the blazing skillet and threw it through a window into the yard, sustaining severe burns to his hands. His heroic action was without avail, as the contents of the room were already ablaze. Mrs. Tice sought refuge in another room, and she was in the kitchen when the flames reached the little one as best she could.

## THE RAILROAD COMPANY FILES BOND

Youngstown & Southern Binds Itself to Start Work Not Later Than July 1.

City Clerk Willis Davidson, today received the bond of the Youngstown & Southern Railway company, which was required by the ordinance which was recently granted them by the city. The bond is for \$5,000, binding the company to begin on or before July 1. It reads: "Know all men by these presents, that the Youngstown & Southern Railway company is held and firmly bound to the city of East Liverpool, O., in the penal sum of five thousand dollars, which it promises to pay to the said city, its successors and assigns."

### WEDDING OF JUNE JUST REPORTED

W. G. Dorff and Miss Daisy Walker Were Married in Pennsylvania Last Summer. The marriage of two well known people in this city which took place last summer has just come to light. The parties are W. G. Dorff, manager of the Fort Pitt Gas company, and Miss Daisy Walker, a prominent young lady in social circles in this city. The couple were married

"Signed, sealed and dated the 31st day of December, A. D. 1902. "This bond is nevertheless upon the following conditions, to wit: If said railroad shall begin the construction of its lines on or before July 1, 1903, then this bond shall be void, otherwise to be and remain in full force and virtue in law. "THE YOUNGSTOWN & SOUTHERN RAILROAD COMPANY, By A. W. JONES, President. "Attest: J. H. RUHLMAN, "Secretary."

ried last June at Cramton, Pa., and not a word leaked out about it till a few days ago. They continued to live as heretofore, happy in their own knowledge of the fact, but keeping it well concealed from the public. At present they are now making arrangements to begin housekeeping and by this time the marriage became known. As both young people are well known in social circles of East Liverpool their marriage is a great surprise to their friends. They are now receiving the hearty congratulations of friends and neighbors. They will locate on McCauley street, in the East End.

## WINDING UP THE TERM'S WORK

COURT DISPOSES OF A NUMBER OF CASES.

Large Number of Actions Have Been Decided in the Past Few Weeks.

Lisbon, January 10. — (Special) — Charles E. Smith, treasurer, against the Grove company, of Salem, has been settled out of court.

In the case of C. P. Leonard, sheriff, against Christy A. and Catherine Rich, leave is given to amend answer by January 12.

The divorce petition of John R. Hawke, of Wellsville, against Narcissa Hawke, in which Judge Hole refused to grant a decree of divorce the other day has been dismissed at the plaintiff's costs.

In the case of John E. Carlisle against Thomas B. Carlisle, in which suit was brought to quiet title to real estate in Carter township, a decree for the plaintiff has been entered.

The term of court just closing has been remarkable in court annals in the volume of business disposed of, the court having passed upon 183 civil cases and 267 indictments.

The First National bank, of Leetonia, through its attorney, John B. Morgan, has filed three suits asking judgment on promissory notes. The court is asked to render judgment against J. E. Huston, in the sum of \$114, with interest of \$72 since January 1, 1901 and \$72 since April 1, 1901; against Peter and Sarah Joseph, and against L. C. Hoopes for the same amount with like interest.

### FOR CITY TREASURER

Joseph Betz is Considered a Strong Man in the Interesting Race.

In the column set apart for that purpose will be found today the announcement of Joseph Betz as a candidate for the position of city treasurer. There will doubtless be several other candidates in the race, but it can be asserted with certainty that Mr. Betz will be a very strong factor in the contest. He is one of a few citizens of East Liverpool who can be truthfully referred to as a self made man, and as this could only be attained through a strict adherence to the principles which make successful business men, the fact will go a long way toward adding to the list of friends who will support him at the Republican primary.

Mr. Betz has been an active Republican for many years. He has served as a member of the central committee—a thankless task, having for its only reward criticisms and condemnation—for the past six years. A part of that time he served the committee in the capacity of clerk, performing his work in a thorough and businesslike manner. Indeed it is freely acknowledged by the leading Republicans that the many brilliant successes achieved by the party in the last few years can be attributed to his untiring efforts. Those who support Joseph Betz for city treasurer will have the satisfaction of knowing that their vote will not be wasted, and what is more important than anything else that can be said is that he is a Republican, a business man and a good citizen—competent in every way to assume the duties and responsibilities of the position of city treasurer.

### PUT OFF FOR A YEAR

New Building of Potters' Savings Company Not to Be Started at Present.

The Potters' Building & Savings company will not erect its proposed new building during the present year. This was decided at the last meeting of the board of directors and will come as a surprise. It was decided to delay building because at this time just what kind of a building would best suit the needs could not be determined.

The tenants of the buildings recently purchased by the company will not be displaced. Work will likely commence on the new structure in the spring of 1904.

Judge Moore Very Ill. Lisbon, January 10. — (Special) — Judge J. G. Moore, who has been suffering from dysentery for several days, was in a serious condition yesterday, being religious part of the day. He is reported better today.

Advertise in the News Review when you are prepared for a rush of business.

## THE EQUALIZERS VERY INDIGNANT

Men Who Fixed Assessments on Pennsylvania Avenue Ask a Few Questions.

### BOARD'S REPORT COMPLETE

Though Amount Per Foot Front Varies on Several East End Streets, It Will Nowhere Exceed 50 Per Cent of Valuation.

It is asserted by those who are in a position to know that the report of the Pennsylvania avenue equalization board filed with City Clerk Davidson yesterday afternoon is one of the most complete documents ever laid before the East Liverpool city council.

Messrs. Groshans, Olmhausen, and Calhoun, who compose the board, have been hard at work for the past two months, and the task has been a difficult one for several reasons. It was demonstrated at the beginning that the people of the East End would fight any attempt to assess the entire amount for the improvement upon the lots and lands east of the public school building, and after very carefully considering the matter the board determined to extend its operations to include that part of the land abutting on Pennsylvania avenue west of the East End school.

This action was a signal for those owning the several tracts along the hillside to resist the move. It was held this territory was unimproved, and owing to its being so steep is practically valueless. The fact was brought out about this time that nearly all of this property was being developed, since clay mines, stone quarries and other enterprises were in full operation there. The board, knowing this, proceeded to levy the assessments in spite of the objections. To justify their action in this regard, an instance is given where a large tract along the road had been paid for at the rate of \$6 per foot front, and the members deemed it no more than proper that land which was considered so valuable had certainly been benefited and could stand the assessment.

It goes without saying that the East End taxpayers were pleased with this disposition on the part of the board and if there is any protests or opposition to the acceptance of the report when council meets next Tuesday night it will come from property owners who are interested in land on Pennsylvania avenue west of the school building.

It is gratifying to a majority of the members of the council that the matter has been pushed to the point it has now reached. It is well known in certain quarters that attempts were made to delay the appointment of this equalizing board, and that the effort succeeded in a degree is evidenced by the fact that the report of the assessors was in and had been accepted months before this board had been started at its task. The report given to Clerk Davidson yesterday is as follows:

To the Honorable City Council of the City of East Liverpool. Gentlemen—The undersigned, comprising the board of equalization for the Pennsylvania avenue improvement, submit the following report as their decision and that of said board: That said improvement above referred to extend from lot 1589 in the city of East Liverpool, O., to the East End public school building in said city, and the cost and expenses incurred by reason thereof embrace and include all the land in said city especially mentioned, and set forth in a certain resolution regularly passed by the city council of the city of East Liverpool, O., on the fourteenth day of December, Nineteen hundred, entitled, A resolution declaring it necessary to improve Pennsylvania avenue from lot 1589 to the East End public school building, which resolution is particularly referred to herein and made a part hereof as if fully rewritten.

That on the nineteenth day of November, 1902, each member was duly sworn to honestly and impartially discharge his duty as a member of said board and according to the law governing the same; and to hear and determine all objections to the assessment and equalize the same in accordance with the special benefit conferred on the respective properties included in the said resolution heretofore mentioned.

Continued on Fourth Page.

## DISEASED PORK MADE FAMILY ILL

SIX PERSONS BECAME SICK AFTER EVENING MEAL.

Mrs. Harry Roe, of Trentvale Street, Cams Very Near Dying Last Night.

From the effects of eating poisoned pork the entire family of Harry Roe, of Trentvale street, were taken suddenly ill immediately after the evening meal last night and for a time the life of Mrs. Roe was despaired of.

The victims were Mr. and Mrs. Harry Roe and their four children, one aged 7, another 5 and twins but 3 years old.

Immediately after the meal was finished the mother was the first to take sick and her condition was so alarming that a physician was quickly summoned and by the time he arrived the entire family had taken sick and the mother was in an unconscious condition. Dr. Brindley discovered that they were suffering from the effects of poison.

He administered an emetic to Mrs. Roe but it was several hours before she was out of danger.

The meat from which the family had eaten was analyzed and was found to contain poisonous matter which had probably resulted from the meat being diseased.

### THE CITY SOLICITORSHIP

M. J. McGarry Announces His Candidacy For the Office Under the New Code.

The first year of City Solicitor M. J. McGarry's term will expire next May, and though he was elected for two years last spring the operation of the new code will make it necessary for him to again place his name in nomination.

Mr. McGarry is one of the most prominent and best known attorneys in Columbiana county, and was, through his own efforts alone, attained the standing in his profession now occupied by him.

When Solicitor McGarry was elected last spring it was demonstrated he was a very popular man, as his vote was a handsome one. He is a young man who makes friends by the score and what is better has the knack of retaining them. He will be undoubtedly reelected by an increased majority.

To the present there has been no indication that there will be any opposition to Mr. McGarry's candidacy, and his friends say there should be none, as he served but one year upon his first term.

### CHATAUQUA CIRCLE

Held a Most Interesting Meeting Last Evening at the Home of Mrs. Eells.

One of the most interesting meetings ever held by the Chatauqua Circle was that of last evening at the home of Mrs. Ira Eells on Thompson avenue. The meeting was opened by an interesting talk by Mrs. Eells, who spoke for her subject "Browning." Mrs. Eells was followed by Miss Agnes Eells, who talked on "Sir Robert Bunsen." A piano solo by Mrs. Romey and also by Miss Jones added to the pleasure of the evening. The attendance was very good, considering the severe cold.

The program for the next meeting, January 23, was decided upon and also the place of meeting, which will be at the home of Miss Elizabeth Caton. The program will be as follows: Parliamentary drill, Mrs. McKelvey; "Carriage," Mrs. Romey; "Ruskin," Mrs. McKelvey; "A Trip Up the Volga," Mrs. S. G. Hard.

### BIRTHDAY PARTY

Miss Vada Strowe Delightfully Entertains a Party of Friends.

Miss Vada Strowe delightfully entertained a party of her friends at her pleasant home on Fourth street last evening, in honor of her eighteenth birthday. Music, both vocal and instrumental, crokinole, progressive pedro and dancing were the order of the evening. A dainty four-course luncheon was served and at a late hour the guests departed, all voting Miss Strowe a most charming and entertaining hostess.

Those present were: Misses Ethel Ferguson, Ada Watkins, Agnes Ferguson, Mittle Strong, Agnes Niblock, Mary Haghigh, Wellsville; Agnes Gillespie; Messrs. Milton Tyndall, Roy J. McCoy, Orrin Strowe, Melvorne Glass, Earl Strowe, Cliff Lawson, Wellsville, and Andy Duffy, Toronto.

## YOUNG WOMAN'S WILD LEAP FROM A RUNAWAY SLEIGH RESULTS VERY SERIOUSLY

Panic Among Members of a Sleighing Party Cause of Broken Bones For a Young Lady.

Miss Mayme Bryer, an employee of the decorating department at the Voder pottery, lies at the home of Mrs. Curtis Welch, in Jackson square, where she boards, with her right leg broken in two places, the result of a sleighing accident which occurred on the Calcutta road at about 9 o'clock last evening. In the sleighing party were Miss Lizzie Mulrine, her uncle, Abe Flynn, of Braddeck, Pa., William Morrison, of the same city and the injured girl. They had a double team from Harrison Rinehart's livery stable on Seventh street.

They went out the Calcutta road at a merry clip, Mr. Flynn doing the driving. About two miles from the city he turned the horses and started back to town when they became frightened and started to run. The road winds down the hill and the

horses were soon beyond the control of the driver. The occupants of the sleigh became panic stricken and Miss Bryer, heedless of the entreaties of the driver to remain still, jumped from the sleigh which by this time was going at a terrific rate. The girl landed on her feet, but the momentum threw her violently to the ground. A short distance farther on the sleigh struck an obstruction in the road and the others were thrown out. Fortunately none of them were hurt beyond a few bruises. The horses continued their mad flight for perhaps half a mile before they were stopped. Miss Bryer was picked up in an almost insensible condition and brought to town in another vehicle.

Dr. Kirk was called and his examination showed that both bones of the right leg were broken just above the ankle. There were no other injuries beyond a few bruises.

## CAR LINE FROM HERE TO COLUMBUS

A Probability of the Near Future—Plans Matured For a Long Electric Road.

All that East Liverpool people will need to do to be able to ride from home to Columbus on trolley cars at an early date will be to secure an extension of the Wellsville line to Toronto. Before many months Steubenville will be connected with Columbus by a street railway line. This is the latest information from Columbus. To complete the long route there are two gaps to be closed. One is between Brilliant and Wheeling, and other between Zanesville and Newark. Both jobs will begin in the spring.

The contract for building the interurban road from Newark to Zanesville, which is to become a part of the Columbus, Buckeye Lake & Newark Traction company, has been signed, and as soon as the weather opens sufficiently for work to be done, it will commence.

The Arthur E. Appleyard company has the contract for building the road, and the contract requires that it is to be turned over to the Tucker Anthony syndicate, controlling the Buckeye Lake line, ready for operation.

General Manager Harrigan, of the Buckeye Lake line, was in Columbus Thursday and stated that all the rights of way with but a few miles, between the points mentioned, have been secured. A corps of engineers is now stationed at Newark, and is working at intervals along the route, making necessary changes in the survey.

The completion of this extension and the transformation of the B. Z. & C. narrow gauge steam road, recently purchased by the Appleyards, into an electric line, will open direct electric railway communication between Columbus and the Ohio river at Wheeling. There it will connect with the Wheeling Traction company's lines which owns the Steubenville-Mingo & Ohio Valley Traction road and virtually connect Steubenville and Columbus, by a street car line.

### SEEKS INJUNCTION

The Village, Like Wellsville, Is Hot After a Local Traction Company.

Toronto is now going after the Steubenville Traction company rough shod. The village lost its recent suit to compel the company to change a curve to the grade of the street, but in order to compel the company to live up to its franchise, Solicitor Taylor, by direction of council, filed a suit for specific performance in the courts yesterday. It is claimed that the streets were torn up and not properly relaid; that the rails and the tracks are not properly laid and that the water settles between them and cannot be drained off. Until conditions are remedied the court is asked to enjoin the company from operating in the village.

### EARLY PRIMARIES

Seem to be Favored by Republican Candidates for County Offices.

Lisbon, January 10. — (Special) — County Chairman John S. McNutt, has called a meeting of the Republican county committee, together with the aspiring candidates to be voted for at the spring nomination, to be held in the court house Saturday, January 17. At this meeting rules and regulations to govern the primaries will be adopted and the time for holding primaries. It seems to be the sentiment of the candidates heard from that the primaries should be held this year on either March 25 or April 18.

Spanish War Veterans Meet. Major Weybright Camp No. 156, Spanish War Veterans, held a meeting last night in their armory in the city hall. Fifteen candidates were to have been initiated, but owing to the extreme cold weather some of the officers could not be present, and it was postponed until next Friday evening. Since the improvements recently made by the members the armory is very comfortable. The membership of the order is growing very rapidly, and it is the wish to include in it all the Spanish war veterans in this neighborhood.

Granted Pensions—A special from Washington says pensions have been granted as follows: Joel W. Hoyt, of East Liverpool, \$6, (war with Spain); minors of Fred Stark, East Liverpool, \$12; Samuel L. Lawrence, Salem, \$17. Hoyt served as a member of Company E, Eight Ohio volunteers. A number of those who served in this company are now drawing pensions of \$5.

### Licensed to Marry.

Lisbon, January 10. — (Special) — Edward S. Russell and Anna C. Aten, both of Wellsville; William Foster and Daisy Rosenbaum, both of East Palestine, have been licensed to marry.

It leads—the News Review.

## WITH THE WORKMEN IN THE CLAY PLANTS

### INVENTED A BRICK GLAZE.

A company will shortly be incorporated in Trenton, headed by Aaron French, of 7 Breunling avenue, for the manufacture of glazed brick. Mr. French claims to have invented a glaze that will stand all kinds of weather, and which can be applied to the brick at a cost small enough to warrant their manufacture for exterior use. For many years men interested in the brick making business have been endeavoring to secure a glaze that will withstand the weather. Mr. French has given his preparation a thorough test and now he comes forward with the assertion that it will not craze, chip, scale or crack. If Mr. French's prophecy that the bricks can be made at a cost small enough to permit of their use in the fronts of buildings proves true it will likely prove a big factor in exterior decorations. Glazed bricks at present are only used for interior work, no preparation having yet been found to make them weather proof.

### CARROLLTON PROJECT.

The proprietors of the proposed Carrollton pottery—names not given—propose, according to the Carrollton papers, to build a five kiln plant, worth, when completed, \$125,000. They submit two propositions on which the citizens are to act: First—A bonus of \$30,000, a loan of \$30,000, a free site and switch. The loan is to be secured by a first mortgage on the plant and non-interest bearing for the period of two years, after which it will bear interest at the rate of six per cent. Second—A site and switch with a loan of \$50,000 to bear interest at the rate of six per cent after two years. The money to be paid as the work advances, and the entire amount not to be paid over until the plant is completed. The loan is to be secured as in the first proposition. They obligate themselves to pay back the sum borrowed some time within fifteen years.

### WAS A CLAY WORKER.

The body of William Mozena, foreman of the Eastern Ohio Sewer Pipe works, who died at the West Penn hospital from injuries received while at work at Irondale, was sent to his home in Uhrichsville. His relatives failed to reach his bedside before he died. Mozena was the son of Mr. and Mrs. L. Mozena, of Uhrichsville, and would have been twenty-nine years of age on February 7, next. He had been employed in the clay works of Uhrichsville for years as a skilled workman. He went to Irondale about two weeks ago to accept a position as foreman in the new plant there.

### SHORT OF CLAY.

There has been a shortage of Florida clay at the Burford, which prevented the plant starting when intended. Orders were made for this material long enough ago for it to have reached here from the Sandwich islands, but it seems impossible to either receive or make shipments in a reasonable time. Clay enough was borrowed from other firms to keep a portion of the men at work this week, which was done owing to the imperative demand for a number of the new Pearl shape dinner sets.

### POTTERY INCORPORATION.

Articles of incorporation have been filed at Trenton by the Morris & Will more company giving them the right to erect and establish a manufacturing plant for the building of engines, machinery and apparatus for the manufacture of all kinds and grades of pottery, porcelain and earthenware. The new company has purchased the Columbia Art pottery on Parker avenue, Wilbur, and has a capital stock of \$100,000, divided into 1,000 shares of \$100 each.

### NEW PACKING SHED.

The frame packing shed at the East End Pottery which was partly demolished a short time ago by a freight train crashing into it, is being replaced by a substantial brick structure which will be three stories high and extend east and west along the entire length of the plant's main structure. It is stated that three new kilns are to be added to the plant which will double its capacity.

### NOW WORKING FULL.

The decorating department at the Union began full today though some work has been done for the past week. There has been plenty of orders and the indications are that all departments will be working regularly for a considerable period.

### WILL MOVE HERE.

Hugh Nevil, who recently took charge of the sales department of one of the Southside plants will move

his family to this city in the near future. Mr. Nevil is regarded as one of the best posted men in the pottery business in the country and for years held a responsible position with the largest jobbing firm of American made ware. He will be cordially welcomed to the city.

### WILL HOLD A SMOKER.

Kilndrawers' local No. 17 will celebrate the third anniversary of its organization the night of January 17. It has been decided to hold a smoker after the regular meeting on this night. No formal program has been arranged for as yet, but those who will have charge of the meeting will see to it that all have a pleasant time.

### PRESSES ON AGAIN.

All the pressing force is working again at the William Brunt and the plant is now running full in every department. Some of the presses were laid off temporarily five or six weeks ago, owing to orders for pressed ware being a little slow. The men found work elsewhere during the dull period.

### A NICE SOUVENIR.

The Wheeling Pottery company has issued a novelty in the shape of a vest pocket booklet or rather slatelet, as the pages are of slate, with pencil accompaniment convenient for making memoranda. It bears "Royal La Belle Blue" on the cover.

### A BIG ORDER.

The Ford China company, at Ford City, Pa., it is reported, has secured an order that will call for three cars in bulk each week of plates, cups, saucers and fruit. This with their regular business will keep the shop busy to its full capacity.

### AMONG THE POTTERS.

Mrs. Joseph Chambers has resumed her old position as transferer at the Globe.

Mrs. Jennie Vogel has taken a situation in the biscuit warehouse at the Union.

Miss Stella Wasson, of the biscuit warehouse at the Union, resigned her position yesterday. Ben Conklin and Will Callahan have gone to Salineville to get the sagger shop of the Dresden plant there in shape to start Monday.

### HUCCING A CORPSE

A Slav Found Drunk in the Kitchen of a Dirty Hovel at Robeyville.

Steubenville, January 10.—Lying on the floor of a dirty kitchen, huddled by a dirty Slav, sleeping off a drunk, and crawled over by a housekeeper who had no more cleanliness in her looks, that the average foreigner, was the condition in which Coroner Campbell found the body of Pereto Spantock at Robeyville, in the lower end of the county, Thursday afternoon. For hours the lifeless body lay in the kitchen, with men about, who were in the same condition as Spantock before he met his death, yet they seemed to care little, and with oaths and curses, Rossie Pereto told the coroner that his friend was not dead but simply sleeping.

Spantock's death was due to freezing. He came to the county three weeks ago. Had he gone three steps farther before he dropped to the ground he would have been in Harrison county and there would have been no job for Coroner Campbell. He was found on the road frozen stiff, after a Hungarian spree, and carried to his friend's home.

### Deafness Cannot Be Cured

by local applicants as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running, or watery, or mucous, or catarrhal condition of the ear. It is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & CO., Toledo, O. Sold by Druggists. The Hall's Family Pills are the best.

### Ministers Sued For Damages.

Wooster, January 10.—Thomas Jamison, of Wooster, has instituted suit against two ministers for \$5,000 damages for alleged slander. Rev. Chester Ralston, president of the Ohio Baptist Young People's union, and in charge of the church at Warren, and Rev. J. M. Lockhart, of Wooster Baptist church, are the defendants. Jamison declared that they assailed his character

## REALM OF SPORTS

### REFORMS IN RACING

W. E. McHenry Thinks the Three Out of Five Heat System Should Be Dropped.

M. E. McHenry, one of the best known harness horse drivers in the country and who campaigned the sensational Dan Patch last season, believes that a number of reforms should be made in harness racing.

While at Kansas City superintending the shipment of the great pacer to his new home at Minneapolis McHenry said to an interviewer:

"One of the first things that should be done is to change the three out of five heat system to a dash system. Why on earth they have not done this before is beyond my comprehension. Such a change would be beneficial to the horses and the drivers, and would, I am sure, add interest to harness racing. The heat system has been used ever since harness racing began. With the dash system six or seven races could be trotted and paced every afternoon of a meeting, while under the present system four races are a great sufficiency.

"And then think how much easier it would be on the horses. With the dash system in effect more records would be broken. Quite an agitation has been started toward abolishing the three out of five heat system and in a year or so it may result in something. I think that in a great many of the meetings next year two out of three heats will be raced. Instead of three out of five, and even that will be a step in advance."

When asked if he thought Dan Patch would succeed in lowering his own mark next season McHenry said: "I am certain that Patch will go below 1:59 1/2 next year, for he paced a fifth of a second below that mark last season."

It is not generally known that McHenry shared in the money earned by Patch last season. Altogether the horse cleared something like \$50,000 during the season, counting the immense profit made on his sale. Mr. Sturges bought the horse for \$20,000 and sold him for \$60,000. In purses and exhibition fees Patch earned \$10,000. According to the contract made with Mr. Sturges McHenry received one-half of the net profit of the sale of the horse and the winnings. Mr. McHenry considers it a very good season's work.

### McLeod Still Champion.

In the presence of a crowd of over 3,000 persons, Dan McLeod, succeeded in defeating Tom McInerney, of Ireland, at the Gray's armory in Cleveland, thus retaining the championship of America which he won when he defeated Tom Jenkins. McLeod was the aggressor all the way, and although McInerney won the first fall, it was more by good luck than anything else. The time of the first fall was 16 minutes, McLeod taking the next two in 20 and 17 minutes.

### Bought a Fast Horse

Joan, 2:14 1/4, one of the famous Joe Patchen colts, was sold at Johnstown, Pa., by Henry Y. Hawes to Thomas Moffet, of this city, for a fancy price. Joan has a record of winning many races in her class. Her notable achievement was in Wheeling, W. Va., two years ago, when she won a race in the ninth heat. Mr. Moffet has been caring for Harrison S. Rinehart's Redmond. He is now at Johnstown and is expected home in a few days.

### Automobile Feats.

A. C. Banker, a Chicagoan, lately accompanied Canadians by dextrous feats in the management of an automobile. With a six horse power machine he backed off a step and touched an egg without breaking the shell, recovering himself with the utmost ease after marking the egg with the tire.

### SPORTING MISCELLANY.

Parsen Davies may become a vaudeville monologist. Harry Morris, according to word from Indianapolis, has made the sporting man and manager of pugilists an offer of \$500 a week to join his company playing "A Night on Broadway."

At a meeting of the Athletic association of Mt. Union college James D. Hobson, of Flushing, was elected manager of the foot ball team for 1933. Mr. Hobson is a member of the sophomore class and has been prominent in college athletics.

New Yorkers are to have the chance to see Jack Munroe, the big miner of Butte, Mont., who won fame in a single night by standing off James Jeffries. Munroe will appear at \$1,000 per week in "The Road to Ruin" company.

Henry Strong, the well known Warren horseman, died from the effects of an operation from cancer, a few days ago. Mr. Strong was connected with the Oak Grove Driving club, of Warren, and was an enthusiastic road driver.

# Constipation

## Ruined Dr. Dill's Health.

It will treat you the same way. You can not be constipated and remain strong and well. Indigestion and dyspepsia are its symptoms. If you belch you have constipation. Dr. Dill first got constipation, then he lost his appetite, he became weak and sick, his kidneys went back on him and he had to give up his practice.

## Mull's Grape Tonic Cured Him

just as it will cure you. Constipation is the rotting of undigested food in the stomach. A physic won't cure. It makes it worse. Pills, Castor-oil, Salts and other such treatments are no good in a case like this. Dr. Dill tried them all. Mull's Grape Tonic will not physic a well man. Its action on a constipated person is quick and permanent.

For a large sample bottle send 10 cents to cover postage to Lightning Medicine Co., Rock Island, Ill. All druggists sell Mull's Grape Tonic. 50 cents a bottle.

DR. DILL, St. Louis, Mo.

### A St. Louis Doctor Tells How He Was Cured.

Gentlemen:—I beg to thank you for calling my attention to Mull's Grape Tonic, some time ago. My profession requires close application and confinement to the office, and after several years of this indoor, sedentary life, my health completely broke down; my stomach was bad, my liver out of sorts and I felt tired and worn-out all the time. When you first showed me Mull's Grape Tonic I was skeptical, but took your word for it, and now after taking several bottles, feel as well as I ever did in my life. It is a splendid medicine for the stomach and bowels, and the best general tonic I ever saw. I thank you again for calling my attention to Mull's Grape Tonic. Yours very respectfully,

DR. E. A. DILL.

This is not the only doctor who recommends this great cure. Mull's Grape Tonic is pleasant to take. It will cleanse the entire system of all disease. It will make strong muscles and solid flesh because it makes pure rich blood. If it fails, you can have your money back. The grape is the greatest flesh-builder known. Mull's Grape Tonic is in no way like cathartics and pills. Most people who are run down are sufferers from constipation. Cod-liver oil won't help them because it increases the constipation habit. Mull's Grape Tonic will positively cure.

FOR SALE IN EAST LIVERPOOL AT HODSON'S DRUG STORE.

### HELD UP BY HIGHWAYMEN

Toronto Men Knocked Down And Robbed Under a Bridge Near Empire.

Toronto, January 10.—Jacob Tice, of Toronto, was held up at Elliotville, one mile north of Toronto, by three highwaymen. Tice has secured work with T. J. Stringer's railroad gang at Empire and was walking en route to Empire. While passing under the overhead railroad bridge at "Squire Hall's" he met three unknown men who spoke and the salutation was returned instantly but two of the men pointed revolvers at Tice, while the third man knocked him down injuring Tice severely about the shoulder.

They took a bundle of clothing from him which he was carrying and secured \$1.50, all the money Tice had. Tice is unable to be at work today. Although he is not seriously hurt his injuries are very painful.

### Pleading for Capt. Welch.

The friends of William Welch, of Cadiz, formerly captain in the Twenty-fifth United States Infantry, are importuning Senators Hanna and Foraker to use their efforts to have Mr. Welch placed on the retired list of the army with the rank of colonel. Capt. Welch served with distinction in the army up to 1871, when he was dropped from the service along with over 2,000 other officers, there being no need for so many officers in the army at that time.

Mrs. Austin's Buckwheat has a worldwide reputation on account of its purity and general Buckwheat flavor. Don't forget the name.

TO CURE A COLD IN ONE DAY. Take Laxative Bromo-Quinine Tablets. This signature on every box, 25c.

For the real good old buckwheat flavor, buy Mrs. Austin's Buckwheat, and don't forget the name.

### Are You Going West?

Beginning February 15, and continuing every day thereafter until April 30, there will be a special rate to all points in Washington, Oregon, Idaho, Montana and British Columbia. For maps, rates, routes and other information write at once to W. H. Allen, District Passenger Agent, Wisconsin Central Railway, 621 Park Building, Pittsburg, Pa. d-wtf

### Very Low Colonists' Rates to the West And Southwest.

The Missouri Pacific Railway and Iron Mountain Route will sell one way colonists' tickets to points in Kansas, Colorado, Nebraska, Missouri, Arkansas, Indian and Oklahoma Territories, Louisiana, Texas, and New Mexico, on the first and third Tuesdays of each month from November 4th to April 31st, at on-half fare the standard first-class fare, plus \$2. For further information write Jno. R. James, Central Passenger Agent, 905 Park Bldg., St. Louis, Mo.

### NEW ENGLAND WATCHES

## EAST END

### A HAPPY OCCASION

Second U. P. Church Celebrates Its Freedom from Debt by Note and Mortgage Burning.

The Second United Presbyterian church in the East End was crowded last night, the occasion being the special services there to commemorate the lifting of the church debt. The note and the mortgage were burned in the presence of a large congregation of happy members, who have been working faithfully for many months in order that the church might be free from all encumbrances.

The program as given in the News Review Thursday was carried out to the letter. Rev. Dr. J. C. Taggart, of the First U. P. church, preached an interesting sermon. This was followed by a short history, by Charles Manley Sr., of the church from its organization as a mission till the time the new church was begun. D. F. White then gave a short account of the work of the building committee, which was responded to by J. H. Smith in behalf of the trustees of the church.

Mrs. Martha Pittenger told how the Ladies' Missionary society had helped in the work, and also claimed for that society the honor of raising the first money toward the building of the church. The ladies had more than \$200 when the foundation was laid, which was applied to that expense. Mrs. Elmer Stevenson told what the junior society had accomplished toward the new church.

After these addresses were made the notes and mortgages were burned in the presence of a happy congregation. The service was one of the most enjoyable ever held in the church.

### ASSESSMENTS TOO HIGH

On East End Property Is the View of Business Men on Pennsylvania Avenue Matter.

But few residents of the East End have yet read the report of the Pennsylvania avenue board of equalization. A few prominent business men have expressed their opinion of it, but only in a general way. One prominent business man in the East End said: "It seems to me that the improvement of Pennsylvania avenue is of great benefit to the city in general, and more particularly to the city proper than to the East End. Down town business men have been able to extend their trade to this section of the city to a great extent by means of this improvement. East End merchants have profited but little by the paving of the road."

"The position maintained by many that the entire cost should be borne by residents of the East End is absurd. The position taken by the members of the board of equalization that the heaviest part of the cost be borne by abutting property owners is hardly correct. But inasmuch as it appears that it will be impossible to collect anything like the assessments on adjacent property, the city will have a portion of the expense to pay, but hardly what it should pay."

"The report of the board placed the assessments too high on other property in the East End. Why should people on Mulberry street have to pay an assessment like what has been levied against them? They are not benefited to that extent and it does not seem right that they should have to pay so much towards the improvement. In my opinion the cost should be paid by the city in general, as it is a benefit to all."

### WALTER C. SUPPLEE

A Candidate for Mayor in the Race to the Finish.

Regardless of the persistent report that at the proper time he will withdraw from the race, Walter C. Supplee wishes to advise his friends that he is in the race to stay to the finish.

## BLOOD WINE CURED HER OF GRIP.

"I had the grip and it left me a perfect wreck," says Mrs. Irving Mack of Cambridge, Mass. "My appetite was all gone; my nerves were all upstrung. I was wasted to a skeleton. Every body said to me, 'You look like a ghost.' I couldn't sleep. I struggled against my sufferings, despite their growing intensity, but I failed completely, and I made up my mind that unless I soon received help I must die. The medicines I took seemed to do me no good, and I was truly a pitiable object. I was white as a sheet and so weak I could hardly walk along the street without staggering. My friends were constantly telling me that I had consumption or some mysterious incurable disease. At length, through the blessing of Divine Providence, I heard of the discovery of a medicine which would do wonderful things. This medicine was 'Blood Wine.' I sent for some of it and began to take it, and the result was simply marvelous. As true as I live, that medicine alone completely cured me and made me a well woman. Lots of my neighbors who know all about it will stand by me in everything I have said. My health is now excellent, and I do my work with a light heart and a strong body. People need not talk about medicines. The medicine for all who are sick is 'Blood Wine.'"

William Siddle, 236 Broadway, Lawrence, Mass., writes:

"I had the grip about three months ago and it left me in a very bad shape. I had an agonizing cough that I could not get rid of. I tried all sorts of remedies, but received no benefit until I used your 'Blood Wine.' It was recommended by my druggist, and I have him to thank for my complete recovery."

Mr. John H. Heatley, 3-4-5 Brown Bldg., Fall River, Mass., says:

"I am very grateful to my druggist for recommending 'Blood Wine' to me. I was very sick with the grip and did not seem to get well. I became weaker and weaker every day. I can thank 'Blood Wine' for my recovery."

If you want to be cured, to stay cured, to get your system in a thoroughly healthy condition, you can do it with 'Blood Wine,' because 'Blood Wine' begins at the bottom—it abstracts the germs from the blood and gives new life.

### FREE BLOOD TEST.

You can have an expert bacteriologist examine your blood under the microscope, and give you a thorough and authentic report of what your blood contains, free of charge, by sending your name to the Louis Daudin Company, Worcester, Mass.

"Blood Wine" costs fifty cents a bottle. FOR SALE BY WILL REED, HODSON'S DRUG STORE, A. H. BULGER AND C. G. ANDERSON.

This rumor may have been started by those whose wish is responsible for the thought, or it may have been started from the fact that he has not yet begun an active canvass.

Remembering the old adage that the early bird catches the worm, there is always a chance afterwards to capture the bird. This he expects to do, and when the proper time comes his name will be presented to the voters in the proper manner.

### EAST END AFFAIRS.

The Klondike pottery will resume work Monday.

The Larkins & Ferguson hall will be used tonight by the Calcutta social club with a dance.

There will be a special business meeting Monday night at the P. H. C. hall by the Ben Hurs.

Mrs. Samuel Searight, of St. George street, is critically ill at her home with stomach trouble.

### Good News.

It will be good news to the mothers of small children to learn that croup can be prevented. The first sign of croup is hoarseness. A day or two before the attack the child becomes hoarse. This is soon followed by a peculiar rough cough. Give Chamberlain's Cough Remedy freely as soon as the child becomes hoarse, or even after the rough cough appears, and it will dispel all symptoms of croup. In this way all danger and anxiety may be avoided. This remedy is used by many thousands of mothers and has never been known to fail. It is, in fact, the only remedy that can always be depended upon and that is pleasant and safe to take. For sale by Alvin H. Bulger, druggist.

Austin's quick raising Buckywheat makes tender, crisp, brown cakes. Your grocer can tell all about it.

### UNION PACIFIC.

Is the most direct line to all PRINCIPAL POINTS WEST. Every business interest is to be found on or adjacent to its line. For the Farmer, thousands of acres of rich agricultural land.

For the Stock Raiser, immense areas of excellent grazing land. For the Miner, the great mineral deposit in the west.

For the Homeseeker, millions of acres of land under irrigation, while but little is yet under actual cultivation.

Write for copy of pamphlet "Business Openings on the Union Pacific." Full information cheerfully furnished by

E. L. LOMAX,  
General Passenger and Ticket Agent.  
OMAHA, NEB., or

## CRATIFYING REPORTS OF THE LIBRARY

LIBRARIAN'S FIGURES SHOW PATRONAGE FAST GROWING.

Trustees Will Push the Raising of \$1,000 by Subscription to Duplicate Donation.

The first meeting this year of the Carnegie library trustees was held last night at the library building. Messrs. Thompson, Purinton, Travis, Gilbert and Weisend were present. The principal business of the evening was approving bills and receiving the report of Miss Baker, the librarian, since the opening of the building to the public last May. The report showed that the library had been liberally patronized by the citizens, and that a large number of books have been distributed throughout the year. The report in full follows:

"Since May 12, 1902, the day on which books were first loaned the library has been open to the public 197 days. The total number of books loaned is 26,580. Books read in the reading rooms exclusive of magazines were 18,700. So that during seven months and a half the number of volumes used from the library amount to 45,340."

"Beginning in November the library was opened Sunday afternoon for reading. The record shows that 534 people availed themselves of this privilege and 708 books were used."

"The turnstile showed at the end of the year 64,827 entries. This figure does not adequately express the number of persons visiting the library, as many prefer being waited upon from the desk and do not pass through the turnstiles. One thousand seven hundred and thirty-one names were entered on the borrowers' register."

"The amount of money paid in at the library during the year was \$113.36. The amount paid out and handed to the city treasurer is \$92.98, leaving a balance on hand at the library of \$20.38."

The trustees were greatly pleased with the showing made by the library since it was opened and hope for still better things this year. The question of soliciting subscriptions for the library from the public was brought up. At the last meeting the paper was headed by a donation of \$1,000, provided an equal sum might be raised. So far nothing has been done towards raising this money, but the project will be pushed. If this is raised a large number of new valuable works can be added to the library, thus completing it in many departments."

It was suggested at this meeting that next year the library trustees take up the question of a lecture course for the city. Nothing but the very best attractions will be secured, and if taken hold of will be made a success. The members were all in favor of this. As soon as necessary steps will be taken to secure good attractions, and in this way the trustees guarantee a first-class lecture course for the coming winter."

### COUNTY AND NEIGHBORHOOD

C. W. Huntley, aged 88, and Martha M. Watrous, aged 74, of Charleston township, Portage county, were married lately.

The free delivery route extending from Kensington into Carroll county will be started February 2 with Perry Cox as carrier.

The story of a new gold field to be opened at Waverly, an Ohio river town, about 15 miles above Parkersburg, is again being circulated.

The statistics of sheep raising in West Virginia show that Hancock county produced 4,665, Brooke county 11,590, and Ohio county 12,152 last year.

The Somers Mining company has optioned about 2,000 acres of land near Carrollton, and will test the land as soon as possible. The options were at \$20 an acre.

Options are being taken on about two thousand acres of coal land west and southwest of Rogers, and it is hoped that this coal field may be opened soon.

John Sweatt, formerly of Toronto, has secured the contract for several new college buildings at Bryn Mawr, near Philadelphia. The contract aggregates \$600,000.

It is said that Brown's Island has been purchased by a syndicate, who will hold the same for speculation, believing the property is bound to increase in price.

Pittsburg parties have been among the farmers east and southeast of Columbus, endeavoring to lease coal lands. They also are negotiating for right of way for switches to the Fort Wayne railroad.

### Be Quick.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croup cough appears, will prevent the attack. It never fails, and is pleasant and safe to take. For sale by Alvin H. Bulger, druggist.

## STEADY NERVES MEAN SELF-CONTROL.

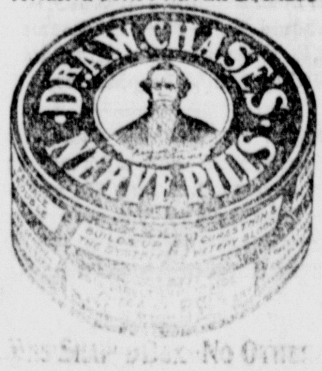

No one save those whose nerves are shattered know the horror of the days of unrest—the nights devoid of sleep—the lack of self control—the feeling of utter uneasiness. No one but those who have used Dr. A. W. Chase's Nerve Pills know the great comfort they give to the weak, weary, nervous, restless, tired, sleepless, irritable and despondent. To such people they are a sheet anchor in time of trouble—a medicine that can and will carry them back to health, strength, vigor and the full enjoyment of life again as attested to by our own town people.

### SUGAR STREET.

Mr. Cyrus Hauselman, of 279 Sugar street, East Liverpool, Ohio, says: "Dr. A. W. Chase's Nerve Pills are a fine medicine. It has done for me more to cure my old rheumatism than anything I ever used. The rheumatism had hung on for five or six years and was all in the legs and shoulders. I could not sleep and at times could not move with the pain. I was told of the Nerve Pills and got them at Larkin's Drug Store, and they took hold finely, something nothing else ever did—the pain and stiffness is about gone. I am feeling strong and get about and sleep well. It won't take many more to cure me completely."

Beware of imitations.—Signature and portrait of Dr. A. W. Chase on each box of the genuine. For sale by dealers, 50 cents a box, or Dr. A. W. Chase Medicine Co., 257 Washington street, Buffalo, New York.

### AN NERVE TONIC NEVER EQUALED

### WELLSVILLE, OHIO.

Mrs. James Stewart, of First street, Wellsville, Ohio, says:—"Due to age and past hard work I was very nervous—lacked strength—did not rest well and felt generally listless and dull—energy was wanting. I heard of Dr. A. W. Chase's Nerve Pills and got some and am very glad I did as they gave me sleep, quieted and steadied the nerves, giving me more energy and bodily strength than I thought possible at my time of life. I am very glad to recommend the medicine."

**Look for the Game Rooster**

on the wrapper of the soap that cleans your clothes without rubbing or boiling. The soap that saves hands and fabric.

**WALKER'S SOAP**

soap washes your clothes while you rest. It dissolves the dirt quickly, surely, and positively without harm. It is a solvent that removes nothing but the dirt.

Dip the clothes in water and soap well, roll up tight and put to soak in lukewarm water for thirty minutes. Walker's will do the rest. Harmless to the hands, leaves them soft and white. Contains no alkali or poisonous acids so common in common soaps. At all grocers.

**K&K K&K K&K K&K K&K K&K K&K**

**BLOOD DISEASE CURED.**

If you ever contracted any Blood or Private Disease, you are never safe until the virus or poison has been eradicated from the system. Don't be satisfied with a "patch up" by some family doctor. Our New Method is Guaranteed to Cure or No Pay. No Names Used without Written consent.

**Cured When all Else Failed**

"I can't live my early life over, this testimonial would not be necessary, though I was no more sinful than thousands of other young men. Early indiscretions, later excesses, exposure to contagious diseases all helped to break down my system. When I commenced to realize my condition I was almost frantic. Doctor after doctor treated me but only gave me relief—not a cure. Hot Springs helped me, but did not cure me. The symptoms always returned. Mercury and Potash drove the poison into my system instead of driving it out. I bless the day you New Method Treatment was recommended to me. I investigated who you were first, and finding you had over 25 years' experience and responsible financially, I gave you my case under a guarantee. You cured me permanently, and in six years there has not been a cure, pain, ulcer or any other symptom of the blood disease."

M. A. CONLEY.  
We treat and cure Varicose, Blood Poison, Nervous Debility, Stricture, Impotency, Secret Drains, Kidney and Bladder Diseases.

AVERAGE FOR YEAR.....2,689

SATURDAY, JANUARY 10, 1903.

According to Washington advices the hearing before the rivers and harbors committee on Monday which will be granted to a committee of the Ohio River Improvement association promises to bring out a full discussion of this great project. The committee will be given an opportunity to show why such a mammoth appropriation should be made for the Ohio river, an appropriation that will amount to at least three times the sum of the annual appropriation for the entire country. It is desired by the improvement association to secure favorable action at this session on the resolution of Representative Brownell, of Ohio, appropriating \$200,000 for a survey of the Ohio river from the mouth of the Miami to Cairo. If the committee succeeds in getting this appropriation at this session it will have broken the precedent for the past 20 years. President Roosevelt is with the rivermen and says the Ohio river improvement must come. That is one of the many reasons why he is a good man to re-elect.

Governor Nash has issued a proclamation calling upon the people of Ohio to observe January 29, the sixtieth anniversary of McKinley's birth, with appropriate services. Especially are the schools urged to observe the day. The idea is commendable and will doubtless be carried out extensively. Young people and old will find their patriotism quickened by recalling the career of the martyred president. McKinley's birthday is to be celebrated at Canton with the president of the United States as a guest and a speaker. Ohio and the whole nation will pay fitting tribute to the memory of an illustrious patriot and a wise and great statesman.

Another field is opening for American industrial enterprise. The Commercial Museum of Philadelphia has recently received letters from prominent importing firms in India and China, asking for the address of American manufacturers who will furnish idols and sacred images for the temples of those countries. It appears the orientals have some American-made idols and like them so well that they want more.

Delaware is without senators and the deadlock in the legislature unbroken. The legislature is composed of 21 Addicks Republicans, 19 anti-Addicks Republicans and 21 Democrats. None of the three has a majority, and an election can only come by combination. Yet many public men, including United States senators, can see no reason for a change in the method of electing senators. Delaware can see it, however.

Stuebenville built 203 houses last year. East Liverpool exceeded the number by about 100 and still has not houses enough. And East Liverpool is no boom town, either.

The public is just learning a great deal about the Pennsylvania avenue improvement which ought to have

## Humors

They take possession of the body, and are Lords of Misrule.

They are attended by pimples, boils, the itching tetter, salt rheum, and other cutaneous eruptions; by feelings of weakness, languor, general debility and what not.

They cause more suffering than anything else.

Health, Strength, Peace and Pleasure require their expulsion, and this is positively effected, according to thousands of grateful testimonials, by

**Hood's Sarsaparilla**

Which radically and permanently drives them out and builds up the whole system.

been learned before the city undertook the work. Dissatisfaction would have thus been avoided and costly litigation. It should be a rule, in deciding upon public improvements, first to decide how they are to be paid for.

Wireless telegraphy permits the publication of a daily paper, with the latest dispatches, on the ocean greyhounds. A passing ship thus becomes an esteemed contemporary.

The small boy enjoys the old-fashioned winter. There is a chance of him getting his ears frozen or his leg broken, but the element of danger is what he delights in.

Philadelphia grabbed at Carnegie's offer of \$1,500,000 for libraries with such eagerness that she came near losing her long-established reputation for slowness.

With the mercury hovering around zero, firemen in active service find few to envy them their jobs.

## OBITUARY

William H. Price.

After two weeks' illness with intense suffering with catarrh of the bowels, William H. Price, of 700 Railroad street, passed quietly away at the age of 71 years at 12:30 a. m. today. His death ends a long and useful career. Mr. Price was born in Lisburn, County Ulster, Ireland, 71 years ago. At the age of 6 he came to America with his parents. Coming to Ohio by the Erie canal route he settled first near Alliance and later in East Liverpool. While living in this city he learned the painting trade and worked in many of the large cities of the central and northern states. When the civil war broke out he enlisted in a Pennsylvania regiment and served during the latter part of the war with the army of the west, being with General Sherman on that famous march from Atlanta to the sea. At the close of the war he was honorably discharged and returned to East Liverpool.

With the money he received for his service in the war he purchased what has since been his home at 700 Railroad street. Although Mr. Price has not been well for a long time he had only been confined to his bed two weeks. He leaves a host of sorrowing friends, a wife, one brother, Rev. James Price, of Philadelphia, and six children as follows: Belle, Frank and Elmer, who reside at home; William Price, of St. George street, East End; Mrs. Edwin Simpson, of Third street, and James Price, of Derry, Pa. Burial will be made at Riverview cemetery.

Mrs. Anderson Campbell.

Mrs. Barbara Campbell, aged 61, wife of Anderson Campbell, died at her home on College street, at 4:45 o'clock yesterday afternoon, of cancer of the stomach. She had resided in the city for thirteen years and was a devoted Christian. Mrs. Campbell was the mother of eleven children now living, Agnes, Alice, Ina, Elva, and Carrie live at home, and Sherman is also a resident of this city; Mrs. Thomas Sargent, Mrs. William Miller, William and Vernon are residents of Los Angeles, Cal., and James, in New York. One died a year ago in the west. Funeral services will be held at the residence on Sunday afternoon at 3 o'clock by Rev. Dr. Taggart, and interment will be made at the cemetery in Service Monday at noon.

Robert Bruce Smith.

Robert Bruce, the 18-months-old child of Mr. and Mrs. L. C. Smith, of Dry Run, in the East End, died suddenly last night about 9:30. The little child had been playing with some boys only a few minutes before his death, and suddenly fell over in his mother's arms. Death resulted before a physician could be summoned.

The funeral services will be held Sunday afternoon at 1:30 at the home of Frank Knowles, of Oakland, Rev. G. W. Orcutt will have charge of the services. Interment at Riverview.

Mrs. Andrew Reed.

Mrs. Andrew Reed, aged 69 years, died at the home of her daughter, Mrs. Harry Headley, in the West End, yesterday afternoon of erysipelas. Mrs. Reed returned from a visit with her friends at Lockport, N. Y., about three weeks ago and was taken suddenly ill. She is survived by a large family who nearly all reside in this city.

Miss Fannie Bryan.

Miss Fannie Bryan, aged 25 years, died at 4 o'clock this morning at the home of her parents, Mr. and Mrs. Alex Bryan, of Third street, near Jefferson. She had been ill six weeks from pneumonia. The funeral services will be held at the residence at 1 o'clock Monday afternoon and the interment will be made in Spring Grove cemetery.

Mrs. James Welch.

The funeral services over the remains of Mrs. James Welch, who died at her home near the Township Line school house, Friday morning, will be held at her late home next Monday afternoon at 1:30 o'clock. Interment will be made in the Township Line cemetery.

Mrs. W. H. Peirsoll.

Mrs. W. H. Peirsoll, aged 61, of West Bridgewater, Pa., mother of Mrs. R. J. Marshall, of the East End, died at her home yesterday. The funeral took place at 2 o'clock today, the interment being at Beaver cemetery.

Dr. George O. Wells.

Dr. Joseph A. Wells, aged 21 years, died at the home of his parents in Pittsburg of pneumonia. He was well known in this city and Wellsville. The interment will be made in the latter city Monday.

## FRIENDS AND VISITORS

John Howard left today for a visit with friends at Beaver Falls and other Pennsylvania towns. He will be absent several days.

S. J. Warner, who has been ill at his home on Second street suffering from an attack of fever, is recovering and will be able to resume his duties in one of the river potteries soon.

## GUARANTEED

Some people act on the idea that an article from Europe, New York, or anywhere far away, must be better than a home made product.

That's a foolish fad—just a plain, foolish fad. Home made bread is the best—so is home made medicine. We make a

## PINE TAR EXPECTORANT

that cures more Coughs, Colds, Bronchitis, La Grippe, and Sore Throat than any other remedy in our store. We know that this is a splendid cough cure for family use. We guarantee it to be satisfactory. Money back if it fails. 25 cents per bottle.

C. G. ANDERSON, Druggist, Diamond.

## Do You Expect

your teeth to care for themselves? Your teeth must of necessity be sound. Think of the work they do!

## Three Meals a Day

Say one thousand and ninety-five meals a year. Can poor teeth ever stand it long? We will make poor teeth GOOD TEETH for little money, so do not delay, but call and hear our prices—prices to suit the pocketbook. All examinations and consultation free, and all work guaranteed. We are the SOLE MAKERS of Seamlers Crowns and Bridgework in East Liverpool. Let us show you the difference.

## Important Announcement.

JANUARY 13, 14, 15, 16 AND 17, TUESDAY, WEDNESDAY, THURSDAY, FRIDAY and SATURDAY, of next week, we repeat our offer of a few weeks ago, and will extract teeth ABSOLUTELY WITHOUT PAIN, or no charge. As a result of our last offer, we removed 228 teeth in the two days that the offer lasted, and never had one complaint. Remember for FIVE DAYS ONLY we will extract teeth at twenty-five (25c) per tooth, same to apply on bridge or plate work if ordered at this time. Don't forget the dates as there will be no extension of time.

## DUN'S TRADE REVIEW

Collections Notably Prompt, Testifying to Strong Financial Position of Industries.

## FUEL THE DISTURBING ELEMENT

Inadequate Supply of Coal and Coke Retarding Operations in All Industrial Lines—Much New Business Coming Forward in Iron and Steel.

New York, Jan. 10.—R. G. Dun & Co.'s Weekly Review of Trade, issued today, says in part:

Collections are notably prompt at all leading centers, bearing testimony to the strong financial position of the nation's industries at the opening of the new year. Distributing of merchandise is heavy and manufacturers are pressed for prompt delivery. Orders for spring goods come forward freely and in many lines there is more than a sample business in fall weights. Tardy deliveries in the past lead purchasers to anticipate requirements more than heretofore, and orders are being placed far in advance of actual needs. The fuel situation is still the one seriously disturbing element, rendering abnormally high the cost of manufacturing and restricting the purchasing power of almost the entire population. Fortunately this comes at a time of exceptional prosperity, or there would be a general contraction of consumption in other lines. There is little interruption to work because of labor disputes, but many operations are interrupted by the delay in transit of needed materials. Railway freight rates were advanced, and one result will be a loss of exportation from eastern cities, the traffic being deflected to New Orleans.

### Operations Retarded.

In the iron and steel industry the most significant event of the week was the discussion regarding the profit-sharing proposal by the leading producer, inadequate supplies of coke are still retarding operations. Contracts for the new year were made at \$4 a ton, but prompt deliveries often command \$6 or \$7, and Atchafalpa were reported at \$10. Pig iron continues scarce, prices generally advancing during the past week, and the expected advance of \$1 a ton was made in wire products. Much new business has come forward, especially in bars and sheets, which had been comparatively quiet, while there is a vigorous demand for structural material to be used in bridge work and car shops. Another year of unprecedented activity in this industry is confidently anticipated. Partially because of the published statistics of supplies, but more on account of London speculation, there was a sharp advance in prices of tin and copper, followed by some reaction due to realizing sales. No new features have appeared in the domestic demand for dry goods. As to woolen goods the demand for overcoatings for next fall has not come up to expectations, which may be attributed in part to the fact that the season opened unusually early. Prices are fully maintained at the opening level of the season.

Failures for the year 1902 were 275 in the United States against 275 last year, and 24 in Canada, compared with 27 a year ago.

Pennsylvania Monument in Place. Chattanooga, Tenn., Jan. 10.—The Pennsylvania monument at Chickamauga park to the Seventy-third regiment, Pennsylvania volunteers, was put in place yesterday. It is located on Missionary Ridge, where the assault on Nov. 25, 1863, was made.

Governor Nash's Proclamation. Columbus, O., Jan. 10.—Governor Nash issued a proclamation yesterday calling upon the people of Ohio to observe Jan. 29 with exercises in all schools, colleges and universities commemorative of the sixtieth anniversary of McKinley's birth.

## THE EQUALIZERS VERY INDIGNANT

Continued from First Page.

That said board heard and determined all objections to the assessment and equalized said assessment as specially benefited so as the burden would fall equitably upon the property benefited, and in accordance with the special benefit conferred on each property by reason of said improvement which benefits were conferred on said properties included in said resolution.

That said board found that the assessment board has assessed the property especially benefited at thirty thousand seven hundred and eighty two dollars and four cents (\$30,782.04), and that the equalization board equalized upon the same amount, and did not add anything thereto except a reasonable compensation for the services rendered as members of said board, and said board did not add anything to the same.

That from pages thirty (30) to fifty-eight (58), inclusive, of this book is contained a true and correct copy of the findings of the assessing board for said improvement as set forth therein but any written statements included in said report to the city council of the city of East Liverpool, O., and the signatures are omitted therefrom.

That from page sixty-one (61) to seventy (70), inclusive, of this book is a true and complete abstract of all the protests and objections to the assessment of said improvement as found by the assessing board, which were in writing and filed with the city clerk of said city.

That from page seventy-one (71) to one hundred and twenty-two (122), inclusive of this book, is contained the report, findings and the final decision of the board of equalization for the Pennsylvania avenue improvement which report, findings and its decision are respectfully submitted to the Honorable City Council of the City of East Liverpool, O.

In testimony whereof we, the members composing the said board of equalization for the Pennsylvania avenue improvement, have hereunto set our hands at East Liverpool, O., this thirty-first day of December, A. D. 1902.

W. A. CALHOUN,  
GEORGE OLINHAUSEN,  
HOLLIS E. GROSSHANS.

In some quarters the board has been criticised in the matter of their methods of equalizing the assessments. These objections, the members say, come from a source that is not reliable, and could not possibly have caused any worry, but for fear that someone not acquainted with the facts would be misled by the statements made, the board has prepared the following list of questions:

First—What is the lawful way of assessing and equalizing the properties which are especially benefited by the Pennsylvania avenue improvement? Second—Should the tax valuation on the respective properties on the Pennsylvania avenue improvements be taken as a guide or given any consideration whatever in assessing and equalizing? If so to what extent? Third—To what extent should all the properties east of the East End public school building bear in proportion the burden of the assessment in proportion to the whole incurred? Fourth—To what extent ought all the properties between lot 1589 and the East End public school building bear the burden of the assessment in proportion to the whole incurred? Fifth—Do the properties west of lot 1589 receive a greater or less benefit than the properties immediately east of East End public school building? If yes, on a basis of \$100 each what percentage more? Sixth—Ought the properties west

of the East End public school bear more or less of the burden of the assessment for the Pennsylvania avenue improvement than those properties east of said public school building? Seventh—If you were to assess or equalize the burden of the assessment on Pennsylvania avenue what properties would you take as a basis and what is the proportion of any property you may name to the total cost of the improvement, to wit: \$30,782.04.

One of the members of the board stated last evening that if the person or persons who had taken exceptions to the manner in which the board had performed its work would answer these questions and do it honestly it would be plain to him that there was no other way to proceed.

## WELLSVILLE

## WEEK OF PRAYER

Has Been Duly Observed in Wellsville With Most Profitable Services.

The week of prayer was very profitably spent by the congregations of the local churches. Union services were held at 2 o'clock every afternoon in different churches.

On Monday afternoon the service was held at the United Presbyterian church, and the pastor, Rev. W. M. Glasgow, conducted the meeting. Tuesday the meeting was held at the First Presbyterian church by Rev. Mr. Lavery. Wednesday at the Christian church by Rev. Mr. Prewitt; Thursday at the Evangelical church by Rev. Mr. Vandersall and last evening the meeting was held at the Second Presbyterian church by the pastor, Rev. Mr. McKee. The subject of the sermon last evening was "Special Work for the Young—Families and Schools."

Revival meetings have been held every evening during the past week at the Third street Bethel mission. The attendance has been good each evening, and Rev. Mr. Vandersall, the pastor, has decided to continue the meetings for next week.

## A BOY'S WILD RIDE

Thrown from a Vehicle to the Street By a Runaway Horse.

A horse belonging to the Wellsville Steam Laundry and hitched to a delivery wagon became frightened at a street car yesterday afternoon in the neighborhood of the Lisbon street and ran off. Tom Bell, the lad who was in charge of the vehicle, could not control the frightened animal.

When the horse reached the building of the old soap works on Third street the box of the vehicle was pitched from its wheels and the horse continued to run up Third street and down Broadway, where it was finally stopped.

The boy, who was too scared to jump, took a severe tumble with the wagon box, but when picked up by street Inspector Dalton and another who was standing nearby, it was found that he was not severely hurt and was able to take charge of the horse again. No damage was done other than the wagon box being cracked up somewhat.

## Board of Health Report.

The annual report of the city board of health, which was prepared by Health Officer Dr. M. C. Tarr and Secretary E. C. Taylor, has been sent to the secretary of the state board of health at Columbus. The report in full follows: Total deaths in the city, 127; premature and still births, 147; infectious diseases reported, 147; deaths from infectious diseases, 10; deaths, 171; nuisances reported and abated, 150. The report does not show a number of nuisances which have been reported to the board that have been abated.

## Entertained Friends.

Miss Blanche McLean entertained a number of her friends last evening at a dinner on Broadway, between Fifth and Sixth streets. She was assisted by her sister, Miss Bessie McLean, and Mrs. David McLean and Mrs. McLean. Cards and music were served during the early part of the evening. Dancing was also indulged in. Refreshments were served at a late hour.

## Officer Davis May Resign.

That Officer Howard Davis has decided to resign his position as a police officer has been the subject of much talk in the city. It is believed that he will soon resign his position on the police force and go to Pittsburg, where he will take upon the subject. He has proved one of the best night policemen Wellsville has ever had.

## Mission Society Meeting.

The regular meeting of the Women's Mission and Foreign Missionary society of the United Presbyterian church was held last evening at the church. Regular, monthly reports were given and other regular business transacted.

## WELLSVILLE SHORT STORIES.

will spend Sunday with Pittsburg relatives.

William Peck, of this city, spent yesterday in Wheeling on business.

Mrs. Sarah Bennett, of Smith's Ferry, Pa., is visiting friends in the city.

E. O. Floyd, of Cleveland, is visiting friends in this city for a few days.

Miss Flora Campman, of Liverpool street, is visiting friends in Salineville.

Miss Elizabeth Stewart, of Toronto, is spending a few days with friends here.

M. R. Wilkins, of Pittsburg, is spending a few days in the city with relatives.

C. W. Hain, of Columbus, is spending a day or two in the city with friends.

Miss E. Parker, if this city, is spending a few days visiting friends in Wheeling.

Mr. and Mrs. J. W. Reilly, of Fifth street, went to Pittsburg yesterday to visit friends.

Miss Anna Campbell, of Hill street, has returned from a visit with friends in Salineville.

Mr. and Mrs. Robert Lichtenberger, of Bellaire, are visiting friends in Co. for a few days.

Stella Hale, of Main street, went to Pittsburg yesterday. She will visit friends for a few days.

Mr. and Mrs. Walter McGaffie, of Tenth street, are visiting friends in Alliance for a few days.

G. L. Callahan, of Chicora, Pa., is in the city visiting friends. He will remain for a day or two.

J. H. Deveny, F. H. Hall and J. DeWald, all of Cleveland, have returned from a short business trip to the city.

Ralph Miller, and sister, Eva, of Port Homer, came up the river yesterday to enjoy the skating at West End Park.

C. W. Aten, of Nevada street, who has been visiting his parents in Bellevue, Ohio, for the past three weeks, returned to his home here yesterday.

Mr. and Mrs. Howard Davis, who were married on Thursday evening, left last evening on the steamer Greenwood for Brighton, W. Va., on a wedding trip.

## CHRISTOPHER HORTON

Has Consented to Allow His Name to Be Announced For City Treasurer.

Announcement is made in another column of the candidacy of Christopher Horton for the position of city treasurer at the coming city primaries. Mr. Horton is one of the best known and most popular men in the community. He has been a resident of the city for the past 15 years, and during that time has been steadily employed as an operative pitter in the several manufacturing establishments of the city.

Mr. Horton is a gentleman of sterling integrity and his qualifications to fill the position in a manner satisfactory to the citizens generally, cannot be questioned. There will doubtless be a number of candidates for the position, but there will be none more capable nor competent to attend to the duties of the position than Mr. Horton. He has been a life long Republican, and has in the past 15 years been a faithful worker for its best interests.

Mr. Horton's name is presented for the consideration of the Republican voters of this city by a host of friends who believe in his ability, and insist that his service to the party and record as a public spirited citizen will be of sufficient merit to make that consideration favorable.

Fine Job Printing—News Review.

## BIG CROWDS HEARD TALK ON FARMING

Institute Held at Lisbon Abounded in Good Speeches and Aroused Much Interest.

## BRAINS ARE IN DEMAND

In the Agricultural Field as Elsewhere—Why Young Men Leave the Rural Districts—Valuable Hints On Farming For Profit.

Lisbon, January 10.—(Special.)—The capacity of the court room was taxed yesterday afternoon and evening to accommodate the crowds in attendance at the Central Farmers' institute.

Music by the blind trio concert company enlivened each of the sessions, all of which have been very interesting and profitable.

At the morning session yesterday the state lecturers each made an address. Charles McIntyre on "Swine Feeding for Profit" and John L. Shawver on "The Orchard." J. P. Bailey read a paper on "The Farmer and the Schools."

Senator C. C. Connell, in behalf of Mayor Farrell, extended an official welcome to those in attendance in a few solicitous words at the opening of the afternoon session. He referred to the fact that this is the eleventh successive year an institute has been held in Lisbon, and that nearly all of them have been held in the court room. Mr. Connell said every one present, although not all were farmers, should receive some benefit from such a gathering. At this session Mr. McIntyre spoke on the subject "Increasing the Effectiveness of Barnyard Manure."

He considered the topic from a scientific standpoint, showing the need of manure sheds if the best results are to be obtained and explaining how the fertilizing quantities can be brought out by the addition of other substances.

Mr. Shawver spoke on "The Problem of Hired Help," which in many instances, he said, is one of the most difficult the farmer has to solve. One reason given by young men for their desire to leave the farm is that when they are hired hands they are not treated well. He did not believe this was true in Ohio except in a few communities he had found, where the farm hand was treated no better than the domestic animals, being isolated in huts away from the family and having their meals taken to them. He exploded the idea that the young man has to work longer and harder on the farm than in the city.

Judge Firestone, of Lisbon, made a few pointed remarks on the topic.

The evening session was more of a literary and musical character. C. P. Rothwell made the opening address, in which he advanced and well established the idea that good business sense is as requisite to the successful management of a farm as any other business. Mr. McIntyre also spoke of the need of brains on the farm, as well as in other walks of life, and Mr. Shawver dwelt on the farmer's interest in the aesthetic phase of life. Interesting features of this session were recitations by Miss Mame Lodge and Miss Galbreath and music by Prof. Davis and the blind trio.

Mr. McIntyre made the opening address at the session of this morning on "Feeding Farm Animals." He contended that intelligent discrimination is required on the selection of food for animals and then went on to show the percentage of fat, blood and muscle producing elements in the ordinary food as analyzed. When food stuffs are deficient in the fattening of animals, he recommended the mixture of other ingredients.

The farmer must acquaint himself with the proper care and feeding of animals before he can raise them at a profit.

A Question of Moment.

To the Editor of the News Review.

If one of the teams racing on Fifth street, by the express permission and sanction of Mayor Davidson, should run over and kill a child when the child is lawfully using that street, could damages be collected by the parents from the city? Please answer.

## FAIR AND FESTIVAL

At Rock Springs Park For Benefit of the Sacred Heart Church.

The ladies of the Sacred Heart congregation, at a meeting at the home of Mrs. C. P. Harrigan, completed arrangements for three booths and tables for the fair and festival to be held at Rock Springs park the evenings of January 29, 30 and 31. The tables and booths will be under the supervision of Mrs. H. S. Plankington and will be distinguished by their colors.

The C. M. B. A. booth, purple, will be in charge of Mrs. W. F. Conklin and Mrs. J. E. Webster; aides, Mrs. Pryor and Mrs. Hughes, of East Liverpool; Mrs. Powell, Miss Quinn, Miss McDermott and others.

Lemonade booth, red, white and blue, will be in charge of Miss Nell Branchington; aides, Mrs. C. A. Cooper, and Etta Harmon, of Chester; Cella De Temple, Lucy Drabelle.

Candy booth, red and yellow, will be in charge of Miss Laura McKier and Miss Mary Conklin; aides, Clara Margraff, Anna Mallory, of East Liverpool; Mamie Jackson, of Chester.

Supper table No. 1, Ancient Order of Hibernians, green and white. In charge of Mrs. Thomas Kenney and Mrs. Patrick Burns; aides, Mrs. McBride, Julia Bricein, of East Liverpool; Mrs. Lanning, Sadie Fronton, Maude Colley, Lottie Buxton, Nellie Evans, Pamie Maley, of Chester.

Supper table No. 2, Knights of Columbus, white, will be in charge of Mrs. J. C. Calhoun and Mrs. C. P. Harrigan; aides, Margaret Callahan, Anna McGinnis, Mrs. Henry Deaken, of East Liverpool; Anna Harrigan, of Wellsville; Julia and Mary Connors, of Chester.

Table No. 3, ice cream and cake, pink and green, will be in charge of Mrs. J. A. Sailing and Mrs. Mary Smith; aides, Misses Jenkins, Miss O'Herron, Miss Maloney, Miss Johanning, Miss Sahling, of East Liverpool; Miss Daum, of Chester.

The orange tree, will be in charge of Miss Florence Manning, Hannah Harrigan, of Wellsville; Mary and Ada Webster, of Chester.

gregation are so few in number, a general call is made to Catholic ladies of East Liverpool and Wellsville and ladies of all denominations who wish to assist during the fair and festival at tables and booths, their help will be thankfully received by the ladies of the congregation. They will kindly give their name and address to Mrs. C. P. Harrigan, secretary, California avenue, Chester.

## After Coal Lands.

It is probable that a big tract of coal lands, embracing about 8,000 acres, lying in Hancock and adjoining counties may be opened soon. J. A. Swearingen, of Poe, Pa., was a business visitor in Chester yesterday, his object being to meet several capitalists with a view of disposing of his leases on those lands. With the possibility of increased railroad facilities in Hancock county in the spring, these coal lands are materially increased in value, and if any definite steps were taken by the railroad soon to extend their lines the lands will increase in value many thousand dollars.

## Thrown Out of a Sleigh.

An exciting runaway occurred last night between Asbury M. E. church and Chester. After the regular services Rev. E. C. Lindsay, together with James Kavan and Grover Severs, started home in a sleigh. Before they had proceeded far something about the sleigh gave way, frightening the horse. The animal began running and threw all the occupants from the sleigh. The vehicle was demolished completely and all three had to walk home. The horse was stopped after dragging the driver, Severs, about 100 feet. Luckily no one was injured except a slight scratch on Severs' leg above the knee.

## Funeral of Lloyd Priest.

The funeral services of Lloyd Priest were held this morning at the house at 19 o'clock. A large crowd attended the services, as the young man had a large number of friends who gathered to pay their last respects to him. Rev. E. C. Lindsay preached a short sermon, after which the remains were taken to Locust Hill for interment.

## CHESTER NOTES.

William Householder is seriously ill with an attack of neuralgia.

Lauren Clark, of Chester, left this morning to begin work at Wellsville at the barber trade.

George Hardman, of Carolina avenue, is entertaining Mrs. William Hardman, of Roanoke, Va.

## The Spirit of Winter.

The Spirit of Winter is with us, making its presence known in many different ways—sometimes by cheery sunshine and glistering snows, and sometimes by driving winds and blinding storms. To many people it seems to take a delight in making bad things worse, for rheumatism twists harder, twinges sharper, catarrh becomes more annoying, and the many symptoms of scrofula are developed and aggravated. There is not much poetry in this, but there is truth, and it is a wonder that more people don't get rid of these ailments. The medicine that cures them—Hood's Sarsaparilla—is easily obtained and there is abundant proof that its cures are radical and permanent.

## AT THE THEATER

"In Convict Stripes" which will be produced at the Grand Saturday night, it is considered one of the best plays ever presented at popular prices. The scenery and effects are all new and taken from photographs from the exact location in South Carolina. Act I shows "A Country School House," Act II "The Exterior of a Southern Home," Act III "The Convict Stone Quarry" and Act IV, "The Interior of the Quarry Guard House."

# Fits

**Baby Had Two to Six Every Day.**

**Suffered Terribly—Doctors Failed.**

**Dr. Miles' Nervine Cured Him.**

Weak, nervous, fretful, puny children require a treatment such as only Dr. Miles' Nervine affords. When neglected these symptoms lead to epileptic fits or spasms. Every mother should strengthen her own and babies' nerves with Dr. Miles' Nervine, a true specific in all nervous disorders. Read the following:

"When my little boy was 18 months old he had cramps in his feet and hands. They would be drawn out of shape for two or three days. At first I thought it was a cold, but in about two weeks nothing did any good but the doctor gave him. We called another doctor but his medicine did no good so we changed to another who called it spinal disease. By this time the child's body was drawn out of shape; his backbone was curved to one side and his hands and feet out of shape. His sufferings were terrible, and he was having from two to six fits a day. I was taking Dr. Miles' Restorative Nervine for nervous trouble and saw it was recommended for fits, so I thought I would see if it would help him. All three doctors had given him up. One-half bottle stopped the fits and his limbs straightened, and another bottle cured him. He is now a strong, healthy boy going to school. I have waited to see if the old trouble returned, before writing you, but it never has. I cannot praise Dr. Miles' Nervine enough, as I know it saved my boy's life."—MRS. URIAN NELSON, Lansing, Iowa.

All druggists sell and guarantee first bottle Dr. Miles' Remedies. Send for free book on Nervous and Heart Diseases. Address Dr. Miles Medical Co., Elkhart, Ind.

**Mrs. Miller Sentenced.**  
Columbus, O., Jan. 10.—Mrs. Anna T. Miller, convicted of conspiracy and misuse of the mails in an alleged attempt to blackmail certain prominent business men of Columbus, was sentenced to 13 months in the penitentiary by Judge Thomson, in the United States court, yesterday. Thomas E. Steele, her attorney, convicted on the same charges, whose motion for a new trial was to have been argued yesterday, did not appear in court. He is under \$5,000 bond, and has been absent from the city for more than a week, and his most intimate friends say they have no information of his whereabouts. Mrs. Miller's husband, Joseph P. Miller, and his attorney, Ivor Hughes, are also under indictment on the charge of using the mails to defraud.

**PAIN IN STOMACH**  
Rumbling of gas, sour liquids arising in the mouth, distress after eating—be honest, you have had to diet, live on bland foods, and have tried many physicians' treatments and medicines, which only relieve and still you are troubled.

**NAU'S DYSPEPSIA CURE**  
Will cure you absolutely. Cures the Cause.  
Send for book FREE, to FRANK NAU, 40 Broadway, New York City.

it gives assurance that the line will be built, that contracts may be let for the construction work any time.

A Steubenville man who has inside information says he knows positively that the Wabash up-river branch would now be completed if the company had not met with such opposition and demands for fabulous prices for lands for right of way. He said the Wabash had calculated that an expenditure of \$15,000 would procure the right of way, but that \$150,000—ten times the estimated amount—has already been spent. He volunteered the information that only a few minor details remain to be adjusted and the Wabash will have its right of way all complete as far as Empire.

He also said he knew positively that had the Wabash management known how much it was going to cost and the annoyances they were going to meet in coming up the river, the first step toward coming up would never have been taken, but that inasmuch as the work was begun and so much money expended before it was seen what the cost was going to be that there is no probability that the work will be abandoned now.

Another well informed man looks for the work on the river extension to go ahead sooner than it might have, had not the Wabash met with the obstacles it has in getting into Pittsburg. Since all the work in the Pittsburg district is suspended, he looks for the work that might have been pushed there to be done elsewhere and expects the Toronto extension to get early attention.

It is authoritatively stated that the contracts for the Toronto extension of the Wabash will be let from the Cleveland office within a fortnight and it is quite likely that local men will secure some of them.

**COURTING DANGER**

It is courting danger to stand under icy eaves. Not a few have learned this to their cost. Every winter injury and even death are reported as the result of this carelessness. But there is a far more popular way of courting danger. Every man or woman who neglects a cough is inviting sickness, and many a fatal sickness has its beginning in a slight cough.

The timely use of Dr. Pierce's Golden Medical Discovery will cure the cough. Even when the cough is obstinate and there is hemorrhage with emaciation and weakness, "Golden Medical Discovery" always helps and almost always cures.

"I was troubled with a bad cold, which settled on my lungs and left me with a miserable cough," writes Mr. Joseph D. Burns of 103 Ruesist Street, Ithaca, New York. "I used two bottles of your 'Golden Medical Discovery' after which my cough disappeared entirely. I cannot recommend your medicine too highly."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood, and lungs. Substitution means a little more profit to the dealer but a loss to you.

The Common Sense Medical Adviser, 1008 large pages, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

**PEPSIN SYRUP CO.**  
Monticello, Ill.  
Gentlemen—I consider

Chicago, Ill., December 15, 1901.

**Dr. Caldwell's (Laxative) Syrup Pepsin**

By far the most reliable and efficacious remedy I have ever known for dyspepsia and kindred stomach disorders. Mild and gentle in its action, it does not simply relieve but cures permanently. It does not nauseate, as so many medicines are apt to do, but can be used in severe cases when almost anything else would distress one. Several of my friends who have used it have had the same very satisfactory results I have, and therefore feel it is well worthy of highest endorsement.

Very truly yours,  
M. C. DALTON, 311 Illinois St.

Mr. Dalton is the financial secretary of Cathedra. Court, No. 36, Catholic Order of Foresters.

**"Does not nauseate"**

It leaves no unpleasant after effects. Send us your name and address if your druggist will not supply you.

THE CHANGE OF LIFE which we fast approaching. While sitting with a friend I noticed that she was taking Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time.

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.

"As I had always been troubled more or less at the menstrual period, I dreaded

A million suffering women have found relief in Wine of Cardui.

### HOME AFFAIRS.

#### Brief Notes of a Personal Nature And of Matters About Town.

**Helped Him Forward**—Harry Turner, aged 24, of Columbus, a fireman at the Colonial Steel works, near Monaca, arrived in the city yesterday with a broken arm. He had fallen into a pit at the works in the dark. A friend bought him a ticket to this city and the township trustees assisted him to Steubenville.

**Sunday Lecture**—"The New Declaration of Independence" will be the subject of Rev. Dr. Pratt's lecture at the opera house tomorrow at 3 p. m. The favor with which the lecture last Sunday was received insures an increased

attendance. All indications are that the course will be a great success and result in much good.

**New Officers Presided**—General Lyon Post No. 44, G. A. R., met last night. The officers recently elected and installed were in charge of the meeting for the first time. Several bills contracted in the recent presentation of "The Drummer Boy" were paid and routine business was transacted. The attendance was small owing to the cold.

**Death of Russell Rumsey.**  
Vermillion, O., Jan. 10.—Russell Rumsey, well known throughout the state, died yesterday, after several years' illness, aged 89 years.

It leads—the News Review.

### FLAMES SPREAD QUICKLY PUTTING LIVES IN PERIL

Continued from First Page.

There was \$2,000 insurance on the three buildings, the two story building occupied by Kernott, on Fourth street, the restaurant building on the corner and the small dwelling facing on Washington street. The two latter buildings are complete wrecks, while the Fourth street building is completely gutted on the first floor, the second floor suffering but little damage, except from the smoke and water. They are all so badly damaged, however, as to cause almost a complete loss.

The Fourth street structure can possibly be repaired, but it is thought that it will be impossible to do anything with the other two buildings and they will probably be torn down.

The property is owned by Miss E. B. Huston and Mrs. Samuel Arbuckle, formerly of this city, but who for the past several years have lived in St. Paul. Both of the ladies are now in Philadelphia at the bedside of Mr. Arbuckle, who is seriously ill in a hospital. Sherman T. Herbert is the agent for the property and he notified them of the fire by telegraph at noon today.

The two buildings facing on Washington street together with the ground on which the Ceramic City Light company office stands have been under lease to the light company for the past several years and it is probable that the lease will be changed now, releasing the two damaged buildings so that new structures can be erected on the ground. The office of the light company was not damaged with the exception of one side being slightly scorched by the flames. All of the material and fixtures in the office were carried to places of safety as it was thought when the fire first broke out that the entire cluster of buildings was doomed. The tailor shop of H. A. Kernott which was on the first floor of the Fourth street building was completely destroyed. The insurance on the stock was \$1,700.

The second story was occupied by Mr. Kernott as a dwelling. While his household goods were not destroyed, they were so badly damaged by smoke and water as to be almost a total loss. The goods were insured for \$2,000.

Samuel Tice, the proprietor of the restaurant, perhaps suffered the heaviest loss. So quickly did the flames spread that there was practically nothing of value saved. All of the clothing of the family, except what they had on their backs at the time, went up in the flames and Mr. Tice is left in almost destitute circumstances. He places his loss at \$700 with no insurance. His family are stopping with friends and he will now practically have to start life over again as all of his savings were invested in his business which was destroyed.

The small house on Washington street was occupied by the family of Jerry Callahan and practically all of their goods were saved. His loss will not be much as his goods were fully insured. The family have stored their furniture in the homes of friends and they will be compelled to board until they can secure another house.

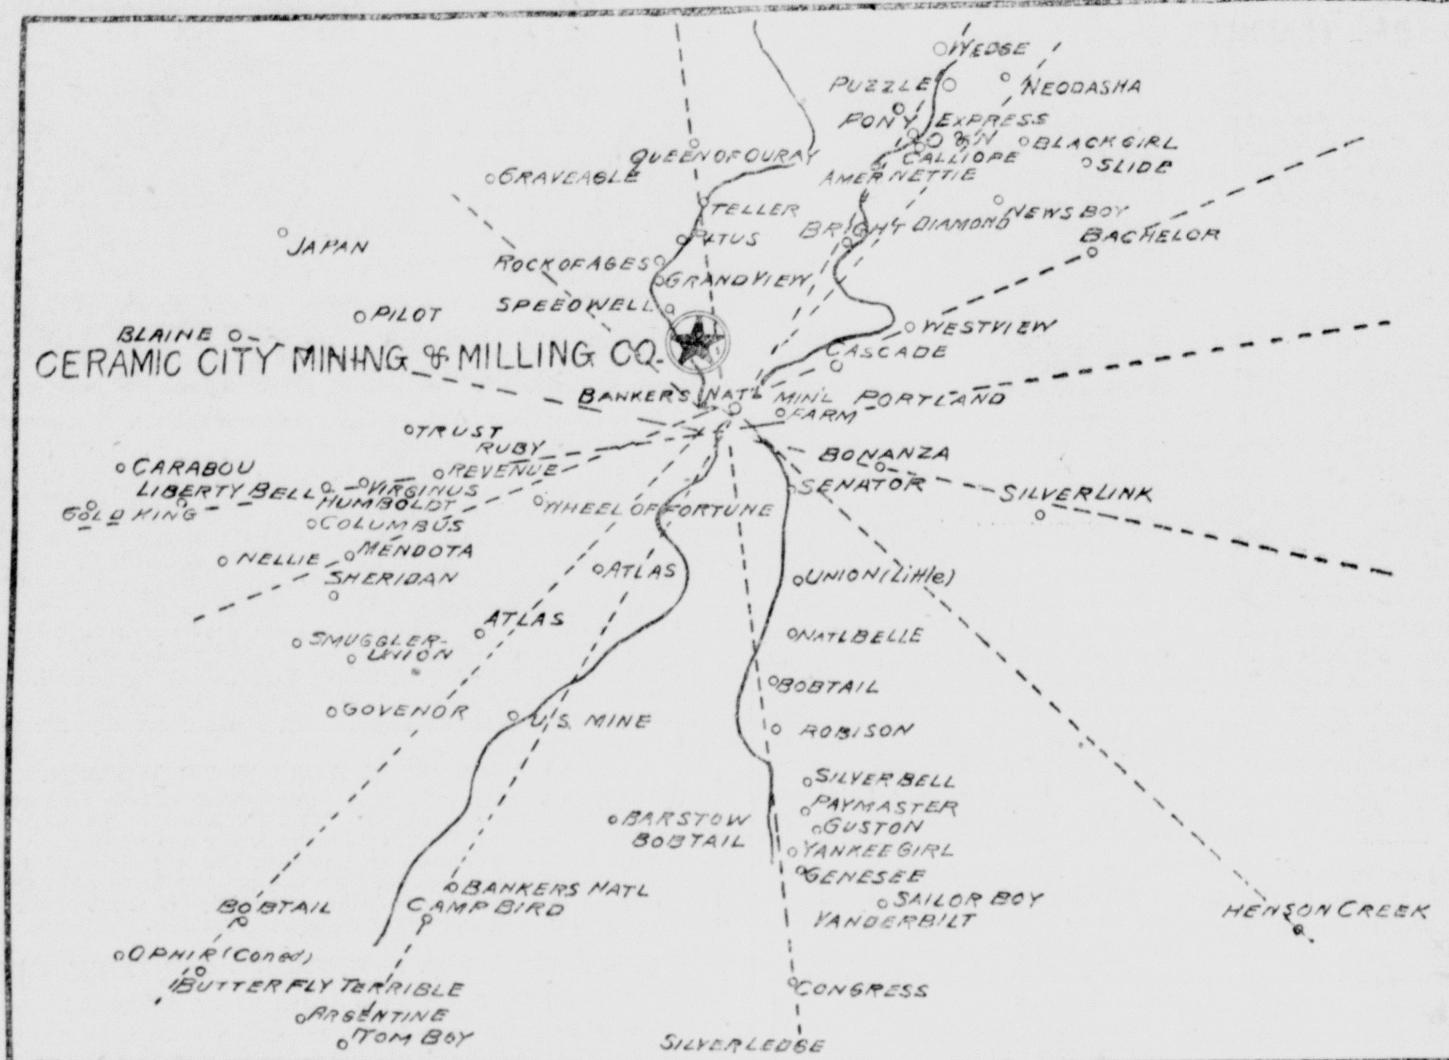

It is believed that the loss on the buildings will be fully covered by insurance.

Until Mr. Herbert hears from the owners of the property it is not known what disposition will be made of the damaged building. The insurance adjusters will likely reach here by Monday or Tuesday and nothing definite will be known until they have finished their work.

#### TO THE PUBLIC.

#### Must Pay Taxes.

Columbus, O., Jan. 10.—According to a decision handed down yesterday by Judge Thompson, of the United States court, in the case of the Western Assurance company, of Toronto, Canada, against the treasurer and auditor of Franklin county, all foreign insurance companies having money, bonds or other securities on deposit with the state treasurer, must pay taxes on the same in Franklin county. In the fall of the year 1929, the state treasurer, which sought to prevent the taxing of \$100,000 worth of bonds which it deposited with the state treasurer, the court held against the company. There are several million dollars worth of bonds deposited by foreign insurance companies with the state treasurer.

The small house on Washington street was occupied by the family of Jerry Callahan and practically all of their goods were saved. His loss will not be much as his goods were fully insured. The family have stored their furniture in the homes of friends and they will be compelled to board until they can secure another house.

It is believed that the loss on the buildings will be fully covered by insurance.
